

LEAF PICKUP MAP & SCHEDULE

We are excited to announce that annual leaf pickup service has returned for the City of Belleville! Beginning November 4th our DPW Staff will begin collecting leaves throughout the neighborhoods. Please remember the following to ensure efficient pickup and no damage occurs to our equipment

- Please DO rake your leaves to the curb
- Please DO NOT include any other debris, such as branches, rocks, and trash

****Yard Waste** such as twigs and branches must be placed in a paper yard-waste bag, and will be picked up on your normal trash day by our current refuse hauler, Stevens Disposal. -Thank you!
