## 2026 – VILLAGE OF HALES CORNERS

### EXECUTIVE BUDGET SUMMARY

Presented within these pages is the proposed 2026 Budget for the Village of Hales Corners. The State of Wisconsin imposes a tax levy cap on municipalities which is a limit of net new construction for the previous year. For the Village of Hales Corners, this limit was 0.092% or \$4,728 of allowable additional tax levy without utilizing other sources to fund critical services.

The State of Wisconsin also provides an Expenditure Restraint Program (ERP) which awards state aid funding based upon the Village maintaining expenditures, net of debt service payments, which is tied to the Consumer Price Index for All Urban Consumers (CPI-U). This is an inflationary indicator which for the previous twelve months is 2.8%. Due to the Shared Revenue Bill, adopted in June, 2023, aid payments for shared sales tax revenues provided \$210,827 in funding to support public safety and public works expenditures. The Expenditure Restraint Program permitted the Village to increase expenditures by \$249,374 and still qualify for the supplemental aid program. As presented, the Village Board recommends an increase of \$235,010 or \$14,365 less than allowable under the program.

Below is a graphic of historical State Aid from 2021 to 2026. Total State Aid presented below for 2026 is \$548,252, a decrease in overall aid from the State of \$31,724 compared to 2025.

State Aid - 2021-2026

Overall, the increase in expenditures in the General Fund for this proposal is \$504,930 (4.98%). The principal increase is \$269,840 in funds transferred for debt service (53% of the increase). Debt payments for principal and interest are \$1,637,036 which is \$137,036 less than could be levied for the Village's obligations. The Village Debt Service Proposed Budget contained on page 40, includes the Hales Happiness Water Conversion debt obligation as it will be refunded in 2026 with

anticipated Federal Emerging Contaminant Grant proceeds and the remainder is a special assessment to the Hales Happiness Subdivision.

General Transportation Aid (GTA) of \$691,886, which is an increase of this aid category of \$33,680 is proposed. GTA in 2025 was \$658,898. This aid payment is based upon a 3 and 6 year average cost for certain expenditures in the Village, both capital and maintenance. Based upon the Village's concerted efforts to improve our infrastructure and facilities in the past 8 years, the aid payment as increased from \$573,192 to the estimated \$691,886 in 2026. The projected aid payment for 2027, will include the complete costs for the Hales Happiness Water Conversion Project of approximately \$4.5 million as an allocable expense under this program for the end of 2025. The State calculates this aid payment annually, however funds received are based upon the previously reported financial report for 2019 through 2024. There is a two year lag in expenses to aid payments based upon this program. The expenses for the water conversion will be built into the 2026 calculation for funds to be received in 2027.

The interest earnings increase is a proposed to increase to \$51,267 for a total of \$214,590. Yearend 2025 projections are \$270,806 from a budget adopted amount of \$163,323. High investment yields have slowed due to Federal Rate reductions in September and October 2025. They are predicted to remain at 4%, and the Village has chosen a conservative assumption for 2026 that is well below 2025 year end predictions to provide for stability in this source of funds.

In 2025, the Village borrowed \$4.5 million for the Hales Happiness Water Conversion Project. The entire area had been serviced for water by a private municipal water system, however due to the 180 customers served by the private trust, the entire system is regulated by the Wisconsin Department of Natural Resources (DNR). A water sample in late 2023 resulted in high levels of forever chemical contaminants, PFOA's. The Water Trust requested the Village's assistance with converting to Milwaukee Water Works services with the understanding that the financial cost of the conversion would be special assessments to the homes receiving the improved water services. The Village has applied for a DNR Federal Grant to Emerging Contaminants estimated to be a \$2.3 million dollar principal loan forgiveness grant as well as a Safe Drinking Water Loan (SDWL) also managed by the DNR. Final award of the Federal monies are anticipated by November, 2025 with funds received in spring of 2026. The SDWL funds and the Federal Grant will be used to pay the \$4.5 million dollar note by May, 2026. The net debt obligation of \$2.3 million special assessments will be paid by the home owners over a 10 year period and will not be a tax obligation to any home not benefited by the improvement. This is the largest water conversion project undertaken by any municipality in order to convert to Milwaukee Water Works. Debt Service costs for 2026, excluding the water project are \$1,637,036. The current year tax levy which supports debt service is \$1,500,000. Based upon the impact to the 2026 Proposed Budget, the Village has available capacity of \$137,036.

