

NOTICE

Seasonal Weight Restrictions

Pursuant to WI Statutes 349.16, Polk County's seasonal weight restrictions became effective on March 5th, 2026, at Noon. Effective Thursday, March 5, 2026, at 5:00 p.m. posted roads in the Town of Johnstown will be restricted to six (6) tons for any single axle weight, (10) tons per tandem axle weight. This is a critical period for county and local highways, and we request support and cooperation during the temporary load limit.

Temporary Weight Limit

(6) tons PER SINGLE AXLE WEIGHT

(10) tons PER TANDEM AXEL WEIGHT

(10) tons Maximum Total GVW. Not per axel.

Highway maintenance vehicles, school buses, emergency public utility vehicles, sewage haulers, and trucks hauling bulk milk products (not whey products) are exempt from the load restrictions. Propane haulers and fuel oil haulers may exceed the imposed restrictions by two (2) ton per axle. Residential Trash collection trucks are also exempt from the imposed restrictions.

If you have questions, please feel free to contact Chairman,
Doug Rouzer by phone at 715-419-0611.

**BY ORDER OF
THE TOWN OF JOHNSTOWN
POLK COUNTY, WISCONSIN
3-2-2026**

These restrictions will be lifted when Polk County lifts their restrictions.
