### **TIRE COLLECTION**

The Manitowoc County Recycling Center tire collection service has started and will run from April through October.

#### Fees and Guidelines

- \$5.85—per car tire or smaller (5 tires or less).
- \$7.75—per standard truck tire (5 tires or less).
- 19 cents per pound (\$380 per ton) for:
  - Quantities of 6 or more tires
  - Semi tires
  - Tires on rims
- 24 cents per pound (\$480 per ton) for off road tires including:
  - Agricultural equipment tires
  - Mining equipment tires
  - Mixed loads containing off road tires
- Stop in the Recycling Center Main Office **before** dropping off tires.
- Bring your waste tires to the Manitowoc County Recycling Center during normal office hours.
- Collection employees reserve the right to judge, based on tire size, and quantity, whether a customer is charged on a per tire basis or by tire weight.
- Tire loads should not be contaminated with gravel, mud, brush, plastic, wood or any other non-tire materials. Loads with excessive contamination may be refused or charged a higher rate at the discretion of the Recycling Center.
- Residents and businesses with dump truck load or larger quantities of tires must call the Recycling Center before coming.
- For more information call the Recycling Center at 920-683-4333 or visit [Recycling.manitowoccountywi.gov](http://Recycling.manitowoccountywi.gov).

**Location & Hours:**  
3000 Basswood Road  
Manitowoc

Monday—Friday  
7am—4pm  
Saturday  
8am—Noon

**\*Rubber products that are not tires are not accepted.**

#### Tires Accepted:

- Car
- Truck
- Semi
- Tractor
- Motorcycle
- ATV
- Bicycle

Tire Collection started in 1998 as a 2 week event and has since grown into a seasonal service and has collected approximately 4.42 million pounds of waste tires. Waste tires can be reused in a number of beneficial ways. They can be shred into rubber chips and used as artificial turf or as a groundcover in playgrounds. Tire rubber can be incorporated into asphalt roads, running tracks, and used in other rubber products. Depending on what other materials are in the tires, they may also be used as tire derived fuel at permitted facilities.

The DNR estimates that Wisconsin produces 5 million waste tires per year. Tires have been banned from landfills since 1995 because they take up too much space and their bulky size makes them hard to keep buried. Unfortunately, tires have often been illegally dumped along roadways or in illegal stockpiles. Aside from looking like a mess this can cause problems. Water accumulated inside the tires becomes a breeding ground for mosquitoes. If tire piles catch fire they can release large amounts of pollutants into the air, water and soil.

#### Mission Statement

*To provide materials recycling and recovery services to the citizens of Manitowoc County and to keep the public informed about recycling issues.*

# Hazardous Waste Clean Sweep

Many common items like automotive products, household cleaners, pesticides, and home improvement products are hazardous when used, stored, or disposed of improperly. Look for items that contain the following on their labels: **Danger, Warning, Caution, Poison, Combustible, Flammable, Corrosive, and Toxic.**

Thanks to our participants and volunteers, since our collection started in 1985, we have collected 1,158,180 pounds of unwanted chemicals.

## Manitowoc County Highway Shop 3500 HWY 310

### Residents

Saturday, **May 20**, 9am - Noon

### Farms and Businesses

Friday, **May 19**, 2pm - 4pm

Pre-registration is required by May 12  
Call 920-683-4333

Many cleansers, home improvement products, automotive products and pesticides can be dangerous when stored or disposed of improperly. They can contaminate the soil, water, and air when spilt or illegally dumped. Improperly stored items could be involved in accidental poisonings of children and pets. The Clean Sweep Program provides an opportunity to safely dispose of these materials for free and for eligible businesses to save on their disposal costs.

All of the collected items are properly recycled, neutralized or disposed of at special disposal sites or hazardous waste incinerators that render the materials harmless.

The Manitowoc County Clean Sweep is part of a regional partnership with Sheboygan and Fond du Lac County. It is possible partly through grant funding from the Wisconsin Department of Agriculture, Trade and Consumer Protection, a donation from the Ridgeview Landfill and volunteer labor.

### REDUCTION IS YOUR FIRST CHOICE!

#### Before you buy:

- Read the labels
- Choose safer alternatives
- Buy the smallest amount needed for the job

#### After you buy:

- Follow directions for safe use
- Store properly in the original container
- Share what you can't use
- Dispose of leftovers properly

### ACCEPTABLE ITEMS

- Pesticides and poisons
- Oil and lead based paints
- Wood preservatives
- Solvents
- Aerosols
- Cleansers and polishes
- Contaminated oil
- Antifreeze
- Gasoline
- Mercury and mercury containing devices
- Pool chemicals

Disposal or recycling options exist for many unacceptable items. Contact the Manitowoc County Recycling Center at 920-683-4333 or visit

[Recycling.manitowoccountywi.gov](http://Recycling.manitowoccountywi.gov)

### GUIDELINES

- Household and farms may dispose of acceptable hazardous waste items at no cost.
- Participants must be residents of Manitowoc County.
- Wastes must be brought in the original containers. Keep materials separate. Do NOT mix chemicals.
- To prepare materials for transport, line a cardboard box with a plastic bag, place them in the box and separate with cardboard.
- Place items in your trunk or the back of your vehicle.
- Gas cans, totes, and other containers will not be returned.
- When arriving at the Clean Sweep site, slow down and follow traffic directions.
- Remain in your vehicle at all times.
- Do not come before or after the listed times.
- Farms and businesses must register by May 11. Call 920-683-4333 for information.

### UNACCEPTABLE ITEMS

- **LATEX PAINT\***
- Explosives such as ammunition
- Radioactive materials such as smoke detectors
- Compressed gas tanks such as fire extinguishers and propane tanks
- Unknown chemicals
- Tires
- Infectious and biological waste including sharps
- Light bulbs and batteries
- TVs and electronics
- Appliances
- Freon gases
- Pharmaceuticals

\*Residents are encouraged to dispose of latex paint in their trash. Just take the lid off and let it dry or add paint hardener or cat litter. Once hard, latex paint can be disposed of in the trash.

**Program Sponsors:** Manitowoc County Solid Waste Dept., Wisconsin Department of Agriculture, Trade, and Consumer Protection (DATCP), Waste Management Inc., Ascend Services Inc., and Manitowoc County UW Extension.

# DROP YOUR DRUGS IN OUR BOX

## DRUG DISPOSAL PROGRAM

Drug Drop Boxes are available year-round at participating law enforcement buildings. Since the Drug Disposal Program started in 2006, 23,212lbs of unwanted medications have been collected for proper disposal. Participants should remove pills from the original container and put them in a "ziplock" style bag that is quart size or smaller. Pills can be mixed in one bag. Bring the bag to a law enforcement drug drop box. Recycle or dispose of the empty pill bottles and boxes at home. Liquids, creams, and powders stay in their original container with the caps tightened.

### Guidelines:

- Accepted drugs include prescriptions, over the counter, pet medications, controlled substances, and supplements.
- Place pills in a "ziplock" style bag that is quart size or less. Liquids, cremes, and powders can stay in the original container with caps tightened.
- Pill bottles and boxes are NOT accepted. Cross out your personal information and dispose of them or recycle them at home.
- Needles, sharps, mercury devices, chemical waste, electronic glucose monitors, non-medical inhalers, and personal care products like shampoo and cosmetics will NOT be accepted.
- Do NOT bring medications to drug disposal event before or after the listed times.
- Households only. Businesses should call 683-4333 for disposal information.
- Practice safe storage by keeping medications in a secured location.
- Practice reduction by consulting with your physician about your medication needs.
- Never share your prescriptions with another person.

**YES**

**NO**

### PERMANENT DROP BOX LOCATIONS:

- Manitowoc Co. Sheriff's Office: 1025 South 9<sup>th</sup> St, 8am-3:30pm M-F
- Manitowoc City Police Dept: 910 Jay St, Manitowoc, 7:30am-4:30pm M-F
- Two Rivers Police Dept: 1717 East Park St, Two Rivers, 8am-4:30pm M-F
- Mishicot Village Police: 511 East Main St, Mishicot, during [Village Hall](#) hours
- Kiel Police Dept: 619 Paine St, Kiel, open 7:30a-3p M-F

### DISPOSAL EVENT:

Saturday, April 22nd: 9am-Noon, Holy Family Memorial Main Entrance, 2300 Western Ave., Manitowoc.  
NEW—This is a drive through event. Please drive safely.

## COMPOST SITES—SEASONAL HOURS

Beginning April 1st the Basswood Road and Woodland Drive Compost Sites will have new hours. The Basswood Site yard material drop off area will be open Monday-Friday, 7am to 6pm and Saturday from 8am until 6pm. The Basswood Site is located at 3000 Basswood Road in Manitowoc. The Woodland Site, located at 4191 Woodland Drive in Two Rivers, will be open Monday-Friday, 10am to 6pm and Saturday from 8am until 6pm.

