SUBCHAPTER I

GENERAL PROVISIONS

125.01 Legislative intent. This chapter shall be construed as an enactment of the legislature's support for the 3-tier system for alcohol beverages production, distribution, and sale that, through uniform statewide regulation, provides this state regulatory authority over the production, storage, distribution, transportation, sale, and consumption of alcohol beverages by and to its citizens, for the benefit of the public health and welfare and this state's economic stability. Without the 3-tier system, the effective statewide regulation and collection of state taxes on alcohol beverages sales would be seriously jeopardized. It is further the intent of the legislature that without a specific statutory exception, all sales of alcohol beverages shall occur through the 3-tier system, from manufacturers to wholesalers holding a permit to retailers to consumers. Face-to-face retail sales at licensed premises directly advance the state's interest in preventing alcohol sales to underage or intoxicated persons and the state's interest in efficient and effective collection of tax.

History: 1981 c. 79; 2005 a. 103; 2007 a. 85; 2011 a. 32.

State liquor laws, including licensing requirements, are applicable to liquor establishments owned or operated by either tribe members or non-Indians and located on Indian reservations. Any license issued counts toward the local quota. 75 Atty. Gen. 123.

125.015 Severability. If any provision or clause of this chapter or its application to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this chapter that can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable.

History: 2007 a. 20.

Interpreting s. 990.001 (11), an unconstitutional clause was found severable. *Wisconsin Wine & Spirit Institute v. Ley*, 141 Wis. 2d 958, 416 N.W.2d 914 (Ct. App. 1987).

(b) Subsection (2) does not apply if the provider knew or should have known that the underage person was under the legal drinking age and if the alcohol beverages provided to the underage person were a substantial factor in causing injury to a 3rd party. In determining whether a provider knew or should have known that the underage person was under the legal drinking age, all relevant circumstances surrounding the procuring, selling, dispensing or giving away of the alcohol beverages may be considered, including any circumstance under subs. 1. to 4. In addition, sub. (2) does apply if all of the following occur:

History: 1985 a. 47.

Whether an alleged activity arising out of the act of procuring alcohol is a tort itself, a conspiracy to commit a tort, or aiding and abetting a tort, this section provides immunity. *Greene v. Farnsworth*, 188 Wis. 2d 365, 525 N.W.2d 107 (Ct. App. 1994).

The distinction that this statute draws between providers of alcohol to underage and other drinkers does not violate the constitutional guarantees of equal protection. *Doering v. WEA Insurance Group*, 193 Wis. 2d 118, 532 N.W.2d 432 (1995).

A person who provides alcohol to an underage person, when the alcohol is a substantial factor in causing injury to a third party, is not immune from liability in a suit by that third party solely because that third party, also underage, illegally consumed alcohol. *Miller v. Thomack*, 204 Wis. 2d 242, 555 N.W.2d 130 (Ct. App. 1996), 95-1684.

An individual who provides alcohol to an underage person that is a substantial factor in causing an accident that ultimately injures the individual cannot be a third party under sub. (4) (b) and cannot take advantage of the exception to immunity for providers of alcohol in order to pursue an action against other providers. *Meier v. Champ's Sport Bar & Grill, Inc.*, 2001 WI 20, 241 Wis. 2d 605, 623 N.W.2d 94, 00-0589.

A person who agreed to be a designated driver, freeing a bartender to serve a possibly intoxicated person more alcohol, brought about the acquisition of the alcohol, "procuring" it for purposes of sub. (2), but was immune from liability when he later did not provide a ride and the intoxicated person drove and caused a fatal collision. *Stephenson v. Universal Metrics, Inc.*, 2002 WI 30, 251 Wis. 2d 171, 641 N.W.2d 158, 00-1397.

If an injured claimant is a third party to the transaction by which the defendant provided alcohol to an underage person, and the alcohol was a substantial factor in causing the third-party claimant's injury, the exception to immunity under sub. (4) (b) applies, and the defendant may be liable. A third person's contributory liability for providing alcohol to himself or herself does not affect the immunity determination, although the injured person's contributory fault may bear upon a defendant's ultimate liability. *Anderson v. American Family Mutual Insurance Co.*, 2003 WI 148, 267 Wis. 2d 121, 671 N.W.2d 651, 02-0980. See also *Mueller v. 125.037 Civil liability exemption for municipalities. No municipality, as defined in s. 67.01 (5), or municipal governing body, committee, official or employee is civilly liable for damage to any person or property caused by the consumption of alcohol beverages by that person or any other person, by reason of any of the following:

- (1) Issuing a license to sell alcohol beverages.
- (2) Allowing the holder of a license or permit to sell, dispense or give away alcohol beverages on property owned or leased by the municipality.
- (3) Failing to monitor or supervise the activities of the licensee or permittee.

History: 1985 a. 47; 1989 a. 253.

125.039 Civil liability exemption for retaining proofs of age. No person who holds a license or permit and no employee of such a person is civilly liable for retaining a document presented as proof of age for a reasonable length of time in a good faith effort to determine whether the person who presented the document is an underage person or to notify a law enforcement authority of a suspected violation of s. 125.085 (3) (a) or (b).

History: 1997 a. 27.

125.04 General licensing requirements. (1) LICENSE OR PERMIT; WHEN REQUIRED. No person may sell, manufacture, rectify, brew or engage in any other activity for which this chapter provides a license, permit, or other type of authorization without holding the appropriate license, permit or authorization issued under this chapter.

2. The kind of license or permit for which the applicant is applying.

3. The premises where alcohol beverages will be sold or stored or both.

4. If the applicant is a corporation, the identity of the corporate officers and agent.

A person who alleges that he or she is the underage person’s parent, guardian or spouse and that he or she has attained the legal drinking age, if the licensee or permittee or his or her employee suspects that he or she is not the underage person’s parent, guardian or spouse or that he or she has not attained the legal drinking age.

(b) The book may show the date of the purchase of the alcohol beverages, the identification used in making the purchase or the identification used to establish that a person is an underage person’s parent, guardian or spouse and has attained the legal drinking age, the address of the purchaser and the purchaser’s signature.

A vendor who negligently sells to an underage person may be liable for acts of the intoxicated underage person. *Sorensen v. Jarvis*, 119 Wis. 2d 627, 350 N.W.2d 108 (1984).

A host who negligently furnished alcohol to an underage guest was negligent per se and liable for injuries to a third party arising out of the guest’s intoxication. *Koback v. Crook*, 123 Wis. 2d 259, 366 N.W.2d 857 (1985).

Sub. (1) (a) prohibits underage persons, as well as adults, from providing alcoholic beverages to underage persons. *Smith v. Kappel*, 147 Wis. 2d 380, 433 N.W.2d 588 (Ct. App. 1988).

The purpose of sub. (3) is not to avoid the likelihood that a minor who enters a licensed premises will subsequently commit an off-premises assault; a licensee who violates sub. (3) is not negligent per se if such an assault occurs. *Symes v. Milwaukee Mutual Insurance Co.*, 178 Wis. 2d 564, 505 N.W.2d 143 (Ct. App. 1993).

Sub. (6) provides two lines of defense: the defendant can produce any factors be-

lieved relevant including those listed in sub. (6) (a) to (d) or can produce evidence meeting all four elements of sub. (6) (a) to (d), which if proven constitutes an absolute defense. *City of Oshkosh v. Abitz*, 187 Wis. 2d 202, 522 N.W.2d 258 (Ct. App. 1994).

In order to “knowingly permit” consumption by an underage person under sub. (1) (a) 3., there must be evidence, or a reasonable inference from evidence, that the person knew or should have known that drinking would occur. *Miller v. Thomack*, 204 Wis. 2d 242, 555 N.W.2d 130 (Ct. App. 1996), 95-1684.

An individual who contributes money for the intent of purchasing alcohol knowing that it will be consumed by an underage person “procures” alcohol for the underage person. *Miller v. Thomack*, 210 Wis. 2d 650, 563 N.W.2d 891 (1997), 95-1684.

Underage drinkers are not accompanied by a parent for the purposes of sub. (1) (a) merely because the parent and child are on the same premises. Parents who held a party and told their son not to drink where he could be observed by the other guests and who did not know how much their son drank were neither supervising nor otherwise controlling their son when he was drinking and were thus not accompanying him. *Mueller v. McMillian Warner Insurance Co.*, 2005 WI App 210, 287 Wis. 2d 154, 704 N.W.2d 613, 05-0121.

Affirmed on other grounds. 2006 WI 54, 290 Wis. 2d 571, 714 N.W.2d 183, 05-0121.

