

Hales Corners Recreation Department 2025 Summer Program

Where school ends and summer fun begins!

The receipt for a wonderful childhood includes **adventure, learning, safety, friends and fun!** The Hales Corners Recreation department summer program offers a variety of activities and optional trips for children between the ages of 5 and 13. Children are divided into two age groups: Littles (5-8 year olds) and Big Kids (9-13). Activities vary from week to week and are designed to be age appropriate and fun. Activities include arts and crafts, sports and group games, library trips, field trips, and playground time.

The fun adventurous atmosphere is created by our staff. We go to great lengths to train our staff to give your kids the best possible summer. Our staff provides safety, supervision and summer fun. Our staff ranges from high school and college students, as well as teachers and teaching staff.

IMPORTANT UPDATES FOR SUMMER RECREATION PROGRAM

We are continually working to update our program and offer the best possible experience for kids and families. With that idea in mind, we have worked closely with the Whitnall School District to further connect our organizations.

As you fill out your application for the summer recreation program this year, please notice the checkboxes listed on the registration form for families who would be interested in having a bus available to students who will also take part in the summer school classes. Please review the needs of your child(ren) and family to see if this option would be best for you.
