"Shall the Whitnall School District, Milwaukee County, Wisconsin be authorized to issue pursuant to Chapter 67 of the Wisconsin Statutes, general obligation bonds in an amount not to exceed \$79,100,000 for the public purpose of paying the cost of a school building and facility improvement project consisting of: construction of an addition, renovations and site improvements at Whitnall High School, including for a new pool, entrance, locker rooms and support space, updates to science labs, the kitchen, auditorium, gymnasium and locker rooms, and conversion of the current pool into weight/fitness, wrestling and multi-purpose spaces; construction of an addition for classrooms and a

### **Explanation**

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.

A "yes" vote on the question is a vote to approve the borrowing of \$79,100,000 by the Whitnall School District through the issuance of general obligation bonds for the purpose of paying the cost of a school building and facility improvement project consisting of: construction of an addition, renovations and site improvements at Whitnall High School, including for a new pool, entrance, locker rooms and support space, updates to science labs, the kitchen, auditorium, gymnasium and locker rooms, and conversion of the current pool into weight/fitness, wrestling and multi-purpose spaces; construction of an addition for classrooms and a gymnasium, site improvements, and renovations at Edgerton Elementary School, including updates to classrooms, the cafeteria and main office reconfiguration; district-wide infrastructure, building systems and ADA compliance improvements, including air conditioning at Hales Corners Elementary School and roof replacement at Whitnall Middle School; and acquisition of furnishings, fixtures and equipment.

A "no" vote on the question is a vote to deny the Whitnall School District the authority to borrow \$79,100,000 through the issuance of general obligation bonds for the purpose of paying the cost of a school building and facility improvement project consisting of: construction of an addition, renovations and site improvements at Whitnall High School, including for a new pool, entrance, locker rooms and support space, updates to science labs, the kitchen, auditorium, gymnasium and locker rooms, and conversion of the current pool into weight/fitness, wrestling and multi-purpose spaces; construction of an addition for classrooms and a gymnasium, site improvements, and renovations at Edgerton Elementary School, including updates to classrooms, the cafeteria and main office reconfiguration; district-wide infrastructure, building systems and ADA compliance improvements, including air conditioning at Hales Corners Elementary School and roof replacement at Whitnall Middle School; and acquisition of furnishings, fixtures and equipment.

In the event a majority of the electors voting on the question vote "yes", the District will be authorized to undertake the school building and facility improvement program described in the question and borrow not in excess of \$79,100,000 therefor; if a majority vote "no" on the question set forth above, the District will not be so authorized.
