OFFICIAL NOTICE
VILLAGE OF SUMMIT, WISCONSIN
RFB# 2022-PW01

The Village of Summit Public Works Department will receive written bids for Bituminous Seal Coat with Washed Crushed Granite Quarry Stone until 3:00 p.m. local time, May 3, 2022 at the Village Clerk's Office, 37100 Delafield Road, Summit, Wisconsin, 53066, at which time the bids will be publicly opened and read aloud.

Bids are invited on the following work:

Approximately 7,510 SY – Seal Coat with Cover Aggregate

Bidder is responsible for the final and complete accurate measurement of all areas of the work and must submit their total square yards bid based on their measurements.

Plans and bid documents are published on the Village website.

No bid shall be considered unless accompanied by a certified or cashier's check or bid bond equal to 10% of the bid amount payable to the Village of Summit as a guarantee that if their bid is accepted, the bidder will execute and file a Contract within ten (10) days after such acceptance. The accepted bidder will execute and file the Agreement and the Performance and Payment Bonds in the amount equal to 100% of the bid amount within ten (10) days of Notice of Award.

All applicable charter and statutory provisions are incorporated into said Contract. The successful bidder shall be required to conform to all Federal and State OSHA requirements, as well as to the extent necessary, to comply with David-Bacon and/or Wisconsin Prevailing Wage Laws.

The Village of Summit reserves the right to reject any or all bids or to waive any informalities in the bidding process.

Bids may be held by the Village of Summit for a period not to exceed sixty (60) days from the bid opening for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding of the Contract.

INSTRUCTIONS TO BIDDERS

1. DEFINED TERMS

Terms used in the Instructions to Bidders, which are defined in the Standard General Conditions of the Construction Contract, have meanings assigned to them in the General Conditions. The term “Bidder” means one who submits a Bid directly to VILLAGE, as distinct from a sub-bidder, who submits a bid to a Bidder. The term “Successful Bidder” means the lowest, qualified, responsible and responsive Bidder to whom VILLAGE (based on VILLAGE’s evaluation as thereafter provided) makes an award. The term “Bidding Documents” includes the Official Notice, Instruction to Bidders, the Bid Form and the proposed Contract Documents (including all Addenda issued prior to receipt of Bids).

2. COPIES OF BIDDING DOCUMENTS

2.1 Complete sets of Bidding Documents must be used in preparing Bids; neither the Village nor the Public Works Department assumes any responsibility for errors in misinterpretations resulting from the use of incomplete sets of Bidding Documents.

2.2 The Village and Public Works Department in making copies of bidding documents available on the above terms do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.

3. QUALIFICATIONS OF BIDDERS

To demonstrate qualifications to perform the work, each Bidder must be prepared to submit within five days of the Village’s request written evidence, such as financial data, previous experience, present commitments and other such data as may be called for below (or in the Supplementary Instructions). Each Bid must contain evidence of Bidder’s qualifications to do business in Wisconsin or covenant to obtain such qualifications prior to award of the contract.

4. EXAMINATION OF CONTRACT DOCUMENTS AND SITE

4.1 It is the responsibility of each Bidder before submitting a Bid to:

4.1.1 Examine the Contract Documents thoroughly;

4.1.2 Visit the site to become familiar with local conditions that may affect cost, progress, performance, or furnishing of the work. Bidder is responsible for the final and complete accurate measurement of all areas of the work and must submit their bid based on their measurement;

4.1.3 Consider Federal, State, and local laws and regulations that may affect cost, progress, performance, or furnishing of the work;

4.1.4 Study and carefully correlate Bidder’s observations with the Contract Documents; and

4.1.5 Notify the Public Works Department of all conflicts, errors, or discrepancies in the Contract Documents.

4.2 On request in advance, the Village will provide each Bidder access to the site to conduct such explorations and tests as each Bidder deems necessary for submission of a Bid. Bidder shall clean up and restore the site to its former condition upon completion of such explorations (if any).

4.3 The submission of a Bid will constitute an incontrovertible representation by Bidder that the Bidder has complied with every requirement of Article 4, that without exception the Bid is premised upon performing and furnishing the work required by the Contract Documents and such means, methods, techniques, sequences, or procedures of construction as may be indicated in or required by the Contract Documents, and that the Contract Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions for performance and furnishing of the work.

5. INTERPRETATIONS AND ADDENDA

5.1 All questions about the meaning or intent of the Contract Documents are to be directed to the Public Works Director. Interpretations or clarifications considered necessary by the Public Works Director in response to such questions will be issued by Addenda mailed to all parties recorded by the Public Works Department as having received the Bidding Documents.

5.2 All requests for interpretation must be received at least five days prior to the date fixed for the opening of Bids. Addenda will be mailed no later than three days prior to the date fixed for the opening of Bids. Failure of any

Bidder to receive any such Addendum or interpretation shall not relieve such Bidder from any obligations under their Bid as submitted. All Addenda so issued shall become part of the Contract Documents.

5.3 Oral and other interpretations or clarifications will be without legal effect.

5.4 Addenda may also be issued to modify the Bidding Documents as deemed advisable by the Village or the Public Works Department.

6. BID SECURITY

6.1 Each Bid must be accompanied by bid security made payable to "Village of Summit" in an amount of ten (10) percent of the Bidder's maximum Bid price and in the form of a certified or bank check or a Bid Bond (on form attached) issued by a surety meeting the approval of the Village.

6.2 The Bid security of the successful Bidder will be retained until such Bidder has executed the Agreement and furnished the required contract security, whereupon the Bid security will be returned. If the successful Bidder fails to execute and deliver the Agreement and furnish the required contract security within fifteen days after the Notice of Award, the Village may annul the Notice of Award and the Bid security of the Bidder will be forfeited. The Bid security of other Bidders whom the Village believes to have a reasonable chance of receiving the award may be retained by the Village until the earlier of the seventh (7th) day after the effective date of the Agreement or the sixty-first (61st) day after the Bid opening, whereupon Bid security furnished by such Bidders will be returned. Bid security with bids that are not competitive will be returned within seven (7) days after the Bid opening.