The 2026 Proposed Budget includes the planned use of \$262,000 in predicted surplus revenues and expenditures for 2025 year end to provide for one time capital equipment purchases so as not to impact tax levy limits in 2026. This has also been an ongoing practice for several years. The surpluses anticipated for 2025, are from interest earnings and position vacancies.

## Budget Summary

The 2026 Adopted Budget Summary reflects the following assumptions:

1. Natural gas and electricity utility estimates were developed in part through utilizing the WE Energies Business Accounts Online forecasting model along with five year historical averages. The resulting decrease in these utilities presented an overall reduction of 9.66% or \$20,369 in budgetary needs.
2. Fuel estimates were prepared using the U.S. Department of Energy long-range forecasting model on price per gallon and historical consumption levels. The results of volatile fuel prices are an overall decrease of 5.85% or \$5,125 in reductions to the tax levy required to support fuel needs.
3. Health, Dental, Vision and Life insurance premiums are decreasing by \$41,545 for 2026 proposed Budget. This is due to restructuring of health plan coverage to a tiered narrow network, increasing deductibles and maximum out of pocket costs which are covered by employees electing coverage. The savings in this category is 6.94% overall.
4. Storm water utility fee has increased for 2026 to \$50.00/Equivalent Residential Unit (ERU) per household to address storm water maintenance and ditching needs village-wide to address water runoff.
5. Sewer Operating and Maintenance charges are estimated to increase from \$59.33 to \$70.14 or 19.3% over 2025 annual support fees. The increase is due to deferred projects while road maintenance was a priority. The 2026 Budget balances roads, sewer and stormwater projects to address the conditions of infrastructure village-wide.
6. Refuse and recycling charges have increased from \$203.94 per household in 2025 to \$210.05 for 2026. This represents a 4% contractual increase in this service.
7. The Village mill rate has increased from \$6.30 per \$1,000 to \$6.59 for the Village share of 2025 tax bills. The impact on an average home valued at \$340,000 is \$98.60. The increase is primarily related to increased debt service needs. Additional information on departmental proposed expenditures is presented on pages 21-54 of this document.

Equalized Values, calculated by the State of Wisconsin Department of Revenue, for assessable property in the Village have shown that commercial values decreased by \$26,268,000 (8.9%), residential property values increased 10.0% or \$70,169,400, and manufacturing values increased by 8.4% or \$78,100 for 2025. The 2025 Assessment completed by the Village Assessor is less than the Equalized Values set by the State of Wisconsin. This results in a 93.3% assessment ratio. Assessed values for 2024 to 2025 are presented below:

EQUALIZED VALUE	2024	2025	\$ CHANGE	% CHANGE
RESIDENTIAL	\$ 704,275,600	\$ 774,445,000	\$ 70,169,400	10.0%
COMMERCIAL	294,662,000	268,394,000	(26,268,000)	-8.9%
MANUFACTURING	925,500	1,003,600	78,100	8.4%
TOTAL	\$ 999,863,100	\$ 1,043,842,600	\$ 43,979,500	4.4%

ASSESSED VALUE	2024	2025	\$ CHANGE	%
RESIDENTIAL	\$ 691,867,700	\$ 692,594,400	\$ 726,700	0.1%
COMMERCIAL	282,222,700	281,239,800	\$ (982,900)	-0.3%
MANUFACTURING	911,400	937,000	25,600	2.8%
TOTAL	\$ 975,001,800	\$ 974,771,200	\$ (230,600)	0.0%

General Fund expenditures are increasing overall by 4.98%. A breakdown by functional category is prepared below.

#### General Government:

General Government 2026 Proposed Budgets decreased by 0.32% or \$2,689 compared to the amended budget for 2025. General Governmental departments include Legislative, Administration, Municipal Court and Village Hall Maintenance & Sundry expenditures. The Administration budget increase of \$13,284 includes \$3,485 in 2026 Election expenses for poll workers. Odd year elections are typically two while even years are typically three or four. An estimated \$11,403 in increases is related to health, dental and vision plan selections for eligible employees. Village Hall (sundry) expenses are \$24,859 less than 2025 as projects funded in the current year are complete and were one time expenditures.

