CITY OF OSSEO

The Wisconsin Department of Transportation (WisDOT), in cooperation with Short Elliott Hendrickson Inc. (SEH), will hold a public involvement meeting at the date and time listed below. The meeting is regarding the pavement replacement project located on US 10 beginning just east of Nelson Road and ending at the westbound I-94 on-ramp in the city of Osseo in Trempealeau County.

**Date:** Thursday, Nov. 14, 2024  
**Time:** 5 – 7 p.m.  
**Location:** Osseo City Hall  
13712 8th St.  
Osseo, WI 54758

The informational meeting is meant to provide an update on the design progress and inform the public on the potential impacts during construction. The meeting will follow an open-house format with a brief presentation at 5:30 pm. Representatives from WisDOT and SEH will be available to answer questions about the proposed scope of work.

The purpose of the proposed improvements on US 10 is to address the deteriorating pavement and underground utilities. During construction, US 10 will be closed to through traffic and detoured using US 53, County HH and I-94. In addition, US 10 and US 53 run concurrent from US 53 North to US 53 South. The section of US 10/53 from Nelson Road to US 53 South will be closed and detoured using WIS 121, I-94 and County HH. Local access would be maintained to all property owners and businesses during construction. Construction is scheduled to begin in 2025. Additional project overview information can also be found on the project website:
