What is Land Notification?

Land Notification is a free alert system allowing you to monitor a specific name or parcel ID in Marathon County, WI, for real estate Activity.

Each time there is recording activity on a specific name or parcel ID, an email and/or text message is generated, notifying the appropriate person of this activity. You can create one or more alerts.

While Land Notification does not prevent fraud from happening, it provides an early warning system for property owners to take appropriate action should they determine possible fraudulent activity has taken place.