7. CONTRACT TIME

The numbers of days within which, or the dates by which, the work is to be substantially completed and ready for final payment (the Contract Time) are set forth in the Bid Form and the Agreement.

8. LIQUIDATED DAMAGES

Provisions for liquidated damages, if any, are set forth in the Agreement.

9. SUBSTITUTE OR "OR-EQUAL" ITEMS

The contract, if awarded, will be on the basis of materials and equipment described in the drawings or specified in the Specifications without consideration of possible substitute or "or-equal" items. Whenever it is indicated in the drawings or specified in the specifications that a substitute or "or-equal" item of material or equipment may be furnished or used by Contractor if acceptable to the Public Works Director, application for such acceptance will not be considered by the Public Works Director until after the effective date of the Agreement.

10. SUB-CONTRACTORS, SUPPLIERS AND OTHERS

10.1 If the Supplementary Conditions require the identity of certain Sub-Contractors, suppliers, and other persons and organizations (including those who are to furnish the principal items of material and equipment) to be submitted to the Village in advance of the specified date prior to the effective date of the agreement, the apparent successful Bidder, and any other Bidder so requested, shall within seven days after the bid opening submit to the Village a list of all such Sub-Contractors, suppliers, and other persons and organizations proposed for those portions of the work for which such identification is required. Such list shall be accompanied by an experience statement with pertinent information regarding similar projects and other evidence of qualification for each such Sub-Contractor, supplier, other person or organization. The Village may request the apparent successful Bidder to submit an acceptable substitute without an increase in Bid price before the Notice of Award is given. If apparent successful Bidder declines to make any such substitution, the Village may award the contract to the next lowest Bidder that proposes to use acceptable Sub-Contractors, suppliers, and other persons and organizations. The declining to make requested substitutions will not constitute grounds for sacrificing the Bid security of any Bidder. Any Sub-Contractor, supplier, other person or organization listed and to whom the Village or the Public Works Director does not make written objection prior to the giving of the Notice of Award will be

deemed acceptable to the Village and the Public Works Director subject to revocation of such acceptance after the effective date of the Agreement.

10.2 In contracts where the Contract Price is on the basis of cost of the work plus a fee, the apparent successful Bidder, prior to the Notice of Award, shall identify in writing to the Village those portions of the work that such Bidder proposes to subcontract and after the Notice of Award may only subcontract other portions of the work with the Village's written consent.

10.3 No Contractor shall be required to employ any Sub-Contractor, supplier, other person or organization against which Contractor has reasonable objection.

11. SALES AND EXCISE TAX

The Village of Summit and its agencies are exempt from payment of all federal tax and Wisconsin state and local taxes on its purchases except Wisconsin excise tax. Each Bid shall include all taxes in effect at the time the Bid is submitted. Bidders who are uncertain as to what items are subject to tax, or who required further explanation or clarification, are requested to contact the Wisconsin Department of Taxation, State Office Building, Madison, Wisconsin. If the tax laws are subsequently amended by legislation during the life of this Contract, the Contract will be adjusted to reflect the net change caused by such amendment.

12. BID FORM

12.1 The Bid Form is included with the bidding documents. The Bid must not be separated from the attached volume.

12.2 All blanks on the Bid Forms must be completed in ink. The price of each item on the form must be stated in words and numerals. In case of a conflict, words will take precedence.

12.3 Bids by corporations must be executed in the corporate name by the President or Vice President (or other corporate officer accompanied by evidence of authority to sign) and the corporate seal must be affixed and attested by the Secretary or an Assistant Secretary. The corporate address and state of incorporation must be shown below the signature.

12.4 Bids by partnerships must be executed in the partnership name and signed by a partner, whose title must appear under the signature and official address for the partnership must be shown below the signature.

12.5 All names must be printed below the signature.

12.6 The Bid shall contain an acknowledgment of receipt of all Addenda (the numbers of which must be filled in on the Bid Form).

12.7 The address and telephone number of communications regarding the Bid must be shown.

12.8 All Bids must be signed before a Notary Public or other Officer authorized to administer oaths.

13. SUBMISSION OF BIDS

Bids shall be submitted at the time and place indicated in the Advertisement to Bid and shall be enclosed in an opaque sealed envelope, marked with the project title (and, if applicable, the designated portion of the project for which the Bid is submitted) and name and address of the Bidder and accompanied by the bid security and other required documents. If the Bid is sent through the mail or other delivery system, the sealed envelope shall be enclosed in a separate envelope with the notation "BID ENCLOSED" on the face of it.

Bidder is responsible for the final and complete accurate measurement of all areas of the work and must submit their total square yards bid based on their measurement.

No bid will be considered which is received after the closing time.

14. MODIFICATION OR WITHDRAWAL OF BIDS

Bids may be modified or withdrawn by an appropriate document duly executed (in the manner that a Bid must be executed) and delivered to the place where Bids are to be submitted at any time prior to the opening of Bids.

15. OPENING OF BIDS

Bids will be opened and (unless obviously non-responsible) read aloud publicly. An abstract of the amounts of the base bids and major alternates (if any) will be made available to Bidders after the opening of Bids. Upon opening of bids, the Village of Summit shall become the VILLAGE of all submitted bids and bids are subject to open records requests.

16. BIDS TO REMAIN SUBJECT TO ACCEPTANCE

All Bids will remain subject to acceptance for sixty days after the day of the Bid opening, but the Village may, in its sole discretion, release any Bid and return the Bid security prior to that date.

17. PUBLIC RECORD LAW COMPLIANCE

It is the intention of Village to maintain an open and public process in the solicitation, submission, review, and approval of contacts.

