## IMPORTANT UPDATES FOR SUMMER RECREATION PROGRAM

We are continually working to update our program and offer the best possible experience for kids and families. With that idea in mind, we have worked closely with the Whitnall School District to further connect our organizations.

As you fill out your application for the summer recreation program this year, please notice the checkboxes listed on the registration form for families who would be interested in having a bus available to students who will also take part in summer school classes. Please review the needs of your child(ren) and families to see if these options would be best for you!