A county’s social host ordinance did not strictly comply with this section because it applied to the host’s residence. Under sub. (1) (a) 3.: “No adult may knowingly permit or fail to take action to prevent the illegal consumption of alcohol beverages by an underage person on premises owned by the adult or under the adult’s control.” “Premises” is defined under s. 125.02 (14m) as “the area described in a license or permit.” The definition limits sub. (1) (a) 3. to areas described in a license or permit—not a private residence. There is no textual basis to depart from basic statutory construction: the defined term must be given effect. *County of Fond du Lac v. Muche*, 2016 WI App 84, 372 Wis. 2d 403, 888 N.W.2d 12, 15-2223.

The exemption for “bowling centers” under sub. (3) (a) 3. includes all areas within a bowling center. Nothing in the plain language of the statute supports the city’s argument that the exemption excludes any portion of a bowling center that is dedicated primarily to the sale or consumption of alcohol. *City of Stoughton v. (a) The person knew or should have known that the underage person was under the legal drinking age; and

(b) The underage person dies or suffers great bodily harm, as defined in s. 939.22 (14), as a result of consuming the alcohol beverages provided in violation of s. 125.07 (1) (a) 1. or 2.

(1m) In determining under sub. (1) (a) whether a person knew or should have known that the underage person was under the legal drinking age, all relevant circumstances surrounding the procuring, selling, dispensing or giving away of the alcohol beverages may be considered, including any circumstance under pars. (a) to (d). In addition, a person has a defense to criminal liability under sub. (1) if all of the following occur:

(a) The underage person falsely represents that he or she has attained the legal drinking age.

(b) The underage person supports the representation under par. (a) with documentation that he or she has attained the legal drinking age.

(c) The alcohol beverages are provided in good faith reliance on the underage person’s representation that he or she has attained the legal drinking age.

(2) (a) Whoever violates sub. (1) is guilty of a Class H felony if the underage person suffers great bodily harm, as defined in s. 939.22 (14).

(b) Whoever violates sub. (1) is guilty of a Class G felony if the underage person dies.

History: 1987 a. 335; 1989 a. 253; 1997 a. 283; 2001 a. 109.

that the defendant knew or should have known were underage persons. It would be unreasonable to interpret sub. (1) as requiring a personal interaction between the defendant and the victim, or as requiring that the defendant have knowledge that a particular underage person would consume the alcohol procured by the defendant. *State v. Wille*, 2007 WI App 27, 299 Wis. 2d 531, 728 N.W.2d 343, 05-2839.

(bh) 1. A supervised work program ordered under par. (bd) shall be administered by the county department under s. 46.215 or 46.22 or by a community agency approved by the court. The court shall set standards for the supervised work program within the budgetary limits established by the county board of supervisors. The supervised work program may provide the person with reasonable compensation reflecting the market value of the work performed or it may consist of uncompensated community service work. Community service work ordered under par. (bd), other than community service work performed under a supervised work program, shall be administered by a public agency or nonprofit charitable organization approved by the court. History: 1981 c. 79, 158; 1983 a. 74; 1985 a. 218; 1995 a. 77; 2009 a. 302, 395; 2013 a. 106, 215; 2023 a. 73.

Former s. 125.09, 1989 stats., does not prohibit the consumption of alcohol beverages by bed and breakfast proprietors, their friends, or their personal guests in areas that are off-limits to the public or to renters. 80 Atty. Gen. 218.

125.10 Municipal regulation. (1) AUTHORIZATION. Any municipality may enact regulations incorporating any part of this chapter and may prescribe additional regulations for the sale of alcohol beverages, not in conflict with this chapter. The municipality may prescribe forfeitures or license suspension or revocation for violations of any such regulations. Regulations providing forfeitures or license suspension or revocation must be adopted by ordinance. Any municipality may, by ordinance, regulate contests, competitions, or other events for the exhibition, demonstration, judging, tasting, or sampling of homemade wine or fermented malt beverages.

(2) REGULATION OF UNDERAGE PERSONS. A municipality or a county may enact an ordinance regulating conduct regulated by s. 125.07 (1) or (4) (a), (b) or (bm), 125.085 (3) (b) or 125.09 (2) only if it strictly conforms to the statutory subsection. A county ordinance enacted under this subsection does not apply within any municipality that has enacted or enacts an ordinance under this subsection.

(3) ZONING. Except as provided in s. 125.68, this chapter does not affect the power of municipalities to enact or enforce zoning regulations.

(4) REGULATION OF CLOSED RETAIL PREMISES. A municipality may not prohibit the permittee, licensee, employees, salespersons, employees of wholesalers issued a permit under s. 125.28 (1) or 125.54 (1); employees of permittees under s. 125.295 with respect to the permittee’s own retail premises; or service personnel from being present on premises operated under a Class “A”, “Class A” or “Class C” license or under a Class “B” or “Class B” license or permit during hours when the premises are not open for business if those persons are performing job-related activities.

(b) Notwithstanding sub. (1), an ordinance enacted before January 1, 2014, regulating the possession or consumption of open containers of alcohol beverages in public places may not prohibit the possession or consumption of alcohol beverages by passengers on a commercial quadricycle. An ordinance that is inconsistent with this paragraph may not be enforced.

History: 1981 c. 79, 202; 1983 a. 74 ss. 19, 32; 1985 a. 28 ss. 5, 9; 1987 a. 168; 1989 a. 31, 253; 1991 a. 39; 1993 a. 208; 2007 a. 20; 2011 a. 32, 200; 2013 a. 106; 2015 a. 372.

This chapter contemplates and expressly directs that regulation is to supersede competition in the retail sale of alcohol beverages. The regulatory scheme indicates a legislative intent to make state antitrust law not applicable by authorizing contrary or inconsistent conduct by granting municipalities broad statutory authority to prescribe or orchestrate anticompetitive regulation in the sale and consumption of alcohol if that regulation serves an important public interest. Private parties are eligible for antitrust immunity when they act in concert, in an anticompetitive manner, in direct response to pressure bordering on compulsion from a municipality. *Eichenseer v. Madison-Dane County Tavern League, Inc.*, 2008 WI 38, 308 Wis. 2d 684, 748 N.W.2d 154, 05-1063.

A town must renew a license, if the proper application is made and the fees are paid, unless it revokes, suspends, or non-renews the license, following the procedures outlined in s. 125.12. This section does not give towns the authority to unilaterally modify the described premises in an individual license upon renewal of that license. A town must either pass a regulation or an ordinance under this section or it must find grounds for revocation or nonrenewal under s. 125.12. *Wisconsin Dolls, LLC v. Town of Dell Prairie*, 2012 WI 76, 342 Wis. 2d 350, 815 N.W.2d 690, 10-2900.

The clerk shall give notice of the revocation to the person whose license is revoked.

2. If the licensee appears as required by the summons and denies the complaint, both the complainant and the licensee may produce witnesses, cross-examine witnesses and be represented by counsel. The licensee shall be provided a written transcript of the hearing at his or her expense. If the hearing is held before the municipal governing body and the complaint is found to be true, the license shall either be suspended for not less than 10 days nor more than 90 days or revoked, except that, if a complaint under par. (ag) 4. is found to be true with respect to a license issued under s. 125.51 (4) (v), the license shall be revoked.

3. If the hearing is held before a committee of a city council, the committee shall submit a report to the city council, including findings of fact, conclusions of law and a recommendation as to what action, if any, the city council should take with respect to the license. The committee shall provide the complainant and the licensee with a copy of the report. Either the complainant or the licensee may file an objection to the report and shall have the opportunity to present arguments supporting the objection to the

city council. The city council shall determine whether the arguments shall be presented orally or in writing or both. If the city council, after considering the committee's report and any arguments presented by the complainant or the licensee, finds the complaint to be true, or if there is no objection to a report recommending suspension or revocation, the license shall be suspended or revoked as provided under subd. 2.

4. The municipal clerk shall give notice of each suspension or revocation to the person whose license is suspended or revoked.

5. If the municipal governing body finds the complaint untrue, the proceeding shall be dismissed without cost to the accused. If the municipal governing body finds the complaint to be malicious and without probable cause, the costs shall be paid by the complainant. The municipal governing body or the committee may require the complainant to provide security for such costs before issuing the summons under par. (ar).

(c) *Effect of revocation.* When a license is revoked under this subsection, the revocation shall be recorded by the clerk and no other license issued under this chapter may be granted within 12 months of the date of revocation to the person whose license was revoked. No part of the fee paid for any license so revoked may be refunded.