- a. The parties acknowledge that Village is a municipal corporation legally bound to comply with the Wisconsin Public Records Law and Open Meetings Law (see sections 19.32-19.39 and 19.81-19.98, Wis. Statutes) and that, unless otherwise clearly allowed by law to be an exception to the Public Record Law and confidential, all aspects of this agreement are subject to open disclosure and are a matter of public record. It is further agreed to that neither party will take any action to obstruct the operation of these laws. To comply with any request under said Public Record Law, the provider/Contractor herein shall produce copies of all materials, gathered or produced or modified pursuant to this Contract to the Village, in their original (i.e., electronic or digital, etc.) format at actual cost of reproduction, without profit. According to Wisconsin case law, even if records are created or maintained by, or in the custody of, the provider as an independent Contractor, they, along with the raw data used to create the record, are nevertheless public records that must be made available to the public within a reasonable time and without delay upon request by any person, and in the format in which they were created. Provider/Contractor agrees to hold the Village, its agents, officials, and employees harmless and to indemnify them and the Village for all costs, fees, including all reasonable attorney fees and expenses of all kinds, and any judgments, orders, injunctions, writs of mandamus, and damages or expense of whatever kind for which the Village or its agents, officials, or employees may expend or be held liable due to the Provider/Contractor's failure to comply with the Wisconsin Public Records and Open Meetings laws, or with this Agreement.
- b. Any Public Records Law request received directly by a Contractor related to this Contract with the Village shall immediately be reported to the Village Administrator.

18. AWARD OF CONTRACT

- 18.1** The Village reserves the right to reject any and all Bids, to waive any and all informalities not involving price, time, or changes in the work and to negotiate contract terms with the successful Bidder, and the right to disregard all non-conforming, non-responsive, unbalanced, or conditional Bids. Also, the Village reserves the right to reject the Bid of any Bidder if the Village believes that it would not be in the best interest of the project to make an award to the Bidder, whether because the Bid is not responsive or the Bidder is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criteria established by the Village.
- 18.2** Discrepancies in the multiplication of units of work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.
- 18.3** Bids which are incomplete, unbalanced, conditional, or obscure, or which contain additions not called for, erasures, alterations, or irregularities of any kind, or which do not comply with the Instructions to Bidders may be rejected at the option of the Village.
- 18.4** In evaluating Bids, the Village will consider the qualifications of the bidders, whether or not the Bids comply with the prescribed requirements, and such alternates, unit prices, and other data, as may be requested in the Bid Form or prior to the Notice of Award.
- 18.5** The Village may make such investigations as it deems necessary to determine the ability of the bidder to perform the work, and the Bidder shall furnish to the Village all such information and data for this purpose as the Village may request. The Village reserves the right to reject any Bid if the evidence submitted by, or investigation of, such

Bidder fails to satisfy the Village that such Bidder is properly qualified to carry out the obligations of the Contract Documents and to complete the work contemplated therein.

18.6 The Village shall be satisfied that the Bidder involved:

1. maintains a permanent place of business;
2. has adequate plant equipment to do the work properly and expeditiously;
3. has a suitable financial status to meet obligations incident to the work;
4. has appropriate technical experience; and
5. can submit a satisfactory performance record.

18.7 The Village may consider the qualifications and experience of Sub-Contractors, suppliers, and other persons and organizations proposed for those portions of the work as to which the identity of Sub-Contractors, suppliers, and other persons and organizations must be submitted as provided in the Supplementary Conditions. The Village also may consider the operating costs, maintenance requirements, performance data, and guarantees of major items of materials and equipment proposed for incorporation in the work when such data is required to be submitted prior to the Notice of Award.

18.8 The Village may conduct such investigations as the Village deems necessary to assist in the evaluation of any Bid and to establish the responsibility, qualifications, and financial ability of Bidders, proposed Sub-Contractors, suppliers, and other persons and organizations to perform and furnish the work in accordance with the Contract Documents to the Village's satisfaction with the prescribed time.

18.9 If the contract is to be awarded, it will be awarded to the lowest Bidder whose evaluation by the Village indicates that the award will be in the best interest to the project.

18.10 If the contract is to be awarded, the Village will give the successful Bidder a Notice of Award within sixty (60) days after the day of the Bid opening.

19. CANCELLATION

The Village of Summit reserves the right to cancel any contract in whole or part without penalty due to no appropriation of funds or for failure of the Contractor to comply with the terms, conditions, and specifications of this contract.

20. CONTRACT SECURITY

When the successful Bidder delivers the executed Agreement to the Village, it must be accompanied by the required performance and payment bonds.

21. SIGNING OF AGREEMENT

When the Village gives a Notice of Award to the successful Bidder, it will be accompanied by the required number of unsigned counterparts of the Agreement with all other written Contract Documents attached. Within 15 days thereafter, Contractor shall sign and deliver the required number of counterparts of the Agreement and attached documents to the Village with the required Bonds. Within 10 days thereafter the Village shall deliver one fully signed counterpart to Contractor. In case the successful Bidder fails to sign the Agreement within the above prescribed time, the Village may at its option consider that the Bidder has abandoned the contract, in which case the Bid security accompanying the Bid shall become the property of the Village.

22. TERMINATION OF CONTRACT

The Village of Summit may terminate the contract at any time at its sole discretion by delivering 10 days written notice to the Contractor. Upon termination, the agency's liability will be limited to the pro rata cost of the services performed as of the date of the termination plus expenses incurred with the prior written approval of the agency. In the event that the Contractor terminates the contract, for any reason whatsoever, it will refund to the agency within 10 days of said termination, all payments made hereunder by the agency to the Contractor for work not completed or not accepted by the agency. Such termination will require written notice to that effect to be delivered by the Contractor to the agency not less than 10 days prior to said termination.

23. PAYMENT TERMS AND INVOICING

The Village of Summit normally will pay properly submitted vendor invoices within 30 days of receipt providing goods and/or services have been delivered, installed, and accepted as specified. Invoices presented for payment must be submitted in accordance with instructions contained on the purchase order including references to purchase order number and submittal to the correct address for processing. A good faith dispute creates an exception to prompt payment.