#### Protections of Persons & Property:

This expenditure area is for Public Safety expenditures and include Police, Fire and Inspection Services Departments. The proposed budget in 2026 funding is increasing by 2.51% or \$116,234.

The Police Department is proposed to increase by 3.3% (\$98,108) and the Fire Department budget as presented is increasing by \$4,188 compared to 2025 levels. Police Department salaries are increasing by 3.0%, benefits are increasing by 1.6% and operating expenses are increasing by 6.7%. The wages and benefits are reflective of bargaining unit contractual obligations and insurance plan selections by employees assigned to this department. Operating expenses are increasing primarily related to changes in allocation methodology for risk management costs and a \$17,000 expense for body worn camera data storage previously funded by grants for the past several years. Those grants are no longer available to support the expense of storing the camera data. A planned use of surplus to replace squad cars that would have been an increase of \$75,000 to the levy had no other sources of funds been utilized. In addition, 2025 surplus funds are being allocated in the amount of \$38,000 to complete the funding needed for a 911 system upgrade. In 2024, \$95,000 was funded with surplus dollars for this project. Total available reserved funds are now sufficient to fund the entire cost of the upgrade without affecting tax levy needs or borrowing funds.

The Fire Department overall increase is 0.27%. A petition to recognize the fulltime non-management employees as a bargaining unit was received in spring 2025. Due to this petition, no increases in those wages were requested as it is unknown what the impact of any potential contract with the bargaining unit will be. Contingency funding will be utilized if needed. A prefunding of \$30,000 to repair a sprinkler system in the Fire Department facility with 2025 surpluses is included with this proposal.

Inspection Services Department is increasing \$13,938 and primarily reflects health, dental and vision insurance plan selections for personnel assigned to this department. The Village of Greendale provides inspection services for our residents which results in 75% of revenues received for certain permitting activities be transferred to Greendale under the agreement.

#### Health:

The Health Department budget is decreasing by 8.32% overall due to the loss of grant funding supporting personnel and certain operating expenses for this department. In March, 2025 the Village proactively began monitoring the Federal Department of Health Services (DHS) reductions in grant funding. Based upon the predicted loss of nearly \$150,000 in grant funds, the Village reduced this department by 1.8 Fulltime Equivalent (FTE's) in June. The 2026 proposal remains at the 1.4 FTE status.

#### Public Works:

Engineering expenditures are increasing by \$126,468 or 9.22%. A request to transfer \$130,000 from the General Fund (100) to the Sewer Rehabilitation Fund (201) are requested. These expenses are funded through fees assessed per parcel and collected through the tax roll process.

#### Education, Parks & Recreation:

Library expenditures as proposed are decreasing by 0.70% or (\$4,456). Under Wisconsin Statutes, specifically Chapter 43, statutes designate Library Budgetary appropriation specific authority to the Library Board after adoption. There are no new positions included for this department, however a restructuring of existing staff into new roles is included with the proposal. Minor salary adjustments have been made to adjust for the new duties. The Village Board 2026 Proposal includes a \$10,000 general reduction to total Library appropriations. It will be the Library Board's responsibility to allocate the reduction among their accounts.

Recreation revenues are proposed for summer recreation only due to restrictions on capacity for the program. Summer recreation program participation will remain at 150 children and continues to be hosted at the Hales Corners Elementary (HCE) School. Revenues for this department are proposed at \$101,219 from fees generated by the summer recreation program and total expenditures are proposed at \$102,727. This department also records Historical Society funding for the Ben Hunt Cabin, Summer Kitchen and the recently occupied space in the lower level of the Library. Total expenses to support Historic Preservation are \$9,633. In addition, a \$10,000 transfer for July 4<sup>th</sup> Community Celebration costs resulting are recorded in this department. Net costs supported by the tax levy are \$21,141.

#### Tax Incremental District No. 4:

Tax Incremental District Number 4, created in 2016, has recorded equalized value growth over the base increment of \$16,832,700 for the 2025 valuation period. This represents a 14.5% growth in the past year. The 2026 proposed budget provides for an estimated \$314,927 tax levy and \$295,307 in principal and interest payments to the developer of the site for a \$1,650,000 incentive provided under an approved developer's agreement. The Village was able to advance a debt principal payment again in 2025 of \$149,207. The proposed 2026 Budget includes an additional prepayment of \$141,404, which allows the district to close in 2028, thirteen years ahead of its allowable legal life. The 2025 proposal would be the forth advance funding and this has resulted in savings of \$97,420 in interest payments to the developer. Upon closure of the district, 50% of the value of the increment is available for village-wide property tax relief.