(d) *Judicial review.* The action of any municipal governing body in granting or failing to grant, suspending or revoking any license, or the failure of any municipal governing body to revoke or suspend any license for good cause, may be reviewed by the circuit court for the county in which the application for the license was issued, upon application by any applicant, licensee or resident of the municipality. The procedure on review shall be the same as in civil actions instituted in the circuit court. The person desiring review shall file pleadings, which shall be served on the municipal governing body in the manner provided in ch. 801 for service in civil actions and a copy of the pleadings shall be served on the applicant or licensee. The municipal governing body, applicant or licensee shall have 20 days to file an answer to the complaint. Following filing of the answer, the matter shall be deemed at issue and hearing may be had within 5 days, upon due notice served upon the opposing party. The hearing shall be before the court without a jury. Subpoenas for witnesses may be issued and their attendance compelled. The decision of the court shall be filed within 10 days after the hearing and a copy of the decision shall be transmitted to each of the parties. The decision shall be binding unless it is appealed to the court of appeals.

(3) REFUSALS BY LOCAL AUTHORITIES TO RENEW LICENSES. A municipality issuing licenses under this chapter may refuse to renew a license for the causes provided in sub. (2) (ag). Prior to the time for the renewal of the license, the municipal governing body or a duly authorized committee of a city council shall notify the licensee in writing of the municipality's intention not to renew the license and provide the licensee with an opportunity for a hearing. The notice shall state the reasons for the intended action. The hearing shall be conducted as provided in sub. (2) (b) and judicial review shall be as provided in sub. (2) (d). If the hearing is held before a committee of a city council, the committee shall make a report and recommendation as provided under sub. (2) (b) 3. and the city council shall follow the procedure specified under that subdivision in making its determination.

(3m) REFUSALS BY LOCAL AUTHORITIES TO ISSUE LICENSES. If a municipal governing body or duly authorized committee of a city council decides not to issue a new license under this chapter, it shall notify the applicant for the new license of the decision not to issue the license. The notice shall be in writing and state the reasons for the decision.

No part of the fee paid for any license which is revoked may be refunded. Whenever any court has revoked or suspended any license under this subsection, no further proceedings shall be commenced under this subsection except upon grounds arising after the original revocation or suspension.

The complaint shall identify the specific legal basis for the complaint and sufficient facts for the division to determine whether there is cause to find that a violation has occurred. The division shall provide a copy of the complaint to any wholesaler against whom allegations are made, along with notice of the time period under par. (b) to show cause why the wholesaler's permit should not be revoked or suspended or to request a hearing.

(b) Within 30 days of receiving a copy of the complaint under par. (a), any wholesaler against whom allegations are made may file a sworn written response or a written request for an evidentiary hearing before the division under s. 227.44.

(c) Subject to pars. (d) 1. and (dm), if no request for an evidentiary hearing is made under par. (b), within 60 days of receiving any response under par. Discussing due process and equal protection rights of licensees. *Tavern League of Wisconsin v. City of Madison*, 131 Wis. 2d 477, 389 N.W.2d 54 (Ct. App. 1986).

A license never should have been issued when a notice of application had not been published as required under s. 125.04 (3) (g), and a license issued without publication is void under s. 125.04 (2). Selling liquor under a void license constitutes a violation of s. 125.66 (1). Under this section, a renewal licensee, if refused, is guaranteed a right to be heard by the municipality, and the municipality must show cause for refusal, but a new licensee, if refused, has no such guarantee. When an original license is void, the applicant is a new licensee. *Williams v. City of Lake Geneva*, 2002 WI App 95, 253 Wis. 2d 618, 643 N.W.2d 864, 01-1733.

Notices sent by the city did not violate the requirement in sub. (3) that the "council shall notify the licensee in writing of the municipality's intention not to renew the license" because they stated that "there is a possibility that your application may be denied." As the matter cannot be affirmatively decided before the hearing, it is of

course only a possibility that the applicant's license will not be renewed at the time the notice is sent. *Questions, Inc. v. City of Milwaukee*, 2011 WI App 126, 336 Wis. 2d 654, 807 N.W.2d 131, 10-0707.

A town must renew a license, if the proper application is made and the fees are paid, unless it revokes, suspends, or non-renews the license, following the procedures outlined in this section. Section 125.10 (1) does not give towns the authority to unilaterally modify the described premises in an individual license upon renewal of that license. A town must either pass a regulation or an ordinance under s. 125.10 or it must find grounds for revocation or nonrenewal under this section. *Wisconsin Dolls, LLC v. Town of Dell Prairie*, 2012 WI 76, 342 Wis. 2d 350, 815 N.W.2d 690, 10-2900.

Acting upon a citizen complaint to revoke a liquor license that was not sworn, as required under sub. (2) (ag), constituted a fundamental error that deprived the licensing committee of jurisdiction over the matter. *Park 6 LLC v. City of Racine*, 2012 WI App 123, 344 Wis. 2d 661, 824 N.W.2d 903, 11-2282.

Certiorari is the correct standard of review for a court to apply when, pursuant to sub. (2) (d), it reviews a municipal decision not to renew an alcohol license. *Nowell v. City of Wausau*, 2013 WI 88, 351 Wis. 2d 1, 838 N.W.2d 852, 11-1045.

Sub. (2) (a) 2.'s prohibition of operating a disorderly house was not unconstitutionally vague as applied in this case. The statute's legislative purpose concerns the health and safety of the public and its enforcement is aimed at public health. There was no doubt that the conduct cited in this case was disorderly, riotous, indecent, or improper. Such behavior falls squarely within the ambit of the statute, particularly given the public health and safety concerns involved. *Hegwood v. City of Eau Claire*, 676 F.3d 600 (2012).

125.13 Report of suspension, revocation, or imposition of penalty. Whenever a municipal governing body or court revokes or suspends a license or permit or imposes a penalty on a licensee or permittee for the violation of this chapter, the clerk of the municipality or court revoking or suspending the license or imposing the penalty shall, within 10 days after the revocation, suspension, or imposition of penalty, mail a report to the division at Madison, Wisconsin, giving the name of the licensee, the address of the licensed premises, and a full description of the penalty imposed.

If a motor vehicle is confiscated, the division shall obtain the written advice of the department of transportation as to the ownership of the motor vehicle and shall make a reasonable search for perfected security interests in the vehicle.

(e) *Disposal.* The division shall dispose of the alcohol beverages turned over to it by the court by either giving it to law enforcement agencies free of charge for use in criminal investiga-

tions, selling it to the highest bidder if the bidder is a person holding a license or permit issued under this chapter, or destroying it, at the discretion of the division. If the division elects to sell the alcohol beverages, it shall publish a class 2 notice under ch. 985 asking for sealed bids from qualified bidders. Any items or groups of items in the inventory subject to a security interest, the existence of which was established in the proceedings for conviction as being bona fide and as having been created without the secured party having notice that the items were being used or were to be used in connection with the violation, shall be sold separately. The net proceeds from the sale, less all costs of seizure, storage, and sale, shall be turned over to the secretary of administration and credited to the common school fund.

(f) *Sale.* Any personal property, other than alcohol beverages, seized under par. (a) and fit for sale, shall be turned over by the division to the department of administration for disposal at public auction to the highest bidder, at a time and place stated in a notice of sale which describes the property to be sold. The sale shall be held in a conveniently accessible place in the county where the property was confiscated. A copy of the notice shall be published as a class 2 notice under ch. 985. The last insertion shall be at least 10 days before the sale. The division shall serve a copy of the notice of sale at least 2 weeks before the date thereof on all persons who are or may be owners or holders of security interests in the property. Any confiscated property worth more than \$100 shall be sold separately, and the balance of the confiscated property shall be sold in bulk or separately at the discretion of the department of administration. The net proceeds from the sale, less all costs of seizure, storage, and sale, shall be turned over to the secretary of administration. (2) (f), the owner of confiscated property may apply to a court of record in the county where the property was seized for an order restoring the property to the owner. After the sale, the owner may apply to the court for a refund of the amount realized on the sale. After the sale, any holder of a security interest in the property may apply to the court for a refund of the sum realized on the sale of property subject to the security interest, but not more than the amount due under the security agreement.

(b) *Deadline.* The application shall be made within one year after the sale of the property. A copy of the application and the order setting a hearing on it shall be served on the division at least 20 days before the date set for hearing.

(c) *Grounds.* Relief shall be granted only after a showing by the applicant that he or she is the true owner or holder of a bona fide security interest in the property seized; that the violation which led to the confiscation was not with his or her knowledge, consent or connivance; and, that he or she had no reasonable grounds to believe or suspect that the property would be used in a violation.

(d) *Costs.* The court may determine whether the applicant shall pay the costs of seizure and sale as a condition of obtaining relief. Allowance of costs and disbursements shall be within the discretion of the court.