24. WARRANTY

Contractor is to provide minimum 1-year written warranty, for their labor and materials, agreeing to repair or replace components that deteriorate within specified warranty period. Warranty shall be in addition to, and run concurrent with, other warranties.

Failures include, but are not limited to:

1. Deterioration or failure of materials, finishes, or workmanship beyond normal wear.

25. PROJECT CLOSEOUT

25.1 Final Completion: Complete, submit before requesting Owner's final inspection for certification of final acceptance:

1. Final payment request with final releases and supporting documentation not previously submitted.
2. Consent of Surety to final payment.
3. Lien Waivers, other proof of payment.
4. Pending insurance change-over requirements.
5. Record Drawings, maintenance manuals, and similar record information.

INDEMNIFICATION – Construction

To the fullest extent allowable by law, Contractor hereby indemnifies and shall defend and hold harmless the Village of Summit, its elected and appointed officials, officers, employees, or authorized representatives or volunteers from and against any and all suits, actions, legal, or administrative proceedings, claims, demands, damages, liabilities, interest, attorneys' fees, costs, and expenses of whatsoever kind or nature whether arising before, during, or after completion of the work hereunder and in any manner directly or indirectly caused, occasioned, or contributed to in whole or in part or claimed to be caused, occasioned, or contributed to in whole or in part, by reason of any act, omission, fault, or negligence, whether active or passive, of Contractor or of anyone acting under its direction or control or on its behalf in connection with or incident to the performance of this Agreement regardless if liability without fault is sought to be imposed on Village of Summit. Contractor's aforesaid indemnity and hold harmless agreement shall not be applicable to any liability caused by the sole fault, sole negligence, or willful misconduct of the Village of Summit, its elected and appointed officials, officers, employees, or authorized representatives or volunteers. This indemnity provision shall survive the termination or expiration of this Agreement.

In any and all claims against the Village of Summit, or any of its directors, officers, employees, or authorized representatives or volunteers, by an employee of the Consultant, any Sub-Contractor, or anyone for whose acts any of them may be liable, the indemnification obligation under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Consultant or any Sub-Contractor under Worker's Compensation Acts, Disability Benefit Acts, or other employee benefit acts.

No provision of this Indemnification clause shall give rise to any duties not otherwise provided for by this Agreement or by operation of law. No provision of this Indemnity clause shall be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity that would otherwise exist as to the Village of Summit under this or any other contract. This clause is to be read in conjunction with all other indemnity provisions contained in this Agreement. Any conflict or ambiguity arising between any indemnity provisions in this Agreement shall be construed in favor of indemnified parties except when such interpretation would violate the laws of the state in which the job site is located.

Contractor shall reimburse the Village of Summit, its elected and appointed officials, officers, employees, or authorized representatives or volunteers, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. Contractor's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by the Village of Summit, or any of its elected and appointed officials, officers, employees, or authorized representatives or volunteers.

LAWS, REGULATIONS AND PERMITS - Construction

The Contractor shall give all notices required by law and comply with all laws, ordinances, rules, and regulations pertaining to the project. The Contractor shall also be liable for all violations of the law in connection with work furnished by the Contractor. If the Contractor observes that the drawings or specifications are at variance with any law or ordinance, rule or regulation, he/she shall promptly notify the Village of Summit Public Works Director in writing and any necessary changes shall be made by written instruction or change order. If the Contractor performs any work that it knew or should have known to be contrary to such laws, ordinances, rules, or regulations and without giving notice to the Village of Summit Director of Public Works, the Contractor shall bear all costs arising therefrom.

SAFETY AND SECURITY – Construction

The Contractor shall execute and maintain its work so as to avoid injury or damage to any person or property. The Contractor shall comply with the requirements of the specifications relating to safety measures applicable in particular operations or kinds of work.

In carrying out its work, the Contractor shall at all times exercise all necessary precautions for the safety of employees appropriate to the nature of the work and the conditions under which the work is to be performed, and to maintain compliance with all applicable federal, state, and local statutory and regulatory requirements including Wisconsin Labor Code; and the U.S. Department of Transportation Omnibus transportation employee Testing Act. Safety precautions, as applicable, shall include but not be limited to: adequate life protection and life-saving equipment; adequate illumination; instructions in accident prevention for all employees, such as the use of machinery guards, safe walkways, scaffolds, ladders, bridges, gang planks, confined space procedures, trenching and shoring, fall protection, and other safety devices; equipment and wearing apparel as are necessary or lawfully required to prevent accidents, injuries, or illnesses; and adequate facilities for the proper inspection and maintenance of safety measures.

The Contractor shall be responsible for the safeguarding of all utilities. At least two working days before beginning work, the Contractor shall call the "Diggers Hotline" Service in order to determine the location of substructures. The Contractor shall immediately notify the Village of Summit and the utility if he/she disturbs, disconnects, or damages any utility.

In accordance with Wisconsin Labor regulations, the Contractor shall submit to the Village of Summit specific plans to show details of provisions for worker protection from caving ground during excavations of trenches of five feet or more in depth. The excavation/trench safety plan shall be submitted to and accepted by the Village of Summit prior to starting excavation. The trench safety plan shall have details showing the design of shoring, bracing, sloping or other provisions to be made for worker protection from the hazard of caving ground. If such a plan varies from the shoring system standards established by the State of Wisconsin, a Wisconsin registered civil or structural engineer shall prepare the plan, a note shall be included stating that the registered civil or structural engineer certifies that the plan complies with the applicable construction codes in Wisconsin or that the registered civil or structural engineer certifies that the plan is not less effective than the shoring, bracing, sloping, or other provisions of the existing law or regulations. In no event shall the Contractor use a shoring, sloping or protective system less effective than that required by the State. Submission of this plan in no way relieves the Contractor of the requirement to maintain safety in all areas. If excavation or trench work requiring a permit is to be undertaken, the Contractor shall submit his/her permit with the excavation/trench work safety plan to the Village of Summit before work begins. The names and telephone numbers of at least two medical doctors practicing in the vicinity and the telephone number of the local ambulance service shall be prominently displayed adjacent to telephones.

