**Village of Newburg  
Trick-or-Treat Hours  
Saturday, Oct. 30, 2021  
5:30pm to 7:30pm**

To let children know your home is participating in this fun community event of giving out pre-wrapped candy to Trick-or-Treaters, please turn on your porch light and tape this page to your front door.

Photos: Newburg residents Trick-or-Treating in 2019.

## Could YOU be our next Village Trustee?

Each spring half of the Board of Trustees is up for re-election. Residents interested in serving as a member of the Village Board and running for an elected position in the Spring Election should contact the Village Clerk for more information.

Candidates may begin circulating nomination papers on December 1st. If any Trustees up for reelection declare non-candidacy (that they are not running again) this will be posted on our website and on the bulletin board outside Village Hall.

You're Invited to Newburg's  
**Community Center Christmas Party!**  
 Saturday, Nov. 27th, 11am to 2pm

Come out and join your Newburg neighbors at our Winter Wonderland-themed Christmas Party! **Santa will be there for pictures** with children of all ages and we'll have a printer on site so you can receive your complimentary family photo with Santa that very day! We'll have games and a **hot chocolate bar!** This is a **FREE** community event aimed at kicking off the holidays with some community cheer! We hope you will join us!

# Upcoming Events for Newburg

## October 2021

December 24th - Trash & Recycling Pick-up Day.

December 24th + 25th - Christmas Holiday

December 31st - Trash Pick-up Day.

December 31st + January 1st - New Year's Holiday - Happy 2022!

January 7th - Trash & Recycling Pick-up Day.

January 8th - Christmas Tree Drop-off at the Recycling Center

If you would like to provide history about Newburg or request to share news and calendar items in the next issue, please email your content to [DAlexander@village.newburg.wi.us](mailto:DAlexander@village.newburg.wi.us) by December 25th.

**Community Rivers Program:** The Community Rivers Program is striving to improve water health and quality within the Upper Milwaukee River Watershed by working together with local residents, elected municipal officials, and community organizations to inspire, inform, and engage residents with and about the Milwaukee River in their own communities.

## Keep those autumn leaves off the ground and from entering your storm drains!

As Fall approaches and leaves begin falling off of trees, please be mindful of how you are getting rid of this “leaf litter”. Leaves that are washed or raked into our storm drains will negatively impact the Milwaukee River as the nutrients, phosphorus and nitrogen, break down and contribute to the depletion of oxygen in water. The village will be conducting street cleaning/ sweeping and leaf collections this November, but in the meantime, there are several things you can do with your leaves:

- Bag leaves and tuck them away somewhere until spring.
- Mow over fallen leaves in your yard for added nutrients.
- Put fallen leaves into a compost bin or pile.

## Upcoming Events!

### Storm Drain Stenciling

**Tuesday, October 19th from 4:30 - 6:30PM. Meeting location: Newburg Community Center**

We all know littering is bad, but have you ever heard of ‘leaf litter’? Join the Community Rivers Program to clean out our storm drains & learn more about how fallen leaves deposit an excess of nutrients into our waterways & what you can do to minimize this! Sign up as a group or an individual, and CRP will provide all supplies. Registration can be found at: <https://bit.ly/3ay1FaM>

### Water Wednesday Trivia

**Wednesday, November 17th from 6:30 - 8:00PM. Hosted at the Newburg Community Center**

Join the Community Rivers Program and the Newburg Community Center for a fun evening of water trivia! Show off your nature smarts as you compete with other Newburg residents in this competitive water-centered event. Prizes for 1st and 2nd place! Space is limited- so sign-up early! Teams are not necessary but encouraged if you have friends and family that want to participate. Registration can be found at: <https://bit.ly/3BHWm4m>

If you would like to know more about the program and upcoming events or to join our mailing list, please visit us online at <http://www.riveredgenaturecenter.org/communityrivers/>

# Dept. of Public Works

The DPW maintains 13 miles of roadway, 5 parks, and 3 facilities. We operate with a crew responsible for snow plowing, brush chipping, road repair, and parks and building maintenance. To reach us, email: [dpw@village.newburg.wi.us](mailto:dpw@village.newburg.wi.us) or call (262) 689-5960.

## Bulk Item Drop-Off

Bulk Item Collection is going on now, each Saturday in October from 9am to Noon. This is a great opportunity to dispose of large items like old furniture. The following items can not be accepted: appliances, tires, electronics, or wet paint.

## Leaf Collection

Curb-side leaf collection will be the week of November 8th. Leaves should be placed on the curb or on the gravel shoulder no later than 6am on November 8th. Leaf piles must be free of sticks, but may contain plant and grass clippings.

