
FAQ'S about Garbage, Recycling & Yard Waste Services

<i>Who will be our new service provider for garbage, recycling & yard waste?</i>	GFL (Green For Life Environmental) 650 E Industrial Dr. Hartland, WI 53029 262.367.6040
<i>What type of service will be provided?</i>	GFL will be providing a hybrid of services for the Village due to the nature of our diverse community, neighborhoods and road structure. Some residents will receive fully automated curbside services (using supplied 95 gallon carts) for garbage every week and recycling every other week. Some residents will receive pickup truck service (placed at the road using 32 gallon containers) every week for both recycling and garbage.
<i>What if I still want Up-the-Drive service</i>	GFL will offer subscription service for Up-the-Drive. This will be an agreement between the individual property owner and GFL with the additional cost being paid directly to GFL.
<i>How will our Yard Waste be collected?</i>	The same type of collection that we currently have, 11 collection dates per year on Saturdays: April 23, May 7 & 21, June 11 & 25, July 16, August 20, September 17, October 22, November 5 & 19
<i>When will the services start?</i>	Thursday, January 6, 2022 Normal pickup day is Thursday going forward (refer to calendar provided with your cart/can delivery)
<i>Will there be bulky waste pickup?</i>	Yes, curbside pickup. Residents will contact GFL to schedule a collection. Limit of 1 item per week.
<i>What do I do with my blue recycling can?</i>	Waste Management will be collecting the blue cans on January 13, 2022. Please place them curbside (empty) for them to retrieve.
<i>Why did the Village make this change?</i>	With the ever changing diversity within the Village, it was decided that our services needed to be able to tailor to those different areas of the Village. This hybrid service presented by GFL fit the current needs of the Village and we hope that the partnership will continue to evolve and provide additional options in the future.