INSURANCE REQUIREMENTS – Construction

Unless otherwise specified in this Agreement, the Contractor shall, at its sole expense, maintain in effect at all times during the performance of the Work, insurance coverage with limits not less than those set forth below with insurers and under forms of policies set forth below.

Worker's Compensation and Employers Liability Insurance – The Contractor shall cover or insure under the applicable Wisconsin labor laws relating to worker's compensation insurance, all of their employees in accordance with the law in the State of Wisconsin. The Contractor/Consultant shall provide statutory covers for work related injuries and employer's liability insurance with limits of \$1,000,000 each accident, \$1,000,000 disease policy limit, and \$1,000,000 disease each employee.

Commercial General Liability and Automobile Liability Insurance – The Contractor/Consultant shall provide and maintain the following commercial general liability and automobile liability insurance:

Coverage – Coverage for commercial general liability and automobile liability insurance shall be at least as broad as the following:

1. Insurance Services Office (ISO) Commercial General Liability Coverage (Occurrence Form CG 0001)
2. Insurance Services Office (ISO) Business Auto Coverage (Form CA 0001), covering Symbol 1 (any vehicle).

Limits – The Contractor/Consultant shall maintain limits no less than the following:

1. General Liability – One million (\$1,000,000) per occurrence (\$2,000,000 general aggregate if applicable) for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the project/location (with the ISO CG 2503, or ISO CG 2504 endorsement provided to the Village of Summit) or the general aggregate including product-completed operations aggregate limit shall be twice the required occurrence limit.
2. Automobile Liability – One million dollars (\$1,000,000) for bodily injury and property damage per occurrence limit covering all vehicles to be used in relationship to the Agreement.
3. Umbrella Liability – Five million dollars (\$5,000,000) for bodily injury, personal injury and property damage per occurrence in excess of coverage carried for Employers' Liability, Commercial General Liability and Automobile Liability as described above.

Required Provisions – The general liability and automotive liability policies are to contain or be endorsed to contain the following provisions:

1. The Village of Summit, its elected and appointed officials, officers, employees, or authorized representatives or volunteers are to be given additional insured status (via ISO endorsement CG 2010, CG 2033 for general liability coverage) as respects: liability arising out of activities performed by or on behalf of the Contractors; products, and completed operations of the Contractor; premises occupied or used by the Contractor; and vehicles owned, leased, hired, or borrowed by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to the Village of Summit, its elected and appointed officials, officers, employees, or authorized representatives or volunteers.
2. For any claims related to this project, the Contractor's insurance shall be primary insurance as respects the Village of Summit, its elected and appointed officials, officers, employees, or authorized representatives or volunteers. Any insurance, self-insurance, or other coverage maintained by the Village of Summit, its directors, officers, employees, or authorized representatives or volunteers shall not contribute to it.

3. Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the Village of Summit, its elected and appointed officials, officers, employees, or authorized representatives or volunteers.
4. The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
5. Each insurance policy required by this agreement shall state, or be endorsed to state, that coverage shall not be canceled by the insurance carrier or the Contractor, except after sixty ((60) days) (10 days for non-payment of premium) prior written notice by U.S. mail has been given to the Village of Summit.
6. Such liability insurance shall indemnify the Village of Summit, its elected and appointed officials, officers, employees, or authorized representatives or volunteers against loss from liability imposed by law upon, or assumed under contract by, the Contractor for damages on account of such bodily injury (including death), property damage, personal injury, completed operations, and products liability.
7. The general liability policy shall cover bodily injury and property damage liability, owned and non-owned equipment, blanket contractual liability, completed operations liability with a minimum of a 24-month policy extension, explosion, collapse, underground excavation, and removal of lateral support, and shall not contain an exclusion for what is commonly referred to by the insurers as the "XCU" hazards. The automobile liability policy shall cover all owned, non-owned, and hired vehicles.
8. All of the insurance shall be provided on policy forms and through companies satisfactory to the Village of Summit, and shall have a minimum A.M. Best's rating of A- VII.

Deductibles and Self-Insured Retentions – Any deductible or self-insured retention must be declared to and approved by the Village of Summit. At the option of the Village of Summit, its elected and appointed officials, officers, employees, or authorized representatives or volunteers, the insurer shall either reduce or eliminate such deductibles or self-insured retentions.

Evidences of Insurance – Prior to execution of the Agreement, the Contractor shall file with the Village of Summit, a certificate of insurance (Acord Form 25-S) signed by the insurer's representative as well as endorsements evidencing the coverage required by this agreement. CG 20 10 11 85 covers all bases OR Form CG 20 10 07 04 for ongoing work exposure AND Form CG 20 37 07 04 for products-completed operations exposure. Contractor will also provide form CG 28 04 10 93, Earlier Notice of Cancellation with 30 days' notice.

Such evidence shall include an additional insured endorsement signed by the insurer's representative. Such evidence shall also include confirmation that coverage includes or has been modified to include all required provisions 1-5.

Responsibility for Work – Until the completion and final acceptance by the Village of Summit of all the work under and implied by this agreement, the work shall be under the Contractor's responsibility care and control. The Contractor shall rebuild, repair, restore, and make good all injuries, damages, re-erections, and repairs occasioned or rendered necessary by causes of any nature whatsoever.

Sub-Contractors – In the event that the Contractor employs other Contractors (sub-Contractors) as part of the work covered by this agreement, it shall be the Contractor's responsibility to require and confirm that each sub-Contractor meets the minimum insurance requirements specified above.

