PART 2 - INTRODUCTION

PURPOSE

The TOWN OF JOHNSON, Vermont ("the TOWN") is interested in selecting a Building Moving Company that can provide the required services to relocate the Johnson Public Library from its current address of 7 Library Street, Johnson, Vermont to the new address of 73 School Street, Johnson, Vermont. The Town requests that qualified firms submit letters of interest and qualifications for consideration in the selection of a building moving firm. The Town may select, or not select, at their sole discretion, any firm that the Town feels will best address their needs.

SELECTION PROCESS

1. Request for Qualifications (RFQ). Selection will be based on the criteria as defined within this Request for Qualifications. The TOWN has the absolute ability to select the firm(s) strictly based on the response to this RFQ. However, review of responses by TOWN may result in a short-list of firms to be interviewed.
2. After interviews (if required), candidates will be ranked, with the highest ranked firm(s) selected to enter into contract negotiations.

QUALIFICATIONS SUBMISSION FORMAT AND REQUIREMENTS

To be considered, prospective firms must submit a complete response as required by the RFQ checklist of items found in Part 1. Firm must submit evidence of their ability to provide complete, thorough, and comprehensive responses and information for each of the components of the RFQ.

GENERAL SELECTION CRITERIA

The TOWN's intent is to minimize the cost to firms who are responding to this request for qualifications, therefore you are encouraged to be brief and succinct. Thick volumes of background and general marketing material will not be appreciated and will not carry favor with the reviewers. We are seeking thoughtful, tightly focused qualifications that document your firm's suitability for this Project and understanding of the Project and TOWN. Experience must be described by each firm if there are multiple firms proposed as one team.

The services being sought under this RFQ are considered to be professional in nature. Consequently, the evaluation of the qualifications will be based upon the capabilities of the respondents and will result in an award that is in the best interest of the TOWN. Factors to be considered in the evaluation include:

- Capability of the proposer to deliver the proposed services. Relevant experience and qualifications of the proposed project manager and key personnel.
- Proven experience as demonstrated with recent projects (either completed or underway) of similar project type, size, scope, and complexity for local government agencies within the State of Vermont.
- Responses from a minimum of five references.
- Composition, qualifications, and diversity of the skillset of the project team for the services required by the RFQ.

ADDITIONAL CONDITIONS

- The TOWN reserves the right to reject any or all Qualifications received, to request additional information, or to extend the deadline for submittals.
- Confidentiality of Documents: Upon receipt of qualifications by the TOWN, the qualifications shall become the property of the TOWN without compensation to the proponent, for disposition or usage by the TOWN at its discretion. Once submitted to the TOWN, all documents will be public after the opening of the sealed responses.

- Costs to Prepare Responses: The TOWN assumes no responsibility or obligation to the respondents and will make no payment for any costs associated with the preparation or submission of these qualifications.
- Equal Employment Opportunity: During the performance of this Contract, the Firm agrees as follows: The Firm will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, national origin, place of birth, or physical handicap.

EXAMINATION OF QUALIFICATIONS DOCUMENTS

- Each vendor shall carefully examine the Scope of Work and other applicable documents and inform himself/herself thoroughly regarding any and all conditions and requirements that may in any manner affect cost, progress or performance of the work to be performed under the Contract. Ignorance on the part of the CONSULTANT will in no way relieve him/her of the obligations and responsibilities assumed under the Contract.
- Should a vendor find discrepancies or ambiguities in, or omissions from the Scope of Work, or should he/she be in doubt as to their meaning, he/she shall at once notify the TOWN OF JOHNSON in writing.

INTERPRETATIONS, CLARIFICATIONS AND ADDENDA

- No oral interpretations will be made to any vendor as to the meaning of the RFQ/Contract Documents. Any questions or request for interpretation received IN WRITING by TOWN OF JOHNSON before the stated deadline, will be given consideration. All such changes or interpretations will be made in writing in the form of an addendum and, if issued, will be distributed prior to the established RFQ opening date. Each Vendor shall acknowledge receipt of such addenda in the space provided on the Qualification Form.
- In case any Vendor fails to acknowledge receipt of such addenda or addendum, his/her RFQ package will nevertheless be construed as though it had been received and acknowledged and the submission of his/her RFQ will constitute acknowledgment of the receipt of same. All addenda are a part of the RFQ Documents and each Vendor will be bound by such addenda, whether or not received by him/her. It is the responsibility of each Vendor to verify that he/she has received all addenda issued before the established RFQ scheduled deadline.