(5) NUISANCES. Any building or place where alcohol beverages or alcohol is sold, possessed, stored, brewed, bottled, manufactured or rectified without a valid permit or license issued under this chapter or ch. 139, or where persons are permitted to drink alcohol beverages in violation of this chapter is a public nuisance and may be closed until the activity in violation of this chapter is abated. (b) *Discovery.* In a prosecution for a violation of this chapter that may result in the imposition of a forfeiture, neither party is entitled to pretrial discovery, except that, if the defendant moves within 30 days after the initial appearance in person or by an attorney and shows cause therefor, the court may order that the defendant be allowed to inspect documents, including lists of names and addresses of witnesses, if available, and to test under s. 804.09, under such conditions as the court prescribes, any devices used by the plaintiff to determine whether a violation has been committed.

Fermented malt beverages may be furnished at the time the holder occupies the coliseum suite, but for purposes of this chapter, the sale of fermented malt beverages furnished under this paragraph is considered to occur at the time and place that the holder pays for the fermented malt beverages. Notwithstanding s. 125.32 (3), the holder of a coliseum suite may pay for the fermented malt beverages at any time if he or she pays in accordance with the terms of an agreement with the person operating the coliseum or with the concessionaire. (1), a Class "B" license issued under this section to a caterer also authorizes the caterer to provide fermented malt beverages, including their retail sale, at the Heritage Hill state park during special events held at this park. Notwithstanding sub. (1), a caterer may provide fermented malt beverages under this subsection at any location at the Heritage Hill state park even though the Heritage Hill state park is not part of the caterer's licensed premises, as described under sub. (3) in the caterer's Class "B" license, and even if the Heritage Hill state park is not located within the municipality that issued the caterer's Class "B" license. A caterer that provides fermented malt beverages under this subsection is subject to s. 125.32 (2) as if the fermented malt beverages were provided on the caterer's Class "B" licensed premises. This subsection does not authorize the Heritage Hill state park to sell fermented malt beverages at retail or to procure or stock fermented malt beverages for purposes of retail sale. This subsection does not apply if, at any time, the Heritage Hill state park holds a Class "B" license.

An official or body authorized by a municipal governing body to issue temporary Class “B” licenses may, upon issuance of any temporary Class “B” license, authorize the licensee to permit underage persons to be on the premises for which the license is issued. A license issued to a county or district fair licenses the entire fairgrounds where the fair is being conducted and all persons engaging in retail sales of fermented malt beverages from leased stands on the fairgrounds. The county or district fair to which the license is issued may lease stands on the fairgrounds to persons who may engage in retail sales of fermented malt beverages from the stands while the fair is being held. A municipal governing body may issue a temporary Class “B” license for premises that are covered by a “Class B” permit issued under s. 125.51 (5) (b) 2. If the applicant meets the requirements of this subsection. If a license is issued under this subsection to a fair association solely for the purpose of conducting on the licensed premises fermented malt beverages judging or tasting events involving servings of fermented malt beverages no greater than one fluid ounce each, s. 125.32 (2) does not apply to these licensed premises.

A municipality has authority to limit the area of the premises when it grants a license. Here, the town chose to license the entire eight acres of a resort as the premises for the sale, and also the consumption, of fermented malt beverages and intoxicating liquor. The town made that choice. The license was not void due to an insufficient description of the premises. *Wisconsin Dolls, LLC v. 2. A brewer is not required to purchase from another permittee fermented malt beverages manufactured by the brewer that the brewer sells at retail on the brewery premises or at a full-service retail outlet of the brewer.

Under these circumstances, each authorized full-service retail outlet shall serve as the full-service retail outlet associated with each applicable permit, regardless of whether the permittee would otherwise be entitled to fewer full-service retail outlets when calculated under par. (b) or s. 125.52 (4) (b) or 125.53 (3) (b).

2. If a brewer may engage in full-service retail sales on the brewery premises as provided in par. 3. If a person holds more than one brewer's permit under this section, the retail sales authority under this subsection for brewery premises applies with respect to each brewer's permit, but the limit on full-service retail outlets is an aggregate maximum, regardless of the number of brewer's permits held.

A full-service retail outlet under sub. (7) shall be subject to the same closing hours applicable to a Class "B" licensee under s. 125.32 (3) (a).

(b) On brewery premises and at a full-service retail outlet, no person may sell alcohol beverages at retail for off-premises consumption during the hours in which a Class "B" licensee in the municipality where the brewery or retail outlet is located may not make retail sales under s. 125.32 (3) (am) and (d).

(10) COMPENSATION FOR TERMINATION OF WHOLESALE DISTRIBUTION RIGHTS. (a) In this subsection:

1. “Brand” means any word, name, group of letters, symbols, or combination thereof, including the name of the brewer or brewpub if the brewer’s or brewpub’s name is also a significant part of the product name, adopted and used by a brewer or brewpub to identify a specific fermented malt beverage product and to distinguish that product from other fermented malt beverages produced by that brewer or brewpub or other brewers or brewpubs.

2. “Discontinued brand” means, with respect to a terminated wholesaler, any brand of fermented malt beverages for which a brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit has terminated, cancelled, or failed to renew an agreement, whether oral or written, with the wholesaler to supply that brand.

3. “Successor wholesaler” means any wholesaler who enters into an agreement, whether oral or written, to obtain a supply of a brand of fermented malt beverages that is a discontinued brand, or otherwise acquires the right to act as a wholesaler for a discontinued brand, from a brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit for purposes of selling the discontinued brand in a specifically defined territory, if the discontinued brand was sold by a terminated wholesaler in any portion of this same territory at a time immediately before the brand of fermented malt beverages became a discontinued brand.

4. “Terminated wholesaler” means a wholesaler with whom a brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit has terminated, cancelled, or failed to renew an agreement, whether oral or written, to supply a brand of fermented malt beverages to that wholesaler.

(b) Except as provided in par. (c) and subject to pars. (d) and (e), a successor wholesaler shall compensate a terminated wholesaler for the fair market value of the terminated wholesaler’s distribution rights to any discontinued brand of fermented malt beverages assumed by the successor wholesaler for the same territory, less any amount paid to the terminated wholesaler by the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit for the discontinued brand. If the terminated wholesaler’s distribution rights to any discontinued brand of fermented malt beverages are divided among 2 or more successor wholesalers, each successor wholesaler shall compe-

sate the terminated wholesaler for the fair market value of the distribution rights to any discontinued brand of fermented malt beverages assumed by that successor wholesaler for the applicable part of the same territory, less any amount paid to the terminated wholesaler by the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit for the discontinued brand. A terminated wholesaler may not receive under this paragraph total compensation from the successor wholesaler and brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit that exceeds the fair market value of the terminated wholesaler’s distribution rights specified under this paragraph.

(c) A successor wholesaler is not required to compensate a terminated wholesaler under par. (b) if the terminated wholesaler’s agreement was terminated, cancelled, or not renewed for any of the following reasons:

1. The wholesaler or a principal of the wholesaler engaged in material fraudulent conduct or made substantial misrepresentations in its dealings with the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit or with others regarding any brand of the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit.

2. The wholesaler or a principal of the wholesaler was convicted of, or pleaded no contest to, a felony crime.

3. The wholesaler or a principal of the wholesaler knowingly distributed any brand of the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit outside the territory authorized by the brewer, brewpub, brewer’s agent, brewpub’s agent, or holder of an out-of-state shipper’s permit for distribution of the brand.

4. The wholesaler or a principal of the wholesaler became insolvent or instituted bankruptcy proceedings, dissolved or liquidated the wholesaler’s business, or assigned or attempted to assign the assets of the wholesaler’s business for the benefit of creditors.

(d) If a terminated wholesaler and a successor wholesaler agree to the fair market value of the terminated wholesaler’s distribution rights to any discontinued brand of fermented malt beverages assumed by the successor wholesaler for the same territory, the successor wholesaler shall pay the agreed upon sum to the terminated wholesaler within 30 days of the date on which the parties reach the agreement. If the parties cannot agree on the compensation due to the terminated wholesaler, upon written demand of either party, the parties shall submit their dispute for binding arbitration, subject to ch. 788, under the commercial arbitration rules of the American Arbitration Association if possible or, if not possible, by a nationally recognized arbitration association. The arbitration shall be conducted on an expedited basis to the extent an expedited proceeding is available. The arbitration shall commence within 90 days after the successor wholesaler obtains rights to receive a supply of a brand of fermented malt beverages, that is a discontinued brand of fermented malt beverages, of the terminated wholesaler, unless this time period is extended by mutual agreement of the parties or by the arbitrator. If the arbitrator awards compensation to the terminated wholesaler under this paragraph, the successor wholesaler shall pay the awarded compensation to the terminated wholesaler within 30 days of the date of the arbitrator’s decision. The terminated wholesaler and the successor wholesaler shall each pay an equal share of the costs of arbitration.

(e) This subsection does not apply if the terminated wholesaler is a dealer, as defined in s. 135.02 (2), whose business relationship as to any discontinued brand constitutes a dealership, as defined in s. 135.02 (3) (a), as determined by a court of compe-

tent jurisdiction. Any arbitration proceeding under par. (d) shall be stayed pending this determination.