BITUMINOUS SEAL COATING WITH WASHED CRUSHED GRANITE QUARRY STONE**

RFB# 2022-PW01

Bids will no longer be received after 3:00 p.m., local time, 05/03/2022

BID OPENING: 3:00 p.m., local time, 05/03/2022

Village Hall 37100 Delafield Road Community Room

PROPOSAL TO THE VILLAGE OF SUMMIT, WISCONSIN

In conformity with the Official Notice listed herein, the undersigned Bidder, having examined the site of the work and the Contract Documents, and being familiar with the conditions to be met, hereby submits the following proposal for furnishing the material, equipment, labor, and everything necessary for the completion of the work listed thereunder, and agrees to execute the proposed contract and furnish the required bonds for the completion of said work, at the locations and for the prices set forth on the inside pages of this form.

The undersigned bidder deposits herewith a certified check payable to the Village of Summit or an approved license surety corporation bid bond, when a bond is indicated in said notice, in the sum designated in said notice, and hereby agrees that in the event the undersigned bidder shall fail to execute in duplicate the Contract with approved licensed corporation bonds bound thereto and return same to the office of the Public Works Director within 10 calendar days after the date appearing on the written notice by the Public Works Director of acceptance of their bid, or extension thereto as the Public Works Director only may deem reasonable, then said cash or certified check shall be retained by and become the property of the Village of Summit and liquidated damages of said bond shall be pre-secured in the name of said Village of Summit and judgment recovered thereon for the full amount of the penalty thereon as liquidated damages, in any court having jurisdiction of the actions; otherwise said cash or certified check shall be refunded or the bid bond shall be void.

In case of obtaining the award, the undersigned bidder will employ, subject to the approval of the Public Works Director, the following Sub-Contractors, with the class of work to be performed by each, which list shall not be added to nor altered without the written consent of the Public Works Director.

Name of Proposed Sub-Contractor	Class of Work

PROPOSAL

Omission of any standard information shall not alleviate the proposing firm from the responsibility of furnishing complete and satisfactory services that are currently offered in commercial trade.

Proposals must contain the following minimum specifications and requirements. Proposals may include any additional information deemed pertinent by the applicant. The Village will not evaluate or consider proposals missing one or more of the following submission materials.

SECTION 1: PROPOSED PRICES FOR SPECIFIED WORK

The following pages list the estimated quantities for the specified work. Complete both the written and numerical spaces for each item listed.

Bidder is responsible for the final and complete accurate measurement of all areas of the work and must submit their total square yards bid based on their measurement.

SECTION 2: SUPPLEMENTAL FIXED PRICES

(For use when any of the following pay items are not included in the proposed prices for specified work.)
See enclosed Schedule, if included.

SECTION 3: TIME OF COMPLETION

We the undersigned, if awarded the contract, agree that we will expedite all required work, furnish sufficient workers, equipment, and tools, and so prosecute the work as to complete all work in proper and required sequence to the work of all other parties in accordance with that stated herein.

The project as outlined in the Contract Documents shall be complete by September 16, 2022. If this date is not met, the successful bidder shall pay as liquidated damages the sum of \$500 per day for each day of delay after

a) Begin Project: _____

b) Complete Project: September 16, 2022

Bidder accepts the provisions of the Agreement as to liquidated damages in the event of failure to complete the work within the time specified in the Agreement.

SECTION 4: ADDENDUM RECEIPT

We acknowledge the receipt of the following Addenda:

NUMBER AND DATE OF ADDENDUM

SECTION 5: BID SECURITY

The following documents are attached to and made a condition of this Proposal Bid Form:

Required Bid Security in the form of _____
(Bond or Certified Check)

in the amount of _____ Dollars
(Written)

and _____ Cents, \$ _____
(Written) (Numerical)

as required by these Contract Documents.

SECTION 6: COMMENCEMENT OF WORK

The Contractor will commence the work required by the Contract Documents within fourteen (14) days after the date of NOTICE TO PROCEED and will complete the same by the date set forth in the Contract Documents.

The Contractor agrees to perform all the work described in the Contract Documents and comply with the terms therein for the various prices as set forth in the bid of these Contract Documents.

The VILLAGE will pay the CONTRACTOR in the manner, at such times, and in the amounts as required by the Contract Documents.

This Agreement shall be binding unto all parties hereto and their respective heirs, executors, administrators, successors, legal representatives, and assigns in respect to all covenants, agreements and obligations contained in the Contract Documents.

SECTION 7: TIME OF COMPLETION

The undersigned agrees that they will expedite all required materials, furnish sufficient workers, equipment and tools, and so prosecute the work as to complete all work in proper and required sequence to the work of all other Contractors in accordance with that stated herein.

The project as outlined in the Contract Documents shall be complete by September 16, 2022. If this date is not met, the undersigned agrees to pay as liquidated damages the sum of \$500 for each consecutive day of delay after September 16, 2022.

IN WITNESS WHEREOF, VILLAGE AND CONTRACTOR have signed this Agreement in duplicate. One counterpart each has been delivered to the CONTRACTOR, and one counterpart has been delivered to the VILLAGE. All portions of the Contract Documents have been signed or identified by the VILLAGE and CONTRACTOR.

SECTION 8: PAYMENT TERMS

The basis for payments by the VILLAGE to the CONTRACTOR for services performed under this Agreement shall be on a lump sum, not to exceed basis.

The VILLAGE shall pay the CONTRACTOR for services rendered on a monthly basis, which periodic payments shall constitute full and complete compensation for the CONTRACTOR's services under this Agreement. Such sums shall be paid in accordance with monthly billings prepared by the CONTRACTOR and approved by the VILLAGE. All invoices shall be emailed to pwdirector@summitvillage.org. Said billings shall be governed by, and determined, in the following manner:

- A. Hourly payroll costs, overhead, other direct costs, and subcontract costs incurred during the monthly billing period will be submitted to the VILLAGE for payment based on an estimated percentage of completed work for a lump sum contract.
- B. The VILLAGE shall cause payments to be made in accordance with such invoices, if such invoices are approved, no later than thirty (30) days after approval of the invoice. The VILLAGE must determine whether or not it approves a particular invoice within thirty (30) days after receipt of the invoice. If the invoice is modified by the CONTRACTOR, the VILLAGE must determine whether or not it approves of such invoice as modified within fifteen (15) days after receipt of the modified invoice.
 - B. Acceptance by the CONTRACTOR of the final payment shall constitute payment in full for all services performed under the Agreement.