**BASSWOOD SITE**  
 3000 Basswood Rd  
 Mon-Fri 7am-6pm  
 Sat 8am-6pm

**WOODLAND SITE**  
 4191 Woodland Dr  
 Mon-Fri 10am-6pm  
 Sat 8am-6pm

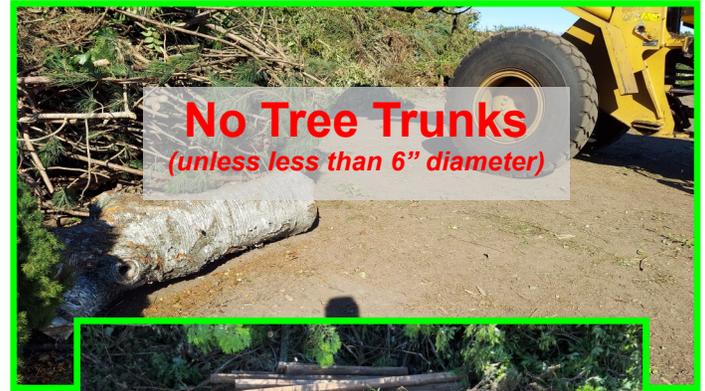

Both the Basswood Road and Woodland Drive Compost Sites are available for drop off of acceptable residential yard materials during the posted hours. Remove plastic bags and other unacceptable debris from the materials you drop off. Brush drop offs should be placed on the brush pile. Keeping your yard material drop offs clean and free of unacceptable items will help us create better compost products. When using the compost sites drive slow and watch for traffic. It is advisable to avoid using the compost sites during or after heavy rains since they can easily become rutted and slippery. Do not use the compost sites outside of the posted hours.

**Accepted Items:** Grass, leaves, flowers, plants, pumpkins, fruits, vegetables, garden waste, yard waste, brush, branches (not more than 6 inches in diameter or longer than 5 feet), clean woodchips, clean saw dust from tree removal, and natural holiday trees.

**Unacceptable Items:** **ASHES, stumps, animal waste, sod with soil, topsoil, dirt, rocks, gravel, lumber, garbage, large branches greater than 6 inches in diameter or longer than 5 feet.**

Loads may be subject to inspection by Recycling Center staff. Illegal dumping is subject to fine of \$200.50 per Manitowoc Code Section 6.17 and may include additional charges. Placing unaccepted items in an otherwise designated recycling container or pile is considered illegal dumping and is subject to fine. If you have questions about a particular material, call 683-4333 and ask.

The recycling and compost areas are monitored for illegal dumping, littering, and other issues. Please follow all posted guidelines.

**No Tree Trunks**  
*(unless less than 6" diameter)*

**No Lumber**

**No Stumps**

**No Logs**  
*(unless less than 6" diameter)*

**No Garbage**  
*(including the small stuff)*

**SHREDDED LEAF MULCH**

We have added shredded leaf mulch to our compost products. After some trial offers in the past it seems like there is some interest for the product, and since we keep it on hand for making compost, it only makes sense to offer it to the public. (See below for pricing details.)

Shredded leaf mulch can be a useful material for gardeners who are looking for an alternative to straw or wood mulch for protecting their garden soils. Similar to other ground covers, shredded leaves will help suppress weeds, help retain soil moisture, buffer soil temperature, and slow soil erosion. They will break down faster than wood mulch or straw, and can easily be incorporated into the top layers of soil with little to no tilling within the season.

Shredded leaves are also useful for home composters. Keep a stockpile next to your compost pile and mix it in with kitchen scraps and grass clippings. This will help maintain even moisture and air in the pile, which will reduce strong odors and complaining neighbors.

The fall leaves from the curbside collections in the City of Manitowoc are typically shredded and stockpiled for spring. This reduces the bulk, helps moisture and air move through the piles better, and helps them compost faster. Shredded leaf mulch is blended with green materials and wood chips during the spring and summer months to make our compost recipe. Since we maintain a stockpile of these shredded leaves we can easily offer them to the public for their gardening needs.

**Shredded Leaf Mulch**

**COMPOST PRODUCTS**

Compost and mulch products are available at the Recycling Center Main Office during the posted office hours. Purchases must be made before loading. Note that the office hours are different than the drop off site hours. Loading is generally available Monday through Friday from 7:30am to 3:30pm unless the site becomes impassable during and after heavy rains. Deliveries of 6 cubic yards/load can also be set up within Manitowoc County. Call 920-683-4333 for more info.

