A NOTE FROM MAYOR AL FERRO:

Dear Friends and Neighbors,

As we bring 2025 to a close, I want to extend my sincere appreciation to every resident, business owner, volunteer, and community partner who contributed to another productive and successful year for our municipality. Your engagement, collaboration, and resilience continue to be the driving forces behind our progress.

Throughout the past year, we advanced key initiatives that strengthened our infrastructure, enhanced public safety, supported local economic development, and improved the quality of life for all residents. These achievements were possible because our community remains committed to thoughtful planning, responsible stewardship, and mutual support.

As we prepare to welcome 2026, we do so with a clear sense of purpose. In the coming year, we will continue to focus on modernizing our services, improving our facilities, investing in initiatives that promote long-term sustainability, fiscal responsibility, and community well-being. We will also continue to expand opportunities for civic involvement, ensuring every resident has a voice in shaping the future of our town.

I am honored to serve as your mayor, and I look forward to working alongside you in the year ahead. May the new year bring you good health, prosperity, and renewed optimism. On behalf of our entire municipal team, I wish you and your families a safe, peaceful, and happy New Year.

Thank you for your trust, your partnership, and your continued commitment to our community. Welcome to 2026.

Millstone Alliance to Prevent Substance Misuse Partners in Prevention for 35 Years

Did you realize that this year marks the Alliance's 35th anniversary of serving Millstone residents? Millstone has been a part of the largest network of community-based prevention coalitions in the country for more than three decades. Alliances are established by municipal ordinance and work to engage all sectors of the community in efforts to promote healthy behaviors and prevent substance misuse.

The Alliance has been active since 1990, helping to raise awareness about signs and symptoms of substance use disorders and sharing this information through community publications, local events and school and community programs. For example, during this grant year youth programs include LifeSkills Training for all 5th graders, the Achievers' After School Homework Club will run on Wednesday afternoons, and anti-vaping programs are in place for all middle school students. For parents/caregivers, STEP (Systematic Training for Effective Parenting) and The Power of a Grandparent will be scheduled in the spring.

Everyone can play a role in prevention by making changes - big or small - that promote a healthy lifestyle at home and in the community. Small actions can make a big difference! You can start by attending an upcoming meeting to hear the latest information on the impact of substance misuse in our area and how to discuss these important issues with children. 12/18/25, 2/19/26, 4/16/26, 6/18/26

All meetings are held at the Community Center on the third Thursday of the month. Meetings start at 5:30 PM or reach us at millstonealliance@gmail.com.

DID YOU KNOW?

Many times residents concerned with the environment want to recycle properly.

However, items such as window glass, plastics that hold personal hygiene products, or other products that manufacturers print with the "recycling triangle", can't be recycled. Placing even a small amount of these items in our recyclables can cause the entire truck load to be rejected. When this occurs the truck is sent to the landfill and none of it is recycled. This is the leading reason recycling costs are going up.

PLEASE HELP US KEEP MILLSTONE TOWNSHIP GREEN AND CLEAN!
DON'T PLACE ITEMS THAT ARE NOT ON THE RECYCLING LIST IN YOUR RECYCLING!