DECLARATION OF PROPOSAL TERMS AND AGREEMENT

Having examined and carefully prepared this proposal from the plans, specifications, and other contract documents and having become familiar with any unusual site conditions, the undersigned hereby submits and makes a part of the Agreement the following Proposal. The undersigned, through its authorized representative(s), hereby certifies that he/she:

1. Understands and accepts the terms and provisions of this Contract as provided in the Contract Documents;
2. Has reviewed this Proposal and has found it to be accurate in all material respects;
3. Is authorized to submit this Proposal;
4. Affirms that the attached Proposal has been arrived at by the Bidder individually and has been submitted without collusion with, and without any agreement, understanding, or planned common course of action with any other vendor of materials, supplies, equipment, or services described in the invitation to bid designated to limit individual bidding or competition;
5. Affirms that the contents of the bid or bids have not been communicated by the Bidder or its employees or agents to any person not an employee of agent of the Bidder or its surety on any bond furnished with the bid or bids, and will not be communicated to any such person, prior to any official opening of the bid or bids;
6. Agrees to finish all work associated with this project by the Completion Date of September 16, 2022, unless otherwise specified in Appendix A, including final clean up and repair of defective work, unless an extension of time is granted;
7. Will commence work after the Commencement Date, and prosecute the same with due diligence to its completion as set forth in the Specifications;
8. Understands above quantities are approximate only. The Village reserves the right to increase or decrease the scope of the work and the approximate quantities shown and the same unit prices shall apply for such additional or lesser quantities;
9. Understands that any additional items or charges shall be agreed to in writing prior to the start of the work;
10. Understands that the above figures are to be used to determine the low bidder for the proposed work; and
11. Agrees to pay Daily Liquidated Damages as defined in the Specifications.

The undersigned applicant, having full authority to submit this proposal, hereby declares and agrees to address all aspects of necessary components as listed here in accordance with all terms, conditions, and requirements of the within and foregoing proposal.

RFB# 2022-PW01
COST OF SERVICE/SCHEDULE OF PRICES

Bidder is responsible for the final and complete accurate measurement of all areas of work and must submit their total bid based on their measurements.

1. BITUMINOUS SEAL COATING WITH WASHED CRUSHED GRANITE QUARRY STONE

Location	Unit	Approx. Quantities	Total
Stonepine Ln (N Waterville Rd to N Lost Woods Rd)	SY	1,270	
Lost Woods Rd (N termini to S termini)	SY	5,250	
Lost Woods Ct (N Lost Woods Rd to termini)	SY	990	
Total BT Seal Coating Cost			\$

The Village reserves the right to increase or delete quantities. If the Contractor believes that there is any discrepancy in the quantities listed in the schedule above, it is the responsibility of the Bidder to notify the Village as soon as possible PRIOR to bidding.

The Village reserves the right to reject any or all Bids, to waive any technicality, and to accept any Bid or Alternative which it deems advantageous to the Village. Award of Contract will be based upon the total estimated cost to perform services for each location at a not-to-exceed cost. Prices shall be for the cost of materials applied including all labor and all other costs associated with completely performing all parts of the Contract.

BITUMINOUS SEAL COAT WITH WASHED CRUSHED GRANITE QUARRY STONE

SPECIAL PROVISIONS

The special provisions listed are intended to further define contract requirements. All Contractors must become familiar with all documents prior to submitting quotation proposals.

1. SCOPE AND LOCATION OF WORK

A. SCOPE

The work under this contract shall include all labor, material, equipment, and all incidentals necessary to complete bituminous seal coating with dry, washed crushed granite quarry stone, including providing traffic control, preparation for and placement of crushed granite quarry stone on selected streets, and inlet protection as described herein and shown on the plan.

B. LOCATION OF THE WORK

The work shall consist of providing seal coat improvements at various locations throughout the Village (Refer to Appendix A – Bituminous Seal Coat Locations). The Contractor shall familiarize themselves with these pavement locations and conditions.

C. VILLAGE ENGINEERING DESIGNATION

The Public Works Director shall serve as the designated Village Engineer for this contract.

D. TRAFFIC CONTROL

Contractor shall be responsible for traffic control during the project. Unless otherwise specified, road closures will not be permitted and all work within the roadway shall be conducted under traffic and two-way traffic shall be maintained at all times. All work zones shall be properly signed and set-up in accordance with the *Manual of Uniform Traffic Control Devices (MUTCD)*, latest edition.

On-street parking may be removed by the Contractor to facilitate construction and maintain traffic flow. If used, the Contractor must supply the signs to be used and "No Parking" must be posted a minimum of 48 hours prior to construction. The Contractor shall remove the No Parking signs when work is not actively occurring on the corridor.

The Contractor shall provide and maintain "Loose Gravel" warning signs at the limits of the work and on all side roads that approach the project limits. The signs shall remain in place until all excess aggregate has been removed.

The Contractor shall provide, install, maintain, and remove when work is completed, traffic control devices to protect the public from the work zones, and protect the surface treatment from the public until the treatment has cured. Any damages to the surface treatment will be the responsibility of the Contractor.

E. INLET PROTECTION, TYPE C

For all chip seal streets, the Contractor shall provide, install, maintain, and remove when work is completed, inlet protection on **ALL INLETS** within the project limits before any construction may begin. Inlet protection shall be Type C and shall remain in place until the street is swept to the satisfaction of the Village Engineer.

