

## DUMPSTER PERMIT APPLICATION

PERMIT NO \_\_\_\_\_

Date Issued \_\_\_\_\_

A dumpster permit is required for the placement of any dumpster on any private property or within any public right of way including streets, boulevards, parks, all utility properties and easements, and any other Village property or easement. A dumpster permit requires the following information and approvals:

Dumpster may be placed with the approval of the Village Zoning Administrator. Applicant is responsible for any signage in accordance with uniform traffic code to protect the public including pedestrians and traffic from any obstacle created in the placement of the dumpster including physical, vision or sidewalk obstructions.

Applicant shall be responsible for the dumpster and any materials placed within the dumpster. Any damage caused by the dumpster or its contents to utility or Village property or easements must be cleaned and/or restored to pre-event conditions by the permittee upon the close of the event. If the permittee fails to fully clean and/or restore the area to the satisfaction of the Village Zoning Administrator, the Department of Public Works Superintendent will restore the area and invoice the permittee the cost of restoration. The Village reserves the right to revoke Dumpster Permit without notice. All provisions of Chapter 90.09(A) of the Village of Newburg Municipal Code must be complied with as a condition of the permit.

## **§ 90.09 TEMPORARY STRUCTURE/USE.**

(A) *Dumpsters.* The use of dumpsters is subject to the following conditions:

(1) Dumpsters shall be allowed in the following Residential Districts, R-1, R-2, R-3, R-4, and RD-1, subject to obtaining a permit. This reference to the temporary use of dumpsters does not apply to properties in the following districts: RM-1, MH, B-1, B-2, PUD, M-1, M-2, A-1, A-2, C-1, and C-2.

(2) There must be no more than one dumpster per property, unless granted a conditional use permit.

(3) Dumpsters shall be no larger than 30 cubic yards (880 cubic feet).

(4) A dumpster can be used for 90 days per calendar year. An extension beyond 90 days can be requested with approval from the Plan Commission as a conditional use permit.

(5) The dumpsters used for construction purposes must be removed within 14 days after the completion of said construction.

(6) The dumpster must be leak proof or covered.

(7) A dumpster associated with a business, school or church may remain in the residential zoning districts but must meet all setback requirements.

(8) Must meet all district setback requirements for accessory structures, unless granted special permission as part of the permit.

(9) Placement must not interfere with public access (street, sidewalk, alley, right-of-way, or other public property) without advance approval as part of the permit.

(10) Safety materials, such as lights, barricades, and/or reflective tape is required to increase visibility of dumpsters located within the right-of-way.

(11) In the event a dumpster needs emptying, repair, or alteration, as such temporary structure is unsightly, is or could cause a public nuisance, the Zoning Administrator or the designee shall serve an order to remove said structure and allow the property owner/occupant five business days to empty or remove the structure. No citation shall be issued to the property owner/occupant until the issuance of said order and the expiration of five business days in order to allow the property owner/occupant to remove the portable structure so as to meet with the approval of the Zoning Administrator or the designee.

(12) Any variances from these conditions may be considered for a conditional use permit.