Piles should not be placed in the ditches; our equipment may not reach the piles if you put the leaves in a ditch.

Collection will begin on November 8th and may take a few days to complete and will be dependent on the weather. If you don't see your leaves picked up right away, please give us until November 15th to finish the Village's route.

## Snowplowing Reminder

Park on alternate sides of the street between 11pm and 6am. Snow piles should not be pushed into the roadway.

Village staff are not able to be responsible for driveways receiving snow from plowing the road. Snow operations may take multiple passes through which may result in driveways being filled with snow multiple times during a snow event. We appreciate your understanding.

The Village does not maintain a "bare roads" policy. This means that there may be some times when roads have snow on them. Village staff will do their best to make roads passable and safe during snow events. Travelers are urged to use caution and plan ahead when traveling on snowy roadways.

# Christmas Trees

After the holidays when you are ready to dispose of your Christmas Tree, please know that we can help you. The DPW Recycling Center, located at the north end of Municipal Drive, will be open on January 8th and 22nd from 9am to Noon to accept your tree.

## Trash & Recycling Pick-Up

We are very sorry for the late trash and recycling pick-ups that residents experienced the last couple of months. Our vendor - Waste Management, has been experiencing staffing issues that have caused the delay. We believe that the pick-up routine is now back on track. However, should you ever notice that your bins have not been emptied timely, please LEAVE THEM AT THE CURB, and this will signal to our staff and our contractor that there is still work to be done. You will not be ticketed or penalized for leaving your cart out if the trash company has not yet been around to empty it.

## Dog Waste in the Parks

Newburg does not have a "No dogs in the parks" rule because we understand that your furry friends are part of the family and part of having a nice community means being able to recreate with pets. We have provided doggy-poo-pickup-bags in our parks and trash cans for disposal. We regret to report that some parks visitors are not responsibly cleaning up after their dogs. Please pick up after your dog and politely encourage your neighbors to do the same.

## \*\*\*\*\* Job Openings \*\*\*\*\*

We have full time and part-time work in the Department of Public Works performing duties such as snow plowing, leaf collection, road patching, recycling oversight, and water testing.

**Minimum Qualifications:** Competent at driving and using small machinery such as snow blower and lawn mower. Willingness to work in all types of weather. Careful and follows directions.

Schedule is extremely versatile but generally first shift weekday work, some Saturdays, and variable depending on snowfall. "Just snowplowing duties" is also an option. **Compensation is \$16-\$22 per hour plus a snowplowing premium.**

**To Apply:** Send your resume to DPW Superintendent, PO Box 50, Newburg, WI 53060-0050, or by email to [DPW@village.newburg.wi.us](mailto:DPW@village.newburg.wi.us) or stop in at Village Hall to fill out an application.

# A Message from the Police Chief

I hope everyone had a nice and safe summer. It is nice to see that the road construction on West Main Street, Carmody Court and Hawthorne Drive are all complete. We receive a lot of speeding complaints in those areas so please watch your speeds. I am sure most of the Village residents have seen our new speed sign posted in the Village. We will be periodically changing the location of the speed sign to other Village streets where we have had the most complaints of speeders. We will also welcome requests if we are able to find a post to affix it to.

I would like to remind Newburg residents that our winter parking restrictions will be in effect starting November 1st. We have the odd/even system in the village where parking is permitted. If you choose to park on the street, your vehicle must be on the side of the street that matches the calendar date before midnight. This means that if you are parking early in the morning, between midnight and 6am, you need to consider yesterday's date for the prior evening. When the evening date is odd, park on the odd side of the street; and park on the even side of the street for even dates. The village also has a 48-hour parking provision:

*Forty-Eight Hour Parking Prohibited: No person shall park a vehicle, nor shall any owner of a vehicle permit a vehicle to be parked on Main St. or in any village owned lots for a period longer than 48 consecutive hours without the vehicle being moved at least 12 feet. In other words, if there is a reason you need to leave your vehicle in a municipal lot or on Main St. for more than two days, please give the police department a call so we can discuss what might be going on. We like to work with our residents and hear from you if there is an issue with a vehicle or there are extenuating circumstances that may prevent you from moving your vehicle.*

As always, if you have any questions, please contact me or stop in to the police department. I can be reached at (262) 675-9360 (non-emergency, please leave a message.) The police department will be out and about during Trick or Treat on October 30th. We hope to see you!

