

Fall 2026 Leaf Collection

The City of Belleville will start this year's fall leaf collection program on Monday, October 19, 2026. The City is divided into four service areas to make the leaf collection process more convenient and efficient. City crews will pick up leaves in each area on alternating weeks according to the schedule below.

Please put piles of leaves (**without twigs and other yard waste**) between the sidewalk and curb - not in the road. Piles of leaves will be left uncollected if they cannot be accessed because of parked cars. Twigs and other yard waste may be placed in paper bags or yard waste containers for the regular weekly refuse collection during

the leaf collection program. **Stevens Disposal will not pick yard waste after November 26, 2026.**

IMPORTANT NOTICE: Only leaves, grass clippings and garden waste (free of dirt, root balls, twigs and branches) may be placed for leaf collection between the sidewalk and curb. If there are any twigs, sticks, paper, rocks, trash or garbage of any kind, the City will place a notice on your property stating we will not be able to pick up the pile, once foreign objects are collected the City will come back at the second time around. Once the City has completed the leaf clean up, it is the homeowner's responsibility to clean up the leafs.