### Capital Funds:

The 2026 proposed budget as submitted provides for \$1,500,000 for street improvement programs to reconstruct Ridge Road. The Village borrowed \$3.5 million for the next three year cycle of road improvements. The 2025 Hales Happiness Water Conversion project is on schedule and anticipated for completion in November. The Library roof, siding and windows project is complete and the engineering for drainage and pavement improvements has begun. Capital project details begin on pages 35-38.

Equipment Replacement Fund (pages 52-53) requests include a squad car as a replacement vehicle for the Police Department, \$81,500, and \$21,000 for computerized upgrade for the fuel tank and pump system, capital repairs to truck 533's truck box which will be anticipated to extend the life of the equipment for seven years for \$24,000 and \$20,000 for a stump grinder to improve forestry operations.

All purchases for Capital and Equipment purchase are subject to Village Board approval prior to commencing construction or purchasing any item funded through these accounts.

### Internal Service Fund:

Information Technology Fund: This fund was established from existing personnel allocations previously recorded in the Police Department in 2025. Most of the costs are allocated to the departments for labor and overhead. The net change in this fund for 2026 is an increase of \$760. All but approximately \$4,576 of expenditures are transferred to the departments using the services.

### Non-Major Funds:

These funds are all self-supporting grant programs and designated Village Community-wide programs. The Health Department has \$28,092 in grant funds proposed for 2026 compared to the \$207,965 allocated in 2025. As previously discussed, the department was downsized by 1.8 FTE to accommodate the loss of funding. Library resources from the Milwaukee County Federated Library System (MCFLS) are anticipated at \$74,576.

All other Non-Major funds are grant or donations supported and have no impact on the tax levy. Below is the summary of reserves for the various grants by department as projected for the end of 2026.

	2025 YEAR-END ESTIMATED	2026 BOARD PROPOSED
<b>TOTAL EQUITY BY FUNCTION</b>		
GENERAL GOVERNMENT	\$ 33,956	25,756
PUBLIC SAFETY	115,680	124,789
PUBLIC WORKS	16,349	16,349
HEALTH	41,514	40,551
RECREATION & LEISURE	148,833	117,433
<b>TOTAL FUND BALANCE - SPEC REVENUE</b>	<b>\$ 356,332</b>	<b>324,878</b>

## Summary:

The Village of Hales Corners anticipates the General Fund to close with \$3,210,348 in available reserves at the end of 2025, after adjustments to reflect a use of surplus of \$220,500 for one time capital items. Below is a list of prefunded surplus requests:

Department	Item	
Facilities	810 - Building Projects	\$ 35,500
Police	960 - Transfer to ERF	75,000
Fire	039 - Transfer to CIP	30,000
Engineering	428 - Sewer Maint.	50,000
Highway Maint	960 - Transfer to ERF	30,000
		\$ 220,500

The Governmental Accounting Standards Board (GASB) recommends at least two months of expenditures be available to support emergency conditions. For the Village, the reserve should be at least \$1,773,538 based upon the GASB recommended minimum and the over \$3 million reserves exceeds the recommendation. The Village has also adopted a policy of retaining 25% in reserves for working capital. This figure for 2026 would be \$2,660,307. The predicted fund balance reserve is \$2,948,348 or \$288,041 greater than the Village Board policy. This represents a 9.7% favorable variance.

The Village tax levy as a percentage of total revenues of 60.9%, an increase in reliance from 2025 which was 59.6%. The 2026 Budget Proposal includes a proposed tax levy of \$6,318,260 or 4.54% increase.

Below is a comparison by various home values of the proposed Village Levy and the proposed changes to special charges placed upon the tax roll for garbage pickup, stormwater maintenance, and sanitary sewer operations and maintenance costs.