**Chief Michael Foeger**

P.S. In case of an emergency, please call 911. If you need non-emergency assistance, but cannot leave a message, you can speak with someone right away by calling the Washington County Sheriff's Office at 262-335-4378 or Ozaukee County Sheriff's Office at 262-284-7172. If you have an issue that can wait such as a traffic complaint, ordinance violation, or animal complaint please contact the Newburg Police directly.

## Special Assistance for Village Evacuation (SAVE)

Would you or someone you know need help evacuating if there were ever a major emergency in the village? Our Emergency Management Team is interested in identifying people in the village who, in the event of an emergency, may need special assistance evacuating to safety. For example - a deaf person who may not hear directions or sirens, or a person dependent upon electrical medical machines. This information identifying people with special needs in our community will allow either law enforcement or the fire department to be sure that all people within any designated evacuation area are safely removed.

If you wish to have someone in your household included in our list, which will be provided to emergency response teams that service our village, please contact Village Hall to provide the name of the person, year of birth, address, and any special notes about the assistance that could be needed. To provide this information and be placed on the Special Assistance for Village Evacuation (SAVE) List, please call Village Hall at (262) 675-2160 or email [Clerk@village.newburg.wi.us](mailto:Clerk@village.newburg.wi.us)

# A Message from the Village President

Dear Newburg Residents,

Welcome to fall in the Village of Newburg. The morning dew is forming on the windshields, the leaves will be turning colors and the temperatures are getting cooler. The good news is the Village will once again be picking up leaves curbside. See the DPW report in this newsletter for more information on leaf pick up and bush chipping.

Thanks to our DPW Supervisor, Nate Wendelborn for overseeing the road project on Main Street west. The project came in on budget and on time. Our DPW department is looking for new employees, part time or full time. If interested, please stop at village hall and fill out an application.

A big "well done!" to our Community Center Board for bring new programs to the village. Please see their article in this newsletter to see if yoga, sheepshead or any of the other programs might interest you. The center is available for rental for your holiday party needs, meetings or other events.

Our Long Range Planning Task Force delivered to the Board of Trustees their recommendations after looking at our assets and their age, as well as street conditions. They also brought forward a plan to reconstruct Main Street, the oldest street in the village and the most used. More information will be available in the coming months as we continue to work with our engineers on preliminary plans.

I look forward to the holidays and all the decorations in our village. As the days get shorter they will brighten up the village and get us in the holiday spirit.

David C. DeLuka, Village President

[DDeLuka@village.newburg.wi.us](mailto:DDeLuka@village.newburg.wi.us)

## ADRC –The Inside Story

Who are these people and what do they do?

Wednesday – October 27th, 2021 at 1:30 pm

Newburg Community Center - 450 W Main Street

Please join us to learn about the Aging and Disability Resource Center of Washington County and how they can help you with:

- **Information and Assistance**
- **Long Term Care Options Counseling**
- **Access to funding for Long Term Care Programs**
- **Benefit Counseling**
- **Health and Wellness Programs**

**WASHINGTON COUNTY**  
EST 1836  
WISCONSIN

ADRC’s mission is to empower and assist all seniors, adults with disabilities, and their families by providing services which help them make informed choices, maintain independence, and remain safely in their homes and community. Page 7

## A Community Message from St. John's Lutheran Church & School

---

St. John's Lutheran School exists to glorify Jesus Christ, assisting parents in educating, training, and nurturing His children for this life and for heaven.

Our vision is to teach the never changing message of God's Word so that students may become lifelong Christians as they go into the world proclaiming his Word equipped with academic, spiritual, and social skills in order to win souls for Christ. If you are looking for a school that fits this mold, please contact the principal, Mr. Tim Payne, for a tour. (262-675-6852)

You are always welcome to join us at church for worship with services at 8:00 and 10:30 on Sunday mornings and at 7:00 on Monday evenings. Our services are also recorded/live-streamed at the link on our website: [www.stjohnsnewburg.com/](http://www.stjohnsnewburg.com/)

**New School Year - New Teacher:** As we begin our 117th school year, St. John's is happy to have its highest enrollment since 1999 of 91 students in Preschool-8th grade. St. John's welcomes a new Preschool and Extended Learning teacher, Mrs. Rachel Arndt, this year. She is a wonderful addition to the staff and has brought her love and knowledge of environmental and experiential education to the preschool students.

