

Millstone Township Office of Emergency Management

Is looking for new members.

Millstone OEM is a group of members that meet up approximately once per month to discuss training and changes to the township's emergency operations plan.

All training is provided free of charge, and no prior experience is necessary. After completing the approximately 12.5 hours of training, members in good standing will be entitled to exemption from payment of any Township fees for Township Recreation activities, Township Training Programs, Township Licenses and permit fees, fees for use of Township buildings and facilities, and Township Programs.
