ARE BACK!

JUNE 27- 29, 2025

A committee of local residents, Village Board Members, local business owners are planning for the return of Freedom Days.

For those who have been in North Freedom for a while may remember the large celebration. It is the hope of the planning committee that it can be like that again!

It is the goal that if there is any profit made from such event, that it will be used towards Village improvements starting with the Village Park.

However, they are in *DESPERATE* need of volunteers to help with such celebration! It is your town too! Get involved! Get your friends, your neighbors! *YOU!* Volunteer positions could be helping organize the Farmer's/Craft Market, looking for sponsors for the silent auction, helping with any of the events on the following page, the list is endless.

The next planning meeting is 2/15/2025 at 9:00 AM in the Community Center! Please attend!