**Time with Jesus:** St. John's would like to invite parents and their young children, ages 0-5, to join us for Time With Jesus-an opportunity to gather together around God's word with music, art, and playtime activities! Time with Jesus meets every other Wednesday from 8:30-9:15am. The next Time With Jesus will occur on October 6th. Additional dates may be found our calendar at [stjohnsnewburg.com](http://stjohnsnewburg.com)

**Living History Museum - One Night Only!** The Living History Museum will open its doors for only one night. All are welcome to enjoy this wonderful even where history comes alive! The St. John's students will be acting out a significant persona from history. Please join us for this once in a lifetime opportunity to meet heroes from the past! The Living History Museum will be open on Friday, October 22nd, at 7:00 PM.

**Christmas Eve Service** - Please join us as the children of St. John's Lutheran School will lead us in celebrating the Reason for the season, the gift of our Savior from sin, Jesus Christ, on Christmas Eve 5:00pm church service. There will also be a Candlelight Worship Service at 7:00pm for all who would like to attend.

**Basketball Games – Go Crusaders!** If you are looking for some local entertainment on several of the Friday nights from November to early February, please consider joining us for our home basketball games in our newly renovated gymnasium. There is no admission cost and we have concessions available. Please call (262-675-6852) or see the school website for the game schedule ([www.stjohnsnewburg.com](http://www.stjohnsnewburg.com))

# Welcome, House Of Modification Examples, Inc. (Welcome HOME)

At Welcome, House Of Modification Examples, Inc. - Welcome HOME - summer passed by much too quickly, again!

The mission of Welcome HOME is quite simple – "Enrich the lives of individuals and families living with disability". This unique non-profit all volunteer organization (the program has had no paid staff since day one in 1989) accomplishes this goal using a variety of avenues.

One way is by providing wheelchair friendly grounds with trails through an inviting prairie and woodland. Who doesn't enjoy a relaxing stroll – by foot or by chair? We invite you to come amble along the trails. (Sorry, no dogs allowed). With leaves falling this is a good time of year to count how many nests you see in the trees.

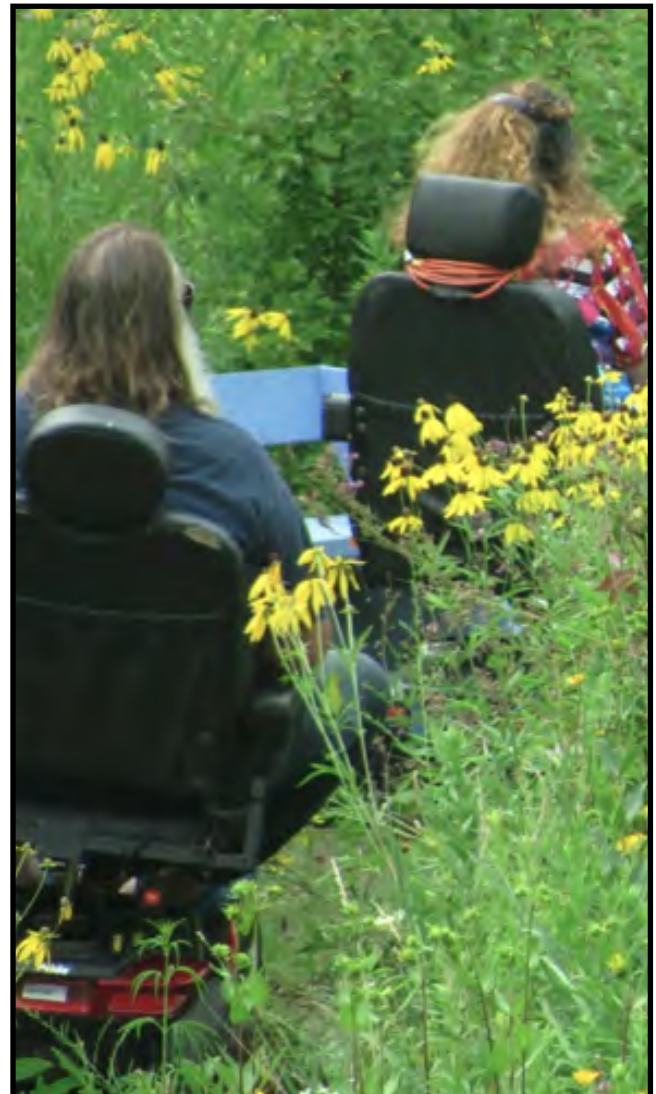

Another life enrichment tool Welcome HOME uses is individualized tours (by appointment) of the wheelchair-friendly house where you'll see varied accessible designs. There is no typical or the average disabled person so it is important to design your home to meet your capabilities and needs. Bring your camera, builder, designer - we have the tape measure. Our ideas are for sharing. Due to the Covid lifestyle we are spending more time sharing accessible design ideas via computer and phone. While photos and measurements are not the same as being able to actually interact with multiple home designs, it's a good start.