Home Value	24/25	25/26	Net Change
340,000	2,143	2,240	96
365,000	2,301	2,405	104
390,000	2,459	2,569	111
415,000	2,616	2,734	118
440,000	2,774	2,899	125

### Other Special Charges

	24/25	25/26	Net Change
Garbage	203.94	210.05	6.11
Stormwater	45.18	50.00	4.82
Sewer O&M	253.93	282.70	28.77
Total	503.05	542.75	39.70

As of the publication of this document, the First Dollar Credit, Lottery Credit and School Levy credit are unknown. The State of Wisconsin does not release these numbers until November 19, 2025. As of the publication of this proposal, rates are estimated for Milwaukee County, MMSD, Whitnall School District and MATC. The estimated rate for 2026 is \$20.03, a 5.55% increase in costs per thousand for all overlying districts and the Village. At the time of the Public Hearing on November 24, 2025, all tax rates and credits will be known and provided at the meeting.

Below is a comparison of tax levy amounts for the jurisdictions collected by the Village of Hales Corners:

TAX RATES (per \$1,000 of assessed value)

	2023-2024	2024-2025	% Change
Village	6.3040	6.5877	4.50%
Milwaukee County	3.2219	3.3526	4.06%
MMSD	1.2687	1.3062	2.96%
Whitnall School District	7.3655	7.9464	7.89%
MATC	0.8210	0.8409	2.42%
Gross Tax Rate	18.9810	20.0339	5.55%

The financial challenges of our residents is at the forefront of our deliberations as we develop our annual budgets. Presented within these pages, is the culmination of thoughtful and deliberate review of requested funds within allowable limits that have been developed over several months through the hard work, dedication and cooperation of all the Village staff and your elected officials as we all strive to maintain the quality of life in the Hales Corners.

Respectfully,

Daniel J. Besson, Village President

## NOTICE OF PUBLIC HEARING:

## 2026 BUDGET

NOTICE IS HEREBY GIVEN that in accordance with Section 65.90(3) of the Wisconsin Statutes, a Public Hearing will be held on Monday, November 24, 2025 at 7:00 p.m., in the Village Hall, 5635 S. New Berlin Road, Hales Corners, Wisconsin, to consider the recommended 2026 Village of Hales Corners Budget. The proposed budget in detail is available for inspection in the Administration offices at the Village Hall from 8:00 a.m. to 5:00 p.m. on Monday through Friday. The following is a summary of the proposed 2026 Budget.

General Fund	2025 Amended Budget	2026 BOARD PROPOSED	% Change
<b>REVENUES:</b>			
General Property Taxes	6,043,783	6,318,260	4.54%
Intergovernmental Revenue	1,256,318	1,260,688	0.35%

