EXTRAORDINARY WOMEN™

The **100 EXTRAORDINARY WOMEN™** Campaign is a trademarked initiative that celebrates the Extraordinary Women whose gifts help to support important community projects—projects like the building of a new Benton Community Center. Thousand-dollar gifts have been made in the name of each woman listed, and our **100 Extraordinary Women Campaign** has more than doubled in size . . . and continues to grow.

We invite others to join the gifting and be permanently recognized on our Community Center's **Extraordinary Women Wall**.

(The Extraordinary Woman below is Benton's first woman doctor, Dr. Xenna Bent. The community center's museum will feature an exhibit dedicated to the work of Dr. Bent.)
