Village Garage Sales

Submitted by Kate Lopez

Hello everyone! I'll be running the 2023 Cascade Village-Wide Garage Sale again this year, and I want to encourage **anyone** who is interested in hosting a garage sale to sign up and be listed on the master sheet/map - the more houses people see on the master list and map, the more interest they will have in attending!

Between July 1st and August 1st, we will again

have digital sign-up forms available on the Village of Cascade Facebook Page, Village of Cascade Website, and paper sign-up forms at the Post Office. Please limit your ad to 20 words or less in order to fit everyone's listing on the master sheet.

The Village-Wide Garage Sale will be on Saturday, September 2nd from 8am-3pm - rain or shine. If you have any questions, please email me at CascadeRummage@gmail.com or text/call at (920) 550-1192. Thank you!

Cascade Fire Department

Submitted by Chief Todd

Summer has finally arrived and outdoor activities are in full swing! Please go that extra step to be sure what you and your family are doing is safe, that includes fireworks and outdoor campfires. Speaking of fireworks- remember that in Wisconsin anything that leaves the ground is illegal to shoot off!!

A big THANK YOU to everyone that came out to our Spring Car & Bike show. We are in full swing putting the final touches on our picnic August 4, 5 and 6. We will have our Annual Fish Boil on Friday night, water fights Saturday afternoon and something new this year is a Grilled Chicken Dinner on Sunday, advance sale tickets are required for the chicken dinner – see any firefighter for tickets.

Don't forget to practice fire safety and how to handle emergencies with your kids all year round, things like getting out of your house in the event of a fire, how to dial 911 and what your address is- all important things to know.

Lake Ellen Updates

Submitted by Bobbi Lane

The Lake Ellen Association is currently selling raffle tickets and accepting donations for its fireworks show on July 8. If

you haven't already purchased tickets, please do so. They are available from Association members and local businesses. The drawing will take place the evening of Tuesday, July 18. You do not need to be present to win.

In conjunction with the DNR, the Association is again staffing the public landing each summer weekend to provide supplies and information about not transporting plants and animals between lakes and rivers to avoid the spread of invasives which are harmful to the health of the lake.

The Town of Lyndon has updated its ordinance regarding Lake Ellen. This can be found on the Town's website as well as LakeEllen.com You can also find monthly fishing reports, Association meeting agendas, meeting minutes and more about the lake on our website.

Cascade Police Department

Submitted by Chief Jason Liermann

Hello Village Residents,

As part of the annual newsletter, I wanted to direct everyone's attention to our newer website to file complaints and other interests.

1. Go to villageofcascadewi.gov
2. Navigate to "Government" tab, then "Cascade Police Department"
3. The second link down is "Cascade Police Department—City Protect"

When you click on the link, you should see a page similar to the one in this article. From this page, you can file a police report, submit a tip for a crime that occurred, request non-emergency help, register cameras or request records. The crime information and crime map are still a work in progress and we hope to go live soon. What is neat about this website is that it works closely with our records management system, so when you file a report and if you attach photos or videos, they get attached to the call right away. This site allows us to utilize your smart doorbells that are

capturing towards the road if you register them. If we are investigating something in the area, we would get an alert and then reach out to see if you recorded any events we are investigating. We have already had multiple cameras listed. When you have time take a look at the website. Please enjoy summer and we hope to see you supporting the Fire Department at their annual picnic in August.