(11) SOURCE OF FERMENTED MALT BEVERAGES. (a) Subject to s. 125.34 (3), no wholesaler authorized to make retail sales under s. 125.28 (1) (e) may sell a brand of fermented malt beverages to a retail licensee unless the wholesaler has an agreement for general wholesale distribution of that brand of fermented malt beverages with the brewer, brewpub, brewer's agent, brewpub's agent, or holder of an out-of-state shipper's permit supplying that brand.

(b) If a wholesaler violates par. (a), any other wholesaler aggrieved by such violation or the brewer or brewpub may bring an action against such wholesaler in any court of competent jurisdiction for damages sustained by the aggrieved wholesaler or the brewer or brewpub as a consequence of the violation, together with the actual costs of the action. Notwithstanding s. 814.04 (1), a wholesaler or the brewer or brewpub who prevails in an action under this paragraph may recover reasonable actual attorney fees incurred in the action.

(12) PROVIDING TASTE SAMPLES ON RETAIL PREMISES. Notwithstanding s. 125.34 (6), with the consent of the Class "A" or Class "B" licensee, a brewer may provide, free of charge, on Class "A" or Class "B" premises, taste samples of fermented malt beverages to any person who has attained the legal drinking age for consumption on the premises between the hours of 11 a.m. and 7 p.m. The provision of taste samples under this subsection shall be subject to the same limitations that apply to taste samples provided by a Class "A" licensee under s. 125.25 (1). A brewer may provide taste samples of any fermented malt beverages that the brewer purchased from the retail licensee or that the brewer produced on premises covered by its brewer's permit and brings to the retail premises, but the brewer may not leave at the retail premises any unused fermented malt beverages not purchased from the retail licensee. A brewer may provide taste samples under this subsection through an individual representing the brewer who is hired by the brewer and who is not employed by or an agent of a wholesaler. All provisions of this subsection that apply to a brewer apply equally to any individual representing a brewer.

(13) WHOLESALERS' SOURCE OF SUPPLY. No wholesaler may purchase fermented malt beverages for resale unless the wholesaler purchases them either from the primary source of supply for the brand of fermented malt beverages sought to be sold or from a wholesaler within this state that holds a permit issued under s. 125.28. No wholesaler may sell fermented malt beverages purchased by the wholesaler to any other licensee or permittee under this chapter if the fermented malt beverages have not been purchased by the wholesaler from the primary source of supply or from a wholesaler within the state holding a permit issued under s. 125.28.

(14) SPONSORSHIP PAYMENTS TO STATE FAIR PARK VENDORS. It is not a violation of this chapter for a brewer, brewpub, out-of-state shipper, or wholesaler to make a sponsorship payment or provide any other item of value to a vendor that has been issued a permit by the state fair park board. If the vendor also holds a retail Class "B" license, the sponsorship exception is strictly applied only to the state fair park location.

a. “Area base value” means the aggregate assessed value of all taxable property located within the geographic bounds of a capital improvement area on January 1 of the year that is 5 years prior to the year in which such capital improvement area is enumerated under subd. 2.

b. “Capital improvement area” means a geographic area that is enumerated under subd. 2. as having an improvement increment exceeding \$50,000,000 in the year in which the area is enumerated and as being located within a municipality with insufficient reserve “Class B” licenses to issue a “Class B” license for each business or proposed business that would reasonably require one.

c. “Good faith,” with respect to an applicant’s attempt to purchase a “Class B” licensed business, includes an applicant making an offer to purchase the business for an amount exceeding \$25,000 in total value, without additional significant conditions placed on the purchase by either party, after having given notice to all current “Class B” license holders within the municipality where the business is located, by U.S. mail addressed to either the licensee’s last-known address or to the licensed premises, of the applicant’s interest in purchasing a licensed business, except that an offer in an amount of \$25,000 or less may also be considered to be in a good faith for purposes of this subd. 1. c. depending on the fair market value of the business, the availability of other licensed businesses for purchase, and any conditions attached to the sale.

d. “Improvement increment” means the aggregate assessed value of all taxable property in a capital improvement area as of January 1 of any year minus the area base value.

e. “Qualified applicant” means an applicant that complies with all requirements under s. 125.04 (5) and (6) and any applicable ordinance, that certifies by affidavit that the applicant has made a good faith attempt to purchase the business of a person holding a “Class B” license within the municipality and have that license transferred to the applicant under s. 125.04 (12) (b) 4., and for whom the issuing municipality has determined that these requirements have been met.

2. The legislature hereby enumerates, as a capital improvement area, the geographic area composed of all land within the Tax Incremental District Number 3 within the city of Oconomowoc in Waukesha County that lies south of Valley Road and east of STH 67 or that lies south of I 94 and west of STH 67.

(b) to (d) and in addition to any license under par. (v).

4. Notwithstanding pars. (am) to (d) and s. 125.185 (5), after a qualified applicant has filed an application under subd. 3. and upon application by an initial qualified applicant under this subdivision, the governing body of any municipality containing a capital improvement area enumerated under subd. 2. shall determine the improvement increment within the capital improvement area for the calendar year in which the application under this subdivision is filed. If the improvement increment is at least \$10,000,000 above \$50,000,000, the governing body of the municipality shall issue to the initial qualified applicant a “Class B” license. For each \$10,000,000 of improvement increment above \$50,000,000, the governing body of the municipality is authorized to issue under this subdivision one “Class B” license and,

upon each application by a qualified applicant subsequent to that of the initial qualified applicant, the governing body of the municipality shall issue a “Class B” license to the qualified applicant until all licenses authorized under this subdivision have been issued. If the governing body of any municipality receives an application by a qualified applicant in a calendar year subsequent to the calendar year in which it received the application of the initial qualified applicant, the governing body of the municipality shall redetermine the improvement increment for that year for the purpose of determining the number of “Class B” licenses authorized under this subdivision. The “Class B” licenses that a municipality is authorized to issue under this subdivision are in addition to the number of licenses determined for the municipality’s quota under pars. (b) to (d), any license under par. (v), and the license under subd. 3.

5. Notwithstanding subds. 3. and 4., not more than 8 “Class B” licenses may be issued under this paragraph for premises within the same capital improvement area.

Notwithstanding pars. (a), (b), (c), and (d), a permittee may provide intoxicating liquor under this paragraph at the Ozaukee County fairgrounds even though the Ozaukee County fairgrounds are not part of the premises described in the permit. A permittee that provides intoxicating liquor under this paragraph is subject to s. 125.68 (2) as if the intoxicating liquor were provided on the premises covered by the “Class B” permit. This paragraph does not authorize Ozaukee County or any person operating or managing the Ozaukee County fairgrounds to sell intoxicating liquor at retail or to procure or stock intoxicating liquor for purposes of retail sale. This paragraph does not apply to a permit issued under par. (g).

(f) *Permits for racetrack grounds.* 1. In this paragraph, “racetrack grounds” has the meaning given in s. 125.27 (5) (a).

2. Subject to subd. 4., the permit authorizes the retail sale of intoxicating liquor, by the glass and not in the original package or container, on the premises covered by the permit, for consumption anywhere within the racetrack grounds. If the division issues more than one permit under this paragraph for the same racetrack grounds, no part of the premises covered by a permit under this paragraph may overlap with premises covered by any other permit issued under this paragraph.

3. Subject to ss. 125.07 (3) (a) 17. and 125.68 (4) (c) 4., all provisions of this chapter applying to “Class B” licenses apply to “Class B” permits issued under this paragraph, except as follows:

The state fair park board may use the application forms under s. 125.04 (3) (b) and (d) 1. or may prepare its own application forms with application information tailored to the permits under this paragraph. The state fair park board's notice of meeting under s. 19.84 for a meeting at which a permit application will be considered shall be given at least 15 days prior to the meeting.

5. A person holding a permit under this paragraph is subject to any requirements or conditions imposed upon the person by the state fair park board in the permit or under a lease or vendor agreement. This agreement may require the person to remit to the state fair park board a percentage of gross sales of alcohol beverages as specified in the agreement.

7. Permits issued under this paragraph are not subject to a quota under sub. (4).

8. A permit issued under this paragraph shall be valid for one year and expire on June 30. The state fair park board shall establish an annual fee for a permit issued under this paragraph in the amount of 50 percent of the annual fee for a permit issued under par. (a). All fees received under this subdivision shall be credited to the appropriation account under s. 20.190 (1) (h).

9. a. The state fair park board shall establish standards, consistent with subd. 1., and procedures for renewal of a permit issued under this paragraph.

b. The state fair park board shall establish standards and procedures for suspension, revocation, or refusal to renew a permit issued under this paragraph. A suspension, revocation, or refusal to renew a permit under this paragraph is a contested case under ch. 227.

