Mapping– Includes LCPC developed maps to assist the community with future planning.

Notes– Contains notes from the September 4th community meeting.

Project Worksheet– The first worksheet contains a list of all physical community, economic and housing development projects in Johnson that LCPC is aware of and identifies the project lead, stakeholders, cost estimates, funding sources, and funding amount. The second worksheet contains a list of community assets. If the town and/or village find these worksheets useful, revisions, additions and omissions can/should be made. Please feel free to contact us if you have questions and/or would like to discuss further – thank you and take care.