One wing of the house (2 bedrooms and bathrooms) is a Bed and Breakfast. Lodging is open to all – no disability required to be our guest. A quiet get-away from the routine of life enriches anyone. This lodging option also gives folks interested in exploring accessible designs the opportunity to interact with the ideas found throughout the house to determine what may (or just as importantly, may not) work best for them.

Awareness of what living with a disability entails enriches to world for all of us. These Girl Scouts are learning by doing – sweeping the floor while mobile via manual wheelchair, putting together a puzzle with eyes damaged by macular degeneration, putting on winter clothes without being able to stand or move your legs. Let us know if your group would like to participate in a "Life With Disability" hand's-on exercise.

[welcomehombb@gmail.com](mailto:welcomehombb@gmail.com) or 262 675-2525

4260 W Hawthorne Drive - PLEASE - remember and respect the 25 MPH speed limit on this section of newly paved road where you may encounter wheelchairs crossing!

# Community Center Commission

Greetings to all,

In a recent August issue of the West Bend Daily News, I read an article stating that Washington County ranks sixth out of the ten most charitable counties in Wisconsin. I would certainly believe that. The Goodwill trailer that was delivered for the Village -Wide Rummage Sale on August 13th, was filled to 80% with your donations! Thank you, Newburg, for your generosity!

Our latest effort to offer a trial of **yoga classes** has been well attended; everyone is having fun and getting the benefits that yoga provides. Many of the participants have never attended a yoga class before! Our yoga instructor, Marva Brook, is offering six-week sessions of either chair yoga that starts at 1pm or mat classes that start at 6:30pm on Thursdays. The next session begins on October 28th and then again on December 16th. The cost is \$60 for every six-week session. Please contact me for more information.

On October 4th, the West Bend Area Chamber of Commerce hosted a ribbon cutting ceremony promoting the addition of our kitchenette. Light refreshments were served. This opportunity also gave us the chance to promote the renting of our Community Center. **Please consider the Community Center for your next meeting or special event.** There are pictures on Facebook which our past renters shared with us so you can see the versatility our facility offers and how you could use the space for your party or event. Call Village Hall for more information.

**Community Crafts** are held the first Wednesday of the month at 10am to 2pm or 6:30pm to 9pm. Now that's it's starting to get colder, and the holidays are approaching, this is a great time to be crafting again. Bring what ever project you are currently working on and share with the group.

**Sheepshead** is played every Tuesday and the second and fourth Saturday from 12 to 4pm and new players are always welcomed. Due to hall rentals and special events, there will be no Saturday Sheepshead on October 23rd, November 27th, or December 25th.

Saturday, October 23rd will be a busy day starting at 9am with Community Coffee and Crafts with a Halloween theme and later that evening at 7pm with a fund-raising event for the purchase of an AED for the CC. This special evening event is called **Messages for the Heart**, and our Certified Medium Stacy Schuerman will connect to the Spirit world and bring loving messages to some of the people in the audience in this gallery type setting. It will be like having the "Long Island Medium" right here in Newburg!!! Tickets will be \$20 in advance and \$25 at the door. Seating will be limited. Please see the Community Center Facebook page or call Village Hall at 262-675-2160 for more details. You can either donate or purchase tickets on [Eventbrite.com](https://www.eventbrite.com). Every donation made or ticket bought will be entered into a drawing to receive a free reading from Stacy. We're counting on your generosity and support to meet our goal of \$1500.

On Wednesday, October 27th at 1:30pm, The **Aging and Disability Resource Center of Washington County will present: ADRC-The Inside story.** Who are these people and what do they do? Learn how the ADRC can assist and empower all seniors, adults with disabilities, and their families by providing services which can help you to make informed choices, maintain independence, and remain safely in your homes and community.

Join in the fun on Wednesday, November 17th at 6:30pm at the Community Center for **Water Wednesday Trivia Night presented by the Community Rivers Program.** Get a team together and have an entertaining evening. Speaking of trivia, did you know in 2017 when the Community Rivers Program was launched, Newburg was the first Healthy River Community in the state?!?

Mark your calendars for THE social event of the year on Saturday, November 27th from 11am to 2pm. The Community Center is proud to announce our **Community Center Christmas Party** (formally known as Pictures with Santa). See our flyer for more details but this will be a free, family event with Santa, games, a hot cocoa bar with all the fixings, plus food! New this year will be a Winter wonderland backdrop that will be just perfect for a family photo which we will take and make a framed copy for you to take home. Please also feel free to take your own family photos to use for gifts, Christmas cards, etc.

