

Construction Update

Cambridge-Johnson STP 2925(1)

[Cambridge-Johnson VT 15 Resurfacing Project]

DATE: Friday, July 11, 2025

TRAFFIC IMPACT AND DURATION: From Monday, July 14, through Friday, July 18, between 6 a.m. and 7 p.m., there will be multiple traffic control packages facilitating alternating one-way traffic on VT 15 between Park Street in Johnson and the VT 15 / VT 108 roundabout in Cambridge.

CONSTRUCTION ACTIVITIES: Today, crews will finish paving the final wearing course of asphalt on VT 15, weather permitting.

On Monday, crews will perform roadway coring, starting near Park Street in Johnson and moving west all the way to the VT 15/ VT 108 roundabout in Cambridge, within a mobile traffic control package.

For several days next week, crews will install plug joints on several VT 15 bridges, including near Hogback Road in Johnson and the Park & Ride in Cambridge.

On Thursday and Friday, crews will continue paving side streets and driveway aprons along VT 15.

Crews construct the parking lot island at the Park & Ride on VT 15 in Johnson, VT.

LOCATION: Vermont Route 15 from the VT 15/ VT 108 junction in Cambridge, continuing 9.1 miles to a point east of the VT 100C intersection in the Village of Johnson.

PROJECTED COMPLETION: Fall 2025
