

Trash and Recycling Update

As many of you know the dumpsters at the Town Hall have become a problem over the past few years. From being over full to items that shouldn't be in the dumpsters. After much thought the town board decided to move away from the dumpsters and go with curbside pick-up. The dumpsters will remain at the town hall through March, because of our current contract, and curbside pick up will start in April. Even though curbside pick up doesn't start until April you will see a special charge on your tax bill for refusal in the amount of \$222.75 which is 9 months of service. Please note you CAN NOT opt out of this service, every resident and business will be getting a trash and recycling container. So, if you currently already pay for this service, it is your responsibility to cancel it or pay for two. Please watch your tax bill, town website, and mail box for more updates.

We know this is going to be a big change for many and there will be hiccups during the transition but overall, the board feels this is the best move for our citizens.

Best Regards,

Avon Town Board