As the year is coming to an end, we commissioners are starting to plan our events for next year. Our goal is to have our mission statement which is Newburg residents working together to invigorate our community, to help direct and plan our events. What would you like to see offered by the Community Center? We are asking for your help with ideas and suggestions. I would love to speak directly to you.

The Commissioners appreciate your generous support of the Community Center, and we all wish you a very joyous holiday season.

*Kathy, Chair of the Community Center Commission*

Email: [Kwalczyk@village.newburg.wi.us](mailto:Kwalczyk@village.newburg.wi.us) -or- Leave a message with staff at Village Hall: (262) 675-2160

## Messages for the Heart

Join us for a fund-raising event for the purchase of an AED (automated external defibrillator) for the Community Center!

**The Village of Newburg Community Center  
presents  
Certified Medium Stacy Schuerman  
October 23rd, 2021 7pm-9pm  
Doors Open at 6:30pm**

**Tickets are \$20 in advance, \$25 at the door.  
Each ticket purchased have a chance to win a reading  
with Certified Medium Stacy Schuerman  
SEATING IS LIMITED!**

**To Purchase Tickets Online:  
Email: [kwalczyk@village.newburg.wi.us](mailto:kwalczyk@village.newburg.wi.us)  
or go to Eventbrite link:  
<https://www.eventbrite.com/e/175623323087>**

