2024 FALL NEWSLETTER

## TRICK OR TREAT

Hales Corners Trick or Treating will be Sunday, October 27, 2024 from 4 p.m. to 7 p.m.

### Leaf Burning in the Village

**LEAF BURNING IS PROHIBITED IN THE VILLAGE. YARD WASTE PICKUPS ARE AVAILABLE SPECIFIC DAYS IF YOU ARE PREPARED BY 6 A.M.** Plastic bags will be allowed for the final five yard waste pick up dates.

10 bags/bundles/containers will be allowed the last five yard waste pick up dates, as well. GFL Environmental Yard Waste Site, located at W144S6350 College Court, Muskego, WI 53150, is available to Hales Corners residents Saturdays, 7am-2pm for free. Proof of residency is required.

### Tax Bill Preparations

The assessor for the village, Associated Appraisal, submits property values for the tax bill. Property owners can make mailing address changes by submitting the Change Form available on our website. The deadline for any changes to mailing addresses for a 2024 tax bill is Thursday, October 31st.

### Village Right of Way

Do you know your property line does not extend to the road? The area between the road and your property line is Village right of way. This right of way area is **not** to be planted with trees or shrubs. The area should be free of rocks, landscaping materials, or the ever popular vertical stakes we see on the side of our roads. Please remove all of your items from the right of way. This is very important as it can delay DPW operations, and be a hazard you will be liable for.

On a similar note, any Village green space areas are also not meant for property owner unauthorized uses. Refer to your property surveys, or access Milwaukee County GIS mapping to view your property lines. The Village has limited property surveys on file from previous building permit applications only. The Village does not provide surveying services. This is hired privately.

The Village of Hales Corners shares a building inspector with the Village of Greendale. You may not schedule an appointment for an inspection until your permit application has been issued and fees have been paid. A final inspection is always required to close a permit.
