

COFFEE WITH COUNCIL

In an effort to enhance the communication link between the Mayor and City Council with the community, we are initiating a program named “Coffee with Council”. Rather than “call” meetings the Mayor and Council members will attend your community meetings upon invitation. The Mayor or a City Council member will, upon invitation, attend any community gathering whether it be clubs, church groups, boards or a group of citizens that gather for coffee. Simply contact the Mayor or Council Person of your choosing and extend the invitation. Tell them where, when and how much time they are allotted. Ask them to address a certain issue or just provide an update on what’s going on and what they are hoping to accomplish. The Mayor and Council members either have their phone number or email listed on the City website.

Please provide at least 2 weeks’ notice to the Council member to schedule the event and prepare for the opportunity.

We look forward to hearing from you.

Mayor Josh Pettis
Council President Tim Johnson
Councilman Stuart Dodge
Councilman Rodney Anderson
Councilman Jim Cialdini
Councilperson Jerilyn Mulcahy
Councilman Gary Colby