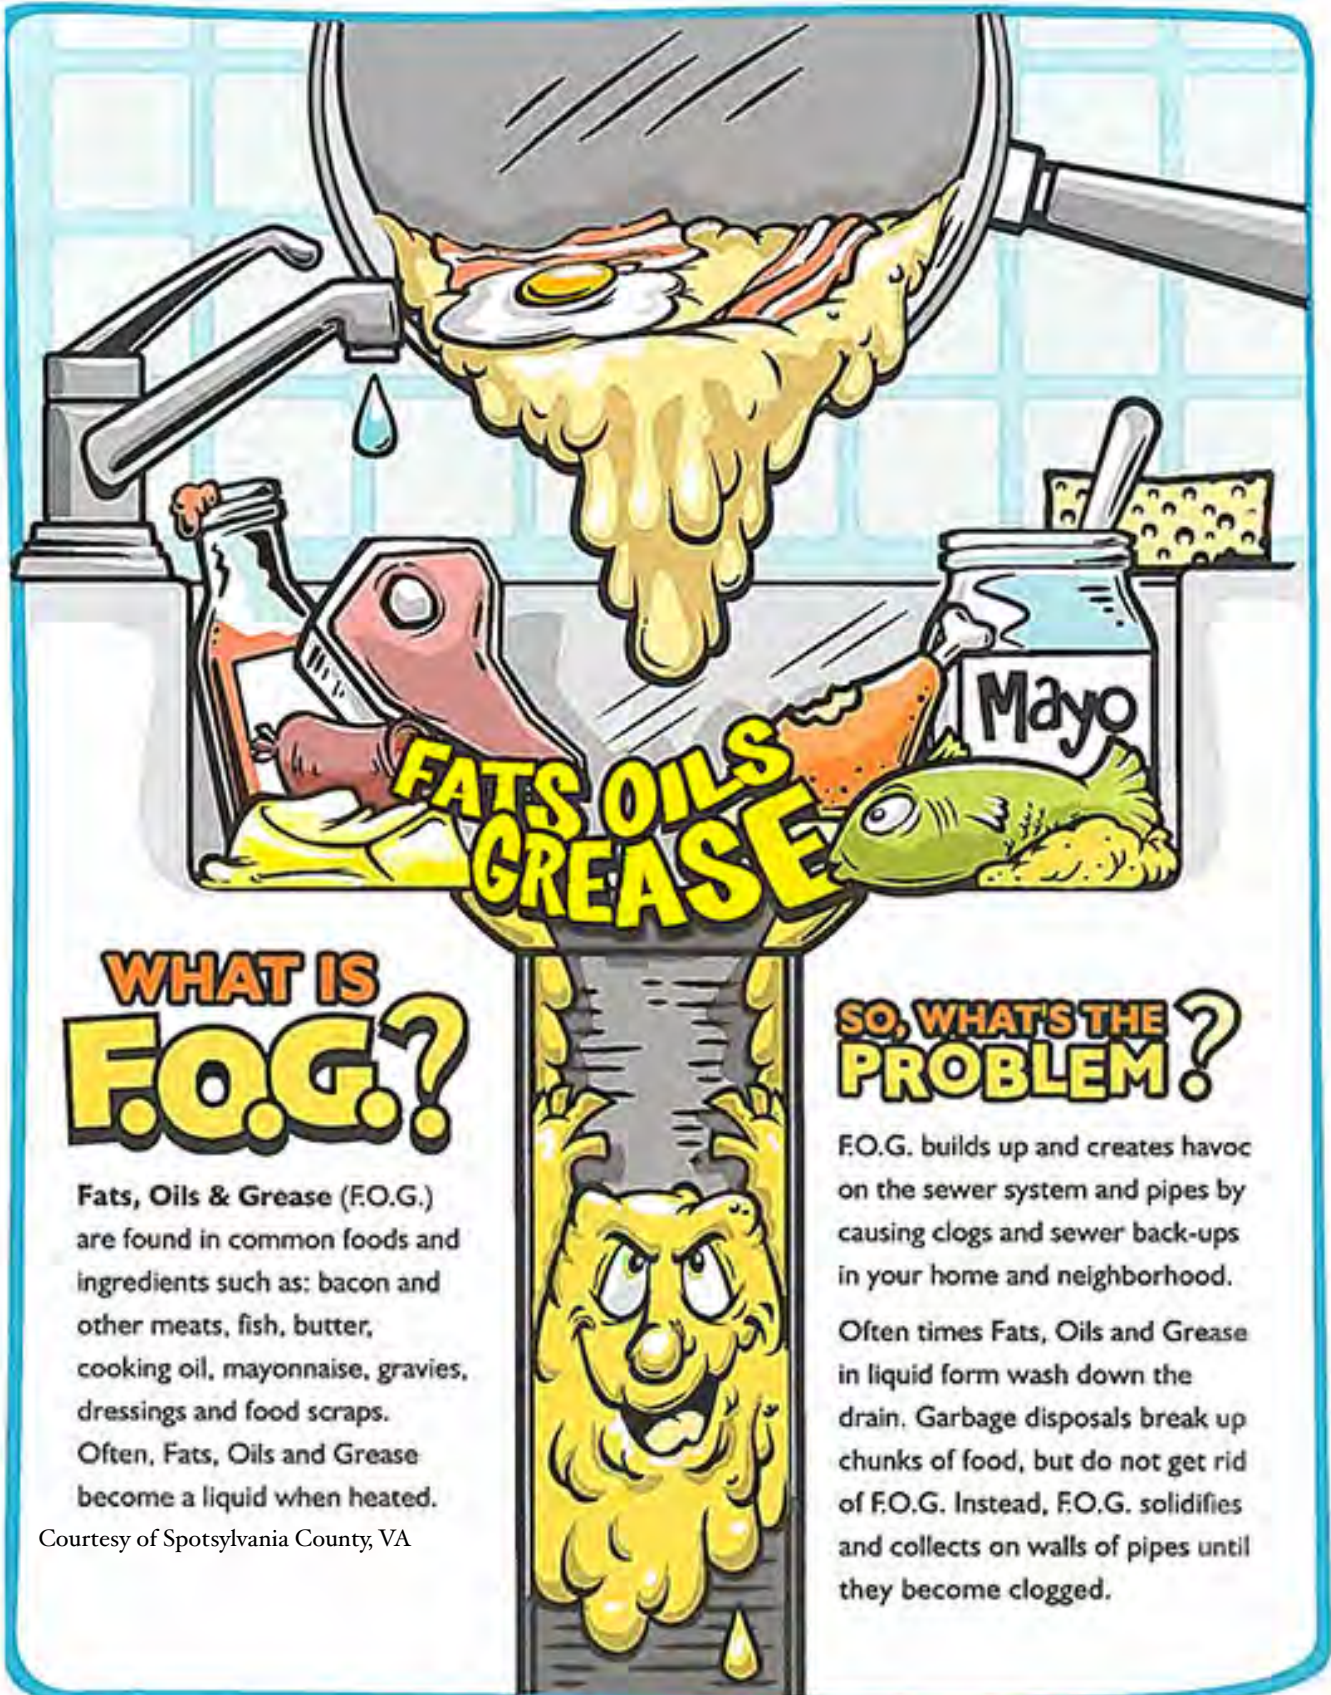

**Village of Newburg  
Community Center  
450 W. Main Street  
Newburg, WI 53060  
262-675-2160**

Join us the first Wednesday of November and December for an opportunity to bring whatever craft you are working on and spend time with other crafters finishing your "work-in-progress!" This event is open to everyone, all ages, male or female, and for all sorts of crafts and there is no cost to you. The Community Center can accommodate all crafts such as knitting, crocheting, quilting, sewing, painting, beading, jewelry-making, scrapbooking, basket weaving, and rug hooking, drawing, painting, and writing as examples. Feel free to bring a lunch or snacks. We'll have two sessions, the daytime session from **10am-2pm**, and the evening session from **630pm-9pm**. If you'd like to come to both sessions, it's okay to get everything set up and then to take a break and return as well! For more information, please feel free to contact Kathy Walczyk or by leaving a message with staff at Village Hall at (262) 675-2160.

Please don't clog our sewer pipes in Newburg;  
dispose of fats, oils, and grease properly!

## WHAT IS F.O.G.?

Fats, Oils & Grease (F.O.G.) are found in common foods and ingredients such as: bacon and other meats, fish, butter, cooking oil, mayonnaise, gravies, dressings and food scraps. Often, Fats, Oils and Grease become a liquid when heated.

Courtesy of Spotsylvania County, VA

## SO, WHAT'S THE PROBLEM?

F.O.G. builds up and creates havoc on the sewer system and pipes by causing clogs and sewer back-ups in your home and neighborhood.

Often times Fats, Oils and Grease in liquid form wash down the drain. Garbage disposals break up chunks of food, but do not get rid of F.O.G. Instead, F.O.G. solidifies and collects on walls of pipes until they become clogged.

# We Want to Hear From You!

Please share your views with us! Complete the survey below and on the back of this page and return to the village in one of the following ways: You can drop it off in the safe deposit box at Village Hall, or you can mail it to us at 620 W Main St. PO Box 50, Newburg, WI 53060. Answers are anonymous unless you opt to provide your contact information. Thank you!

1. How long have you lived in (or run your business in) the Village of Newburg?

< 1 year.  1 to 4 years.  5 to 10 years.  10 to 20 years.  20+ years.

2. To the person filling out this survey for the household: What is your age?

<18.  19 to 29.  30 to 39.  40 to 49.  50 to 59.  60 to 69.  70+

3. Please check one:  I rent my home.  I own my home.

3. Main Street from Hwy Y to the bridge has been a subject of discussion and planning for many years. Back in the 1970's when it was last renovated it took a visit from the Governor to get it repaired. Village Officials are looking at a possible plan to not only get the needed roadwork done on Main Street in the next several years, but to also get the telephone poles out of the roadway, to make a better plan for parking, to put utilities underground, and to beautify Main St. for the growth of Newburg and the long term success of our Main St. Businesses over the generations to come. Please check any of the below statements that apply to you.

I would love to see Main Street repaired, utilities put underground, and made new!

This idea doesn't matter to me - do whatever the village needs to do.

I oppose repairing Main Street in this way.

I oppose increasing property taxes to pay for Main Street.

Property taxes do not matter to me.

I am willing to pay more in property taxes to help pay for Main Street.

4. If property taxes were to be raised to pay for Main Street repairs or other major capital improvement projects, please tell us what level of a tax increase you would find reasonable:

None - I do not want taxes raised at all for any reason.

Some - As a resident of Newburg my household could help pay through a property tax increase of up to this amount per year:

Up to 1%  Up to 2.5%  Up to 5%  Up to 7.5%  Up to 10%

10. Have you visited / used the new Community Center? YES / NO

11. Our Community Center currently offers yoga fitness classes, crafting days, sheephead card games, holiday events and rentals for private parties. Is there anything else you would like to see provided for community enrichment that we should consider?

14. What else would you like to share with Board of Trustees? \_\_\_\_\_

Survey Response - 2021 Quarter 4  
Village of Newburg - Village Hall  
620 W Main St.  
**PO Box 50**  
**Newburg, WI 53060**

-----  
15. If you would like to receive news like meeting agendas, election updates, and other announcements from the village via email, please provide your email address here:

\_\_\_\_\_

If you would like a response from the Village, please provide your contact information and check \_\_\_\_ Here. Name & Contact Information: \_\_\_\_\_

**Thank you for sharing your thoughts with us!**

**This information will help village leaders make better decisions for our community!**

To submit survey, fold the paper along the dotted lines so this bottom part folds over your survey answers and the village hall address is on the other side; then tape shut. Then, submit in the safe deposit drop box at the front door to Village Hall, or stamp it and drop it in the mail.