Contractor shall remove inlet protection within 7 days after final street sweeping. Failure to remove inlet protection will result in forfeiture of payment of the entire bid item amount. In the event of a flood or clogged inlet, the Contractor is responsible for the removal and replacement of the inlet protection. The Contractor

shall comply with the storm water management requirements of the Wisconsin Department of Natural Resources Technical Standards.

F. ACCESS STRUCTURE LID PROTECTION

Prior to seal coating related operations, the Contractor shall provide and install an appropriate cover, of the Contractor's choosing, to protect the access structure casting and lid from being covered by the chip sealing material. If chip sealing material does get on said casting or lid, the Contractor shall be responsible for removing the material or replacing the lid and/or casting at the Contractor's expense.

There are various sizes and shapes of castings, frames, and grates for access structures along Village roads. The price bid for this item shall include protection of all utility, or other, access structure castings, lids, frames, etc., regardless of specific shape, size, or dimensions.

The access structure lid protection shall be incidental to the seal coat application.

G. SEAL COATING

General

The work shall be done in accordance with Section 475, Seal Coat of the WisDOT Standard Specifications and include the following:

Asphaltic Material

Work under this item shall be in accordance with Section 455 of WisDOT Specifications and include the following:

1. The asphaltic material for Seal Coat shall be CRS-2P, Polymer modified, and be applied at a rate of 0.30 to 0.32 gallons per square yard.
2. The asphaltic material shall be rapid set emulsion that has elastic properties and shall comply with AASHTO M316.
3. The temperature of the asphaltic emulsion at the time of application shall be not less than 150°F or more than 180°F.

Aggregate for Seal Coating

Aggregates shall conform to Section 460 of WisDOT Specifications and as follows:

1. Acceptable aggregate material shall be crushed granite that is black, gray, or dark in color.
2. Seal coat aggregate shall conform to the following gradations:

	% Passing by Weight
	Crushed Granite
3/8 inch	100
No. 4	0 - 100
No. 8	0 - 40
No. 16	0 - 10
No. 50	0 - 5
No. 200	0.0 - 1.0

4. The application rate for the aggregate shall be 20 to 22 pounds per square yard.

Construction

Surface Preparations: Immediately prior to applying the asphaltic materials, the Contractor shall thoroughly clean the existing surface of all loose material, silt spots, vegetation, and other objectionable material. Dust and other loose material in depressions or other places not reached by mechanical sweepers shall be swept with hand brooms, edger, blowers, flushers, or other approved method. Particular care shall be taken to

thoroughly clean the outer edges of the area to be sealed. All costs associated with preparing existing surfaces as described above shall be included in the bid price for Seal Coating.

Applying Asphaltic Materials: A pressure distributor shall be used for applying the asphalt material. It shall have a ground speed control device interconnected with the asphalt emulsion pump such that the specified application rate will be supplied at any speed. The pressure distributor shall be capable of maintaining the asphalt emulsion at the specified temperature. The spray bar nozzles shall produce a uniform fan spray, and the shutoff shall be instantaneous, with no dripping. Each pressure distributor shall be capable for maintaining the specified application rate. Means shall be provided for accurately indicating the temperature of the asphalt material at all times. The thermometer well shall not be in contact with a heating tube. Application will be with full width equipment capable of applying 24' without a center seam. A hose and spray nozzle attachment shall be provided for applying asphalt material to patches and areas inaccessible to the spray bar. The distributor shall be provided with heaters that can be used to bring the asphalt material to spray application temperature.

Applying Light Weight Aggregate: After application of the asphaltic material and when the desired stage of tackiness is attained, aggregate shall be spread uniformly over the treated surface by approved self-propelled mechanical full width spreader capable of applying aggregate 24' without a center seam.

Rolling of Aggregate: Immediately after spreading the aggregate, the surface shall be rolled starting at the edges and continue to the center, lapping one-half the roller width on each successive trip. Rolling shall be accomplished with two pneumatic-tire rollers. The speed and reversing of direction of rollers shall be regulated as to avoid displacement or loosening of the cover material or damage to the asphaltic material. Rolling shall be continued until the aggregate for seal coat cover is thoroughly embedded and the surface is smooth and uniform in texture.

Sweeping: The sealed surface shall be swept at least twice with a mechanical broom pick up sweeper to remove loose aggregate from the surface. The initial sweeping shall be completed within 2 business days after applications of materials. A second sweeping shall be completed within a window of time that is not less than 10 days, or more than 14 days, following the initial sweeping. Contractor is responsible for hauling away the sweepings as part of the contract.

Aggregate and Equipment Storage

Temporary material and equipment storage areas will be provided in specific locations at the Village of Summit's municipal facility located at 37100 Delafield Rd.

Upon request, the Contractor may use Village-designated paved surface areas for material storage provided the Contractor coordinates the work with Village Public Works staff to ensure the storage location does not impact Village operations. Such storage shall be allowed for a limited period of no more than 5-days prior to the seal coat application.

The Contractor may use Village-designated non-paved areas for temporary equipment storage provided the Contractor restores all disturbed area to its previous condition when work is completed.

The storage area shall be cleaned and swept by Contractor within one (1) week of completion.

The Contractor is responsible for the clean-up of all oil spills to the satisfaction of the Village Engineer.

Payment

Work under this item will be paid at the contract rate identified in FORM 2 COST OF SERVICE/SCHEDULE OF PRICES of the Bid Proposal, which price shall be full compensation for furnishing all labor, material, and

equipment necessary for the cleaning of the streets, providing and applying the asphalt emulsion material and aggregate, rolling, street sweeping, disposal of all waste material, and all incidental construction as may be described herein to complete the work.

H. UNITS OF WORK PERFORMED

Contractor is responsible for the final and complete accurate measurement of all areas of work and must submit their measurement prior to receiving payment from the Village.

The Village reserves the right to increase or decrease the quantity of units of work performed as awarded up to and during the performance of the contract. The Village shall be the sole determining entity in deciding the amount of work performed under the contract.

2. AUXILIARY EQUIPMENT

The Contractor shall supply all equipment to perform the work as necessary.