**SCREENED COMPOST PRICES**

- 1 bushel: \$3.00
- 1 cubic yard: \$15.00

**UNSCREENED COMPOST PRICES**

- 1 bushel: \$1.00
- 1 cubic yard: \$3.00

**WOOD MULCH**

- 1 bushel: \$1.00
- 1 cubic yard: \$10.00

**SHREDDED LEAF MULCH**

- 1 bushel: \$1.00
- 1 cubic yard: \$10.00

**DELIVERY**

- Zone 1 (within 10mi) \$40.00
- Zone 2 (over 10mi) \$65.00

*1 bushel is about 10 gallons of material and a cubic yard is 3'X3'X3'.*

**RECYCLING CENTER OFFICE**

3000 Basswood Rd, Manitowoc  
Mon-Fri 7am-4pm  
Sat 8am-Noon

**Screened Compost**

**Wood Mulch**

**RECYCLING DEPOT**

The Manitowoc Recycling Center maintains a residential drop off area at the Recycling Center Main Office located at 3000 Basswood Road. It is open Monday-Friday from 7am to 4pm, and Saturday from 8am to noon. This site is intended for use by all county residents. There is no trash or garbage drop off at this location. Contact a local hauler or the Ridgeview Landfill for disposal of trash. Different municipal drop off sites may be more accessible to you depending on the city, township or village you are from.

General Drop Site Guidelines

- Place your recyclables in the bunker or receptacle labeled for that material.
- Remove any plastic bags or strings and take them home with you to place in your trash.
- Do not place nonacceptable items in the bunkers or receptacles.
- Do not place materials outside receptacles on the ground.
- Large loads of cardboard, paper or plastic can be placed on appropriate pile on the tipping floor.
- Use caution driving through the drop site and on the tipping floor.
- Due to Covid-19, please practice social distancing and other precautions at the recycling depot.

The recycling and compost areas are monitored for illegal dumping, littering, and other issues. Please follow all posted guidelines.

Paper  
Includes newspapers, junk mail, magazines, computer paper, books with metal or plastic binding removed etc.. Paper should be clean and dry. No paper contaminated with food or oil. No paper coated with foil, plastic or heavy glue. No plastic/foil wrapping paper.

Plastic  
Check for a neck. **We only accept #1 and #2 bottles and jars.** Bottles and jars should be empty. No tub shaped containers or bottles that contained oil or pesticide (even if rinsed). No plastic wraps, films, bags, trays, pails, packaging peanuts, Styrofoam, or any other non bottle shaped item. Please do not tie milk jugs together or tie in plastic bags.

Glass Bottles  
Any color glass bottle or jar can be recycled. Put into designated bunker. Remove lids or caps and rinse. No window glass, mirrors, light bulbs, clay, ceramics, drinking glasses or ovenware.

Cartons  
Cartons include shelf stable and refrigerated containers for wine, milk, juice, cream, soy milk, soup, and egg substitutes. Drop off cartons with the plastic bottles. They should be emptied and flattened.

Cardboard  
Should be clean and flattened. No soiled cardboard or cardboard coated with wax, tin, or plastic.

Cans  
Tin, steel, and aluminum cans. Coated cans, foil, and pie tins are ok. Empty and rinse out food residue.

**ELECTRONIC NEWSLETTER REQUEST**

Are you interested in receiving current updates recycling programs in Manitowoc County? Join our electronic mailing list to receive our quarterly newsletter. Either call us at 920-683-4333 or email [jonreisenbuechler@manitowoccountymi.gov](mailto:jonreisenbuechler@manitowoccountymi.gov) and request to be added to our email distribution list. The recycling center will not give away or sell your information. You will receive our quarterly newsletter detailing news and information about the recycling center and related events.

**SCRAP METAL DUMPSTER**

The Recycling Depot now has a scrap metal dumpster available for your convenience. It is for clean scrap metal only, including steel, iron, copper, sheet/cast aluminum, tin, and mixed metals. Please remove excessive non-metal components.

- NO propane (or other) tanks
- NO electronics or appliances
- NO batteries or lamps
- NO garbage, plastic, wood, or rubber
- NO chemicals, gas, oil, or other hazardous wastes.

The Manitowoc County Recycling Center is operated by Ascend Services Inc. Formerly Holiday House of Manitowoc Inc.

The Manitowoc County Recycling Center is a business unit of the Manitowoc County Department of Public Works.