10. Except as otherwise provided in this paragraph, all sections of this chapter relating to "Class B" licenses apply to "Class B" permits issued under this paragraph.

11. The state fair park board shall have the enforcement powers of s. 42.01 over a permittee under this paragraph.

12. A municipality may not issue a "Class B" license for premises within the state fair park. No person may sell intoxicating liquor at retail at the state fair park unless the person holds a permit issued under this paragraph.

(6) FACE-TO-FACE RETAIL SALES. Except as provided in subs. (3) (bm), (bs), and (bx) and (5) (e) and except with respect to caterers, a retail license or permit issued under this section authorizes only face-to-face sales to consumers at the premises described in the retail license or permit.

(8) CONNECTING PREMISES. Except in the case of hotels, no person may hold both a "Class A" license and either a "Class B" license or permit, a Class "B" license or permit or a "Class C" license for the same premises or for connecting premises. Except for hotels, if either type of license or permit is issued for the same or connecting premises already covered by the other type of license or permit, the license or permit last issued is void. If both licenses or permits are issued simultaneously, both are void.

(9) LICENSES FOR LESS THAN ONE YEAR. (a) A license may be issued after July 1 in any license year. The license shall expire on the following June 30. The fee for the license shall be prorated according to the number of months or fractions thereof remaining until the following June 30.

The amount of the fee for the license shall be determined by the municipal governing body issuing the license but may not exceed \$10, except that no fee may be charged to a person who at the same time applies for a temporary Class "B" license under s. 125.26 (6) for the same event. A license issued to a county or district fair licenses the entire fairgrounds where the fair is being conducted and all persons engaging in retail sales of wine from leased stands on the fairgrounds. The county or district fair to which the license is issued may lease stands on the fairgrounds to persons who may engage in retail sales of wine from the stands while the fair is being held. If a county or district fair leases any stand to a winery holding a permit under s. 125.53, in addition to making retail sales of wine from the leased stand, the winery may provide taste samples anywhere on the fairgrounds of wine manufactured by the winery. If a license is issued under this paragraph to a fair association solely for the purpose of conducting on the licensed premises wine judging or tasting events involving servings of wine no greater than one fluid ounce each, s. 125.68 (2) does not apply to these licensed premises. Except as provided in par. (b), not more than 2 licenses may be issued under this paragraph to any club, chamber of commerce, county or local fair association, agricultural association, church, lodge, society, or veterans post in any 12-month period.

(b) 1. A municipality may issue up to 20 licenses under par. (a) to the same licensee if all of the following apply:

a. Each license is issued for the same date and times and the licensee is the sponsor of an event held at multiple locations within the municipality on this date and at these times.

b. An admission fee is charged for participation in the event and no additional fee is charged for service of alcohol at the event.

c. Within the immediately preceding 12-month period, the municipality has issued licenses under authority of this paragraph for fewer than 2 events.

49 Updated 23-24 Wis. Stats.

2. The duration of an event under subd. 1. may not exceed one day.

3. For purposes of the 2-license limit imposed under par. (a), each event for which multiple licenses are issued as provided in subd. 1. shall count as one license toward this 2-license limit.

4. A municipal governing body or an official or body authorized by a municipal governing body to issue temporary "Class B" licenses may, upon issuance of a temporary "Class B" license as provided in subd. 1., authorize the licensee to permit underage persons to be on the licensed premises for the purpose of acting as designated drivers.

The licensed premises, with respect to a "Class B" intoxicating liquor license under this section, may be co-extensive with the premises where consumption may occur. Thus, the premises to be listed on a "Class B" license are not necessarily confined to the dimensions of a bar room or storage room. Here, the town chose to license the entire eight acres of a resort as the premises for the sale, and also the consumption, of fermented malt beverages and intoxicating liquor. The town made that choice. The license was not void due to an insufficient description of the premises. *Wisconsin Dolls, LLC v. (4) (c), or as authorized under s. 125.69 (9).

(c) Possession of a permit under this section does not authorize the permittee to sell tax-free intoxicating liquor and wines brought into this state under s. 139.03 (5).

ALCOHOL BEVERAGES**125.52**

(2) LIMITED MANUFACTURER'S PERMIT. The division shall issue a limited manufacturer's permit which authorizes the use or sale of the intoxicating liquor produced only if it is rendered unfit for use as a beverage and is used or sold for use as fuel. (3) PERSONS ELIGIBLE. Except as provided under s. 125.69, a manufacturer's or rectifier's permit may be issued to any person who holds a valid certificate issued under s. 73.03 (50) and who is qualified under s. 125.04 (5), except a foreign corporation, a foreign limited liability company or a person acting as an agent for or in the employ of another. Notwithstanding s. 125.04 (5) (a) 5., a person is not required to complete a responsible beverage server training course to be eligible for a permit under this section.

(4) RETAIL SALES; FULL-SERVICE RETAIL OUTLETS. (a) 1. Notwithstanding ss. 125.04 (9) and 125.09 (1), a manufacturer or rectifier may make retail sales, on the manufacturing or rectifying premises, of intoxicating liquor that has been manufactured or rectified by the manufacturer or rectifier on the manufacturing or rectifying premises or on other premises of the manufacturer or rectifier, for on-premises or off-premises consumption.

2. Notwithstanding ss. 125.04 (9) and 125.09 (1), if a manufacturer or rectifier produced, on all manufacturing or rectifying premises operated by the manufacturer or rectifier in this state, a cumulative total of at least 1,500 liters of intoxicating liquor in any one of the 3 preceding calendar years, the manufacturer or rectifier may engage in full-service retail sales on the manufacturing or rectifying premises.

(b) Notwithstanding ss. 125.04 (9) and 125.09 (1), and subject to pars. (d) and (g), if a manufacturer or rectifier produced, on all manufacturing or rectifying premises operated by the manufacturer or rectifier in this state, a cumulative total of at least 1,500 liters of intoxicating liquor in any one of the 3 preceding calendar years, the manufacturer or rectifier may engage in full-service retail sales at off-site locations identified in the manufacturer's or rectifier's permit. Subject to pars. (f) and (g), the number of retail sales locations a manufacturer or rectifier is allowed in addition to the manufacturing or rectifying premises is determined by the cumulative volume of intoxicating liquor the manufacturer or rectifier produced on all manufacturing or rectifying premises operated by the manufacturer or rectifier in this state in any one of the 3 preceding calendar years, as follows:

1. If the manufacturer's or rectifier's cumulative volume in a year was at least 1,500 liters of intoxicating liquor but less than 5,000 liters of intoxicating liquor, the manufacturer or rectifier may establish one full-service retail outlet.

2. If the manufacturer's or rectifier's cumulative volume in a year was at least 5,000 liters of intoxicating liquor but less than 35,000 liters of intoxicating liquor, the manufacturer or rectifier may establish not more than 2 full-service retail outlets.

3. If the manufacturer's or rectifier's cumulative volume in a year was at least 35,000 liters of intoxicating liquor, the manufacturer or rectifier may establish not more than 3 full-service retail outlets.

(c) 1. Except as provided in subd. 2. and par. (f), a manufacturer or rectifier may make full-service retail sales of alcohol beverages on the manufacturing or rectifying premises and at any of its full-service retail outlets only if the alcohol beverages were purchased by the manufacturer or rectifier from a wholesaler holding a permit under s. 125.28 or 125.54, from a brewer authorized to make sales to retailers under s. 125.29 (3m), from a brewpub authorized to make sales to retailers under s. 125.295 (1) (g),

125.52 ALCOHOL BEVERAGES**Updated 23-24 Wis. Stats. 50**

or from a permittee under s. 125.30 authorized to make sales to retailers under s. 125.30 (4).

2. A manufacturer or rectifier is not required to purchase from another permittee intoxicating liquor produced by the manufacturer or rectifier that the manufacturer or rectifier sells at retail on the manufacturing or rectifying premises or at a full-service retail outlet of the manufacturer or rectifier.

3. Subject to subd. 2. and par. (f), a manufacturer or rectifier engaged in full-service retail sales on manufacturing or rectifying premises or at a full-service retail outlet of the manufacturer or rectifier is subject to ss. 125.33 (9) and 125.69 (6) to the same extent as if the manufacturer or rectifier were a retail licensee.

(d) 1. A manufacturer or rectifier may not commence sales of alcohol beverages at a full-service retail outlet unless, prior to commencing such sales, the manufacturer or rectifier receives approval from the municipality in which the full-service retail outlet is located and from the division as provided in par. (g).

