

Trash and Recycling Update

*******CONTAINER DELIVERY DATE*******

March 20, 2026

GFL will be delivering trash and recycling containers on March 20, 2026. They will be using the TOWN HALL PARKING LOT as a stage area, so PLEASE refrain from coming to the Town Hall that day as it will be busy with trucks going in and out. If you don't get your containers on the 20th, no worries, they will be finishing up deliveries on the 21st.

Avon residents, we are about three weeks from going to curbside pick-up for our trash and recycling. Reminder, if you are currently paying for these services, you are responsible for canceling your current service as there is no OPT OUT option. If you happen to have GFL currently please be sure you contact them at 800-248-2373 and yes, you will be getting new bins from them. Below are a few reminders;

- First pick up is Wednesday, April 1, 2026 which will be trash only
- Have container(s) out to the road by 6:00 a.m. day of pick up
- You need to schedule a bulky item pick up
- There will be an E-Waste/Tire collection event in the spring and fall
- Delivery of containers will start in mid-March. No set date yet but will post when we find out.
- PLEASE be sure read all the information attached to your bins when they are delivered. If you have questions or concerns, please feel free to reach out to the clerk or to GFL at 800-248-2373.

Please watch the town website for updates.

Best Regards,

Avon Town Board
