

Legion Field - Public Meeting #1

HELP GUIDE OUR FUTURE

Please join the Johnson Planning Commission, community members, local committees, neighbors, and consultants DuBois & King to discuss future uses and design ideas for Legion Field. Your voice is essential in shaping how this important community space is used.

Purpose

Public Meeting #1 will generate ideas for field uses, design features, and layout options.

Public Meeting #2 (date TBD) will present two draft designs developed by DuBois & King based on input from the first meeting, for review, feedback, and refinement.

Goal

Bring together ideas from all stakeholders to determine the best use of Legion Field, maximize the Legion Field Improvement grant, and make a clear recommendation to the Selectboard. While the process will be facilitated by DuBois & King, the ideas and decisions will come from Johnson residents.

WHEN:

Wednesday, January 7, 6:30 pm

WHERE:

**Johnson Municipal Offices
293 Lower Main Street, 2nd Floor,
Johnson, VT**

Support for this effort is gratefully acknowledged from:
The Vermont Community Fund (Legion Field Improvement Grant)
The Vermont Council on Rural Development (facilitation support)