2. Subject to par. (f), a municipality may limit the scope of alcohol beverages offered for sale at a full-service retail outlet only with respect to alcohol beverages that are not of the same type as those produced by the person holding the manufacturer's or rectifier's permit. A municipality may not limit the sale, at a full-service retail outlet, of alcohol beverages produced by the person holding the manufacturer's or rectifier's permit. If a municipality limits the scope of alcohol beverages offered for sale, the provision of taste samples is limited to those alcohol beverages authorized to be sold.

3. Except as provided in subd. 2., a municipality's approval under subd. 1. shall be based on the same standards and criteria that the municipality has established by ordinance for the evaluation and approval of retail license applications. A municipality may not impose any requirement or restriction in connection with the approval under subd. 1. that the municipality does not impose on retail licensees.

(e) 1. A manufacturer or rectifier may operate a restaurant at any full-service retail outlet under this subsection and on the manufacturing or rectifying premises.

2. If the manufacturer or rectifier operates a restaurant as provided in subd. 1. and is authorized under this subsection to make retail sales of wine at the restaurant, the manufacturer or rectifier may make retail sales of wine in an opened original bottle, in a quantity not to exceed one bottle, for consumption both at the restaurant and away from the restaurant if all of the following apply:

a. The purchaser of the wine orders food to be consumed at the restaurant.

b. The manufacturer or rectifier provides a dated receipt that identifies the purchase of the food and the bottle of wine.

c. Prior to the opened, partially consumed bottle of wine being taken away from the restaurant, the manufacturer or rectifier securely reinserts the cork into the bottle to the point where the top of the cork is even with the top of the bottle, or securely reattaches the original cap to the bottle, and the cork is reinserted or the cap is reattached at a time other than during the hours in which the manufacturer or rectifier is prohibited under sub. (5) (b) from making retail sales for off-premises consumption.

(f) 1. If a manufacturer or rectifier may establish one or more full-service retail outlets under pars. (b) and (g) and the manufacturer or rectifier also holds a brewer's permit or winery permit or both and, as such, may establish full-service retail outlets under s. 125.29 (7) (b) and (g) or 125.53 (3) (b) and (g), the aggregate number of full-service retail outlets that may be established is the maximum number authorized under par. (b), under s. 125.29 (7) (b), or under s. 125.53 (3) (b), whichever is greatest, but not exceeding 3 full-service retail outlets. Under these circumstances,

each authorized full-service retail outlet shall serve as the full-service retail outlet associated with each applicable permit, regardless of whether the permittee would otherwise be entitled to fewer full-service retail outlets when calculated under par. (b) or s. 125.29 (7) (b) or 125.53 (3) (b).

2. If a manufacturer or rectifier may engage in full-service retail sales on the manufacturing or rectifying premises as provided in par. (a) 2. and the manufacturer or rectifier also holds a brewer's permit or winery permit or both, the manufacturer or rectifier may make retail sales on the manufacturing or rectifying premises of fermented malt beverages produced under its brewer's permit or wine produced under its winery permit without first purchasing the fermented malt beverages or wine from a wholesaler holding a permit under s. 125.28 or 125.54 or receiving the fermented malt beverages under authorization of s. 125.29 (3m) (b), 125.295 (1) (g), or 125.30 (4).

3. If a person holds more than one manufacturer's permit or rectifier's permit under this section, or more than one combination permit authorized under s. 125.55 (1), the retail sales authority under this subsection for manufacturing or rectifying premises applies with respect to each permit, but the limit on full-service retail outlets is an aggregate maximum, regardless of the number of permits held.

(g) 1. An application for a manufacturer's or rectifier's permit, including an application for an amendment to the manufacturer's or rectifier's permit, shall specify each full-service retail outlet of the manufacturer or rectifier and particularly describe the premises of the full-service retail outlet.

2. The division shall establish a process for approval of a manufacturer's or rectifier's full-service retail outlet and for revocation of this approval. The division shall approve a manufacturer's or rectifier's full-service retail outlet, and may not revoke this approval, unless the manufacturer or rectifier has violated a provision of this chapter related to full-service retail outlets. The division's failure to approve, or revocation of approval of, a full-service retail outlet described in a manufacturer's or rectifier's application or permit does not affect any other full-service retail outlet or the manufacturing or rectifying premises as described in the application or permit.

3. If the division approves a full-service retail outlet, the manufacturer's or rectifier's permit, as initially issued or as amended, shall particularly describe the premises constituting the full-service retail outlet, which shall be considered part of the premises under the manufacturer's or rectifier's permit.

4. If the division approves a full-service retail outlet, the agent appointed under s. 125.04 (6) for the manufacturer's or rectifier's permit shall also serve as the agent for the full-service retail outlet.

5. Section 125.04 (12) (a) does not apply to a manufacturer's or rectifier's full-service retail outlet. Upon notice to the division, a manufacturer or rectifier may relocate any full-service retail outlet to a new location within this state once per calendar year, except that one full-service retail outlet of a manufacturer or rectifier may be relocated without limitation on frequency in each calendar year.

(5) CLOSING HOURS. (a) On a manufacturer's or rectifier's premises, no person may sell alcohol beverages at retail for on-premises consumption, provide taste samples of alcohol beverages, or consume alcohol beverages during the closing hours applicable to a Class "B" licensee under s. 125.32 (3) (a). A full-service retail outlet under sub. (4) shall be subject to the same closing hours applicable to a Class "B" licensee under s. 125.32 (3) (a).

(b) On a manufacturer's or rectifier's premises and at a full-service retail outlet, no person may sell alcohol beverages at retail

51 Updated 23-24 Wis. Stats.**ALCOHOL BEVERAGES****125.53**

for off-premises consumption during the hours in which a Class “B” licensee in the municipality where the manufacturing or rectifying premises or retail outlet is located may not make retail sales under s. 125.32 (3) (am) and (d).

(c) No member of the public or invited guests may be present on a manufacturer’s or rectifier’s premises during the closing hours applicable to a Class “B” licensee under s. 125.32 (3) (a).

(d) Activities authorized under a manufacturer’s or rectifier’s permit related to the production, shipment, transportation, or delivery of alcohol beverages may occur at any time.

125.53 Winery permit. (1) (a) The division shall issue only to a manufacturing winery in this state that holds a valid certificate issued under s. 73.03 (50) a winery permit authorizing the permittee to engage in the following activities:

1. The manufacture and bottling of wine on the premises covered by the permit for sale, in original unopened packages or containers, to wholesalers holding a permit under s. 125.54.

2. On the winery premises and without obtaining a rectifier’s permit, possessing intoxicating liquor and mixing or blending intoxicating liquor to produce wine sold to wholesalers holding a permit under s. 125.54, manufacturers or rectifiers holding a permit under s. 125.52, and wineries holding a permit under this section.

3. The sale or transfer, in bulk or in any state of packaging, of wine to wineries holding a permit under this section and to manufacturers and rectifiers holding a permit under s. 125.52, from the winery premises.

4. The sale, shipment, transportation, and delivery of wine, in bulk or in any state of packaging, that has been manufactured by the winery to another winery holding a permit under this section or a manufacturer or rectifier holding a permit under s. 125.52.

5. The receipt of intoxicating liquor from another winery holding a permit under this section or a manufacturer or rectifier holding a permit under s. 125.52, in bulk or in any state of packaging, for purposes of further manufacturing, bottling, or storage.

6. The transportation of wine between the winery premises and any depot, warehouse, or full-service retail outlet maintained by the winery or other premises for which the winery holds a permit under this chapter.

7. The provision of free taste samples on the winery premises or at the winery’s full-service retail outlet if the taste samples are of alcohol beverages the winery is authorized to sell under sub. (3) (c), or as authorized under s. 125.69 (9).

(b) A winery holding a permit under this section may make retail sales of wine, and provide taste samples of wine, on county or district fair fairgrounds as provided in s. 125.51 (10), but this wine sold at retail or provided as taste samples shall be purchased from a wholesaler holding a permit under s. 125.54.

(2) Winery permits may be issued to any person except a foreign corporation, a foreign limited liability company or a person acting as an agent for or in the employ of another.

(3) (a) 1. Notwithstanding ss. 125.04 (9) and 125.09 (1), and subject to subd. 3., a winery may make retail sales, on the winery premises, of wine that has been manufactured or bottled by the winery on the winery premises or on other premises of the winery, for on-premises or off-premises consumption.

2. Notwithstanding ss. 125.04 (9) and 125.09 (1), and subject to subd. 3., if a winery manufactured or bottled, on all winery premises operated by the winery in this state, a cumulative total of at least 1,000 gallons of wine in any one of the 3 preceding cal-

endar years, the winery may engage in full-service retail sales on the winery premises.

3. If a winery held a “Class B” license immediately preceding May 1, 2024, for a location other than the winery premises, that location shall be considered the winery premises for purposes of the retail sales authorization under subds. 1. and 2. and that location shall be in addition to any retail sales locations authorized under par. (b).