# Hales Corners Village History

## Wilderness and the Early Days

1634-1854

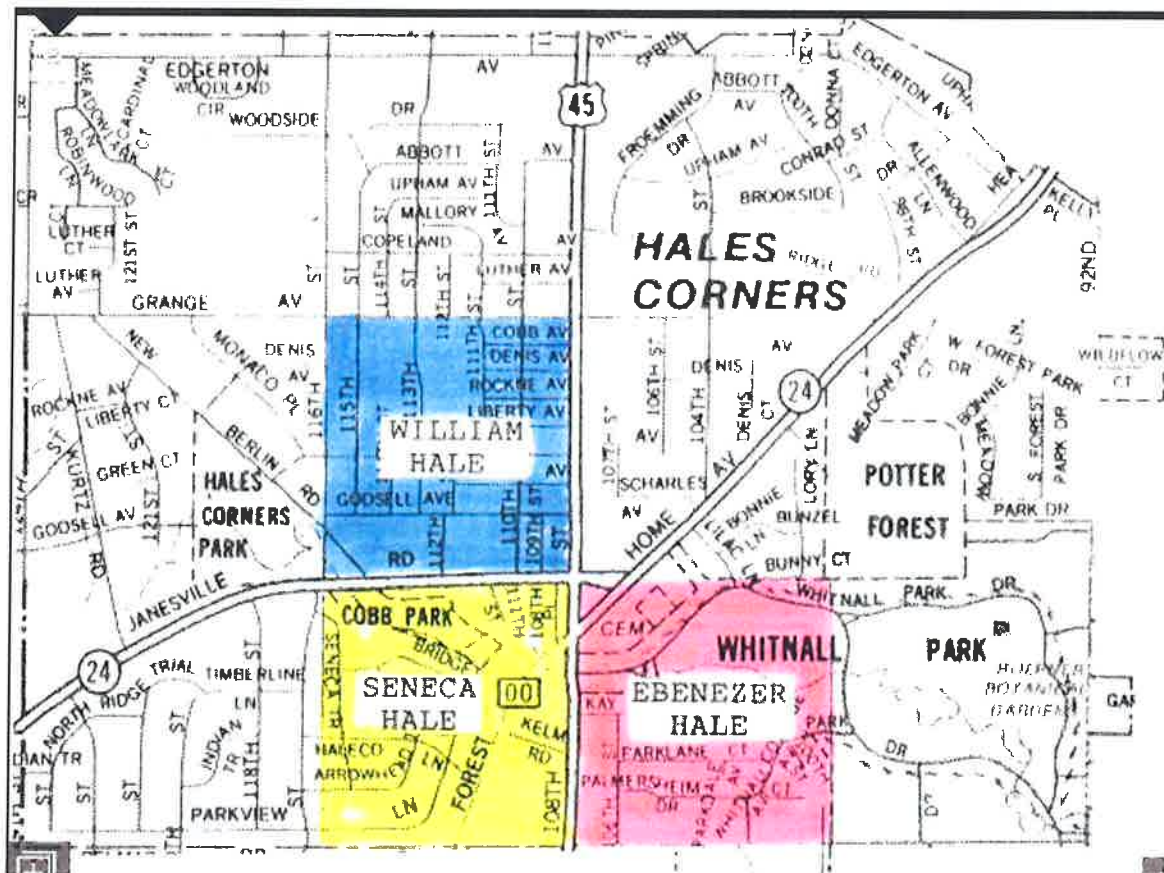

The land in the area that would eventually encompass our Village was first claimed as French, then British, and eventually as the Northwest Territory of the United States in 1783. In reality, it was the land of the Potawatomi Indians until they agreed to move in 1838. They were the dominant tribe in southeast Wisconsin with large villages. Like the Europeans that arrived later, they planted crops, but theirs were beans, squash, and corn. By engaging in the fur trade, the Potawatomi learned to speak French and English, and they eventually intermarried with the Europeans. During the 1830s and 1840s, more settlers arrived, starting with a number of New England families. Among them were three Hale families, whose lineage has been charted to England in the 1200s. Hales Corners traces its history as a Village to 1837, when Seneca Hale laid claim to land here, and its name is credited to his brother William, who became its first Postmaster in 1854.

William Hale

## A Crossroads Becomes a Community

1854-1904

For many years, the Janesville Territorial Road was the only one between Hales Corners and Milwaukee. Near the common corner of the Hale family properties, another important road branched to the southwest, known as Muskego Road. At the point where this road and Janesville Road met, a Triangle was formed, and it became the heart of this pioneering community. Hales Corners already had the basic ingredients for a Village... a crossroads with two inns and a sawmill. Entrepreneur Jacob Siegel arrived in 1854 and established a general store and saloon. He erected buildings to house additional businesses: blacksmith, wagon maker, harness maker, tinsmith, and cooper. In the 1870s, he helped to establish a Stock Fair, an attraction so popular it continued through the late 1950s.

*Jacob Siegel*

## Hales Corners Becomes a Suburb

1904-1952

Technical progress, brought about by advances in communication and transportation, rapidly transformed the Village from rural farms to suburban homes. The telephone provided a faster, more convenient method of personal contact than writing letters. The automobile quickly replaced the horse and buggy. Carriage shops added auto repair and gas pumps to their list of services, and some were transformed into auto dealerships by 1914. Hales Corners organized as an unincorporated village in 1924 to provide a sanitary district and fire department. Travel to and from the Village was enhanced by electric rail and, surprisingly, by an airport in 1945. These developments provided the basis for suburban pride and resulted in the creation of dozens of community organizations.

## The Village Incorporates 1952-1957

Although still somewhat rural, Hales Corners incorporated in 1952, largely to avoid annexation by Milwaukee. However, incorporation also enabled our local government to provide heretofore unavailable urban services, such as a Village Police Department to replace the County Sheriff, garbage collection, a Health Department, and more. Four annexations, the last in 1957, formed today's Village boundaries. A housing boom in the 1950s resulted from families' desires to put down roots in a safe, affordable community that offered a small-town atmosphere combined with modern conveniences.