(b) Notwithstanding ss. 125.04 (9) and 125.09 (1), and subject to pars. (d) and (g), if a winery manufactured or bottled, on all winery premises operated by the winery in this state, a cumulative total of at least 1,000 gallons of wine in any one of the 3 preceding calendar years, the winery may engage in full-service retail sales at off-site locations identified in the winery permit. Subject to pars. (f) and (g), the number of retail sales locations a winery is allowed in addition to the winery premises is determined by the cumulative volume of wine the winery manufactured or bottled on all winery premises operated by the winery in this state in any one of the 3 preceding calendar years, as follows:

1. If the winery’s cumulative volume in a year was at least 1,000 gallons of wine but less than 5,000 gallons of wine, the winery may establish one full-service retail outlet.

2. If the winery’s cumulative volume in a year was at least 5,000 gallons of wine but less than 25,000 gallons of wine, the winery may establish not more than 2 full-service retail outlets.

3. If the winery’s cumulative volume in a year was at least 25,000 gallons of wine, the winery may establish not more than 3 full-service retail outlets.

(c) 1. Except as provided in subd. 2. and par. (f), a winery may make full-service retail sales of alcohol beverages on the winery premises and at any of its full-service retail outlets only if the alcohol beverages were purchased by the winery from a wholesaler holding a permit under s. 125.28 or 125.54, from a brewer authorized to make sales to retailers under s. 125.29 (3m), from a brewpub authorized to make sales to retailers under s. 125.295 (1) (g), or from a permittee under s. 125.30 authorized to make sales to retailers under s. 125.30 (4).

2. A winery is not required to purchase from another permittee wine manufactured or bottled by the winery that the winery sells at retail on the winery premises or at a full-service retail outlet of the winery.

3. Subject to subd. 2. and par. (f), a winery engaged in full-service retail sales on winery premises or at a full-service retail outlet of the winery is subject to ss. 125.33 (9) and 125.69 (6) to the same extent as if the winery were a retail licensee.

(d) 1. A winery may not commence sales of alcohol beverages at a full-service retail outlet unless, prior to commencing such sales, the winery receives approval from the municipality in which the full-service retail outlet is located and from the division as provided in par. (g).

2. Subject to par. (f), a municipality may limit the scope of alcohol beverages offered for sale at a full-service retail outlet only with respect to alcohol beverages that are not of the same type as those produced by the person holding the winery permit. A municipality may not limit the sale, at a full-service retail outlet, of alcohol beverages produced by the person holding the winery permit. If a municipality limits the scope of alcohol beverages offered for sale, the provision of taste samples is limited to those alcohol beverages authorized to be sold.

3. Except as provided in subd. 2., a municipality’s approval under subd. 1. shall be based on the same standards and criteria that the municipality has established by ordinance for the evaluation and approval of retail license applications. A municipality may not impose any requirement or restriction in connection with

125.53 ALCOHOL BEVERAGES**Updated 23-24 Wis. Stats. 52**

the approval under subd. 1. that the municipality does not impose on retail licensees.

(e) 1. A winery may operate a restaurant at any full-service retail outlet under this subsection and on the winery premises.

2. If the winery operates a restaurant as provided in subd. 1., the winery may make retail sales of wine in an opened original bottle, in a quantity not to exceed one bottle, for consumption both at the restaurant and away from the restaurant if all of the following apply:

a. The purchaser of the wine orders food to be consumed at the restaurant.

b. The winery provides a dated receipt that identifies the purchase of the food and the bottle of wine.

c. Prior to the opened, partially consumed bottle of wine being taken away from the restaurant, the winery securely reinserts the cork into the bottle to the point where the top of the cork is even with the top of the bottle, or securely reattaches the original cap to the bottle, and the cork is reinserted or the cap is reattached at a time other than during the hours in which the winery is prohibited under sub. (4) (b) from making retail sales for off-premises consumption.

(f) 1. If a winery may establish one or more full-service retail outlets under pars. (b) and (g) and the winery also holds a manufacturer's or rectifier's permit or brewer's permit or both and, as such, may establish full-service retail outlets under s. 125.29 (7) (b) and (g) or 125.52 (4) (b) and (g), the aggregate number of full-service retail outlets that may be established is the maximum number authorized under par. (b), under s. 125.29 (7) (b), or under s. 125.52 (4) (b), whichever is greatest, but not exceeding 3 full-service retail outlets. Under these circumstances, each authorized full-service retail outlet shall serve as the full-service retail outlet associated with each applicable permit, regardless of whether the permittee would otherwise be entitled to fewer full-service retail outlets when calculated under par. (b) or s. 125.29 (7) (b) or 125.52 (4) (b).

2. If a winery may engage in full-service retail sales on the winery premises as provided in par. (a) 2. and the winery also holds a brewer's permit or manufacturer's or rectifier's permit or both, the winery may make retail sales on the winery premises of fermented malt beverages produced under its brewer's permit or intoxicating liquor produced under its manufacturer's or rectifier's permit without first purchasing the fermented malt beverages or intoxicating liquor from a wholesaler holding a permit under s. 125.28 or 125.54 or receiving the fermented malt beverages under authorization of s. 125.29 (3m) (b), 125.295 (1) (g), or 125.30 (4).

3. If a person holds more than one winery permit under this section, the retail sales authority under this subsection for winery premises applies with respect to each winery permit, but the limit on full-service retail outlets is an aggregate maximum, regardless of the number of winery permits held.

(g) 1. An application for a winery permit, including an application for an amendment to the winery permit, shall specify each full-service retail outlet of the winery and particularly describe the premises of the full-service retail outlet.

2. The division shall establish a process for approval of a winery's full-service retail outlet and for revocation of this approval. The division shall approve a winery's full-service retail outlet, and may not revoke this approval, unless the winery has violated a provision of this chapter related to full-service retail outlets. The division's failure to approve, or revocation of approval of, a full-service retail outlet described in a winery's application or permit does not affect any other full-service retail outlet or the winery premises as described in the application or permit.

3. If the division approves a full-service retail outlet, the winery permit, as initially issued or as amended, shall particularly describe the premises constituting the full-service retail outlet, which shall be considered part of the premises under the winery permit.

4. If the division approves a full-service retail outlet, the agent appointed under s. 125.04 (6) for the winery permit shall also serve as the agent for the full-service retail outlet.

5. Section 125.04 (12) (a) does not apply to a winery's full-service retail outlet. Upon notice to the division, a winery may relocate any full-service retail outlet to a new location within this state once per calendar year, except that one full-service retail outlet of a winery may be relocated without limitation on frequency in each calendar year.

(4) (a) On winery premises, no person may sell alcohol beverages at retail for on-premises consumption, provide taste samples of alcohol beverages, or consume alcohol beverages during the closing hours applicable to a Class "B" licensee under s. 125.32 (3) (a). A full-service retail outlet under sub. (3) shall be subject to the same closing hours applicable to a Class "B" licensee under s. 125.32 (3) (a).

(b) On winery premises and at a full-service retail outlet, no person may sell alcohol beverages at retail for off-premises consumption during the hours in which a Class "B" licensee in the municipality where the winery or retail outlet is located may not make retail sales under s. 125.32 (3) (am) and (d).

(c) No member of the public or invited guests may be present on winery premises during the closing hours applicable to a Class "B" licensee under s. 125.32 (3) (a).

(d) Activities authorized under a winery permit related to the production, shipment, transportation, or delivery of alcohol beverages may occur at any time.

Subject to subds. 3. and 4., only small wineries and small manufacturers may be members of a cooperative wholesaler. (5) **BIENNIAL REPORTS.** With each application for renewal of a wholesaler's permit issued to a cooperative wholesaler, each cooperative wholesaler shall file with the division, in the form and manner prescribed by the division by rule, a biennial report that includes detailed information on its members, board of directors, and sale and distribution activities.

That service shall constitute legal and valid service of process on the permittee. The permittee shall provide to the division, in the form and manner prescribed by the division, the name, address, phone number, and proof of the appointment and availability of the agent.

NOTE: The correct cross-references are shown in brackets. Corrective legislation is pending.

2. The permittee shall provide notice to the division 30 calendar days before termination of the authority of an agent under subd. 1. and shall provide proof to the satisfaction of the division of the appointment of a new agent no less than 5 calendar days before the termination of an existing agent appointment. In the event an agent terminates an agency appointment, the permittee shall notify the division of that termination within 5 calendar days and shall include proof to the satisfaction of the division of the appointment of a new agent.

3. If a permittee fails to maintain an agent in this state after a permit is issued under this section, the permittee is considered to have appointed the department of financial institutions as the permittee's agent, and the permittee may be proceeded against in courts of this state by service of process upon the department of financial institutions.
