Notice of General Election and Sample Ballots

November 3rd, 2026

Office of the POLK County Clerk

To the voters of POLK County

Notice is hereby given of a general election to be held in the several wards in POLK COUNTY, on November 3rd, 2026, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are listed under the title of the office and under the appropriate party or other designation, together with any referendum questions submitted to a vote, in the sample ballot below.

INFORMATION TO VOTERS

Upon entering the polling place and before being permitted to vote, a voter shall:

- state their name and address
- show an acceptable form of photo identification*
- sign the poll book**

***If a voter does not have acceptable photo identification, the voter may obtain a free photo ID for voting from the Division of Motor Vehicles.**

****If the voter is unable to sign the poll book due to disability, a poll worker may write the word "exempt."**

If a voter is not registered to vote, they may register to vote at the polling place serving their residence if the voter provides proof of residence.

Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot.

Upon being permitted to vote, the voter shall enter a voting booth or go to a machine and cast their ballot. The vote should not be cast in any manner other than specified here. Sample ballots or other materials to assist the voter in marking their ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

A voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward.

An election official may inform the voter of the proper manner for casting a vote but the official may not advise or indicate a particular voting choice.

Assistance for Voting

A voter may select an individual to assist in casting their vote if the voter declares to the presiding official that they are unable to read, have difficulty reading, writing, or understanding English, or that due to disability are unable to cast their ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter. If a voter is unable to state their name and address, an assistant may also do so for the voter.

Where Optical Scan Voting is Used
The voter shall fill in the oval next to the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote and fill in the oval next to the write-in line. On referendum questions, the voter shall fill in the oval next to "yes" if in favor of the question, or the voter shall fill in the oval next to "no" if opposed to the question.

When using an *electronic ballot marking device* ("Automark," "Express Vote," "Clear Access" or "ImageCast Evolution-ICE") to mark an **optical scan** ballot, the voter shall touch the screen or use the tactile pad to select the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall touch the screen next to "write-in" and type in the name of the person of their choice. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question, or the voter shall touch the screen at "no" if opposed to the question.

Where Touch Screen Voting is Used
The voter shall touch the screen or use the tactile pad to select the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of their choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question or the voter shall touch the screen next to "no" if opposed to the question.

Spoiling Ballots
If a voter spoils an **optical scan** ballot, they shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place.

The voter may spoil a **touch screen** ballot at the voting station before the ballot is cast.

After Voting the Ballot
After an official **paper** ballot is marked, it shall be folded so that the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall then deposit their folded ballot in the proper ballot box or deliver the ballot to an inspector for deposit and leave the polling place promptly.

After an official **optical scan** ballot is marked, it may be inserted in a security sleeve so the marks do not show. The voter shall then insert the ballot in the voting device or deliver the ballot to an inspector for deposit. If a central count system is used, the voter shall insert the ballot in the ballot box or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

After an official **touch screen** ballot is cast, the voter shall leave the polling place promptly.

NOTICE OF REFERENDUM ELECTION

November 3, 2026

NOTICE IS HEREBY GIVEN, that at an election to be held in the several towns, villages, wards, and election districts of the State of Wisconsin, on Tuesday, November 3, 2026, the following questions will be submitted to a vote of the people pursuant to law:

2025 Senate Joint Resolution 116

To amend section 10(1)(c) of article V; **relating to:** prohibiting the governor from using the partial veto to create or increase any tax or fee.

Whereas, the 2023 legislature in regular session considered a proposed amendment to the constitution in 2023 Assembly Joint Resolution 112, which became 2023 Enrolled Joint Resolution 16, and agreed to it by a majority of the members elected to each of the two houses, which proposed amendment reads as follows:

Section 1. Section 10 (1) (c) of article V of the constitution is amended to read:

[Article V] Section 10 (1) (c) In approving an appropriation bill in part, the governor may not create a new word by rejecting individual letters in the words of the enrolled bill, ~~and~~ may not create a new sentence by combining parts of 2 or more sentences of the enrolled bill, and may not create or increase or authorize the creation or increase of any tax or fee.

Now, therefore, be it resolved by the senate, the assembly concurring, That the foregoing proposed amendment to the constitution is agreed to by the 2025 legislature; and, be it further ***Resolved, That*** the foregoing proposed amendment to the constitution be submitted to a vote of the people at the election to be held on the first Tuesday of November 2026; and, be it further ***Resolved, That*** the questions concerning ratification of the foregoing proposed amendment to the constitution be stated on the ballot as follows:

> **QUESTION 1**: *"**Partial veto.** Shall section 10 (1) (c) of article V of the constitution be amended to prohibit the governor, in exercising his or her partial veto authority, from creating or increasing or authorizing the creation or increase of any tax or fee?"*

2025 Assembly Joint Resolution 10

To amend section 18 of article I of the constitution; **relating to:** the freedom to gather in places of worship during a state of emergency.

Whereas, the 2023 legislature in regular session considered a proposed amendment to the constitution in 2023 Senate Joint Resolution 54, which became 2023 Enrolled Joint Resolution 11, and agreed to it by a majority of the members elected to each of the two houses, which proposed amendment reads as follows:

Section 1. Section 18 of article I of the constitution is created to read:

[Article I] Section 18. The right of every person to worship Almighty God according to the dictates of conscience shall never be infringed; nor shall any person be compelled to attend, erect or support any place of worship, or to maintain any ministry, without consent; nor shall any control of, or interference with, the rights of conscience be permitted, or any preference be given by law to any religious establishments or modes of worship; nor shall any money be drawn from the treasury for the benefit of religious societies, or religious or theological seminaries; nor shall the state or a political subdivision of the state order the closure of or forbid gatherings in places of worship in response to a state of emergency at the national, state, or local level, including an emergency related to public health.

Now, therefore, be it resolved by the assembly, the senate concurring, That the foregoing proposed amendments to the constitution is agreed to by the 2025 legislature; and, be it further ***Resolved, That*** the foregoing proposed amendments to the constitution be submitted to a vote of the people at the election to be held on the first Tuesday of November 2026; and, be it further ***Resolved, That*** the question concerning ratification of the foregoing proposed amendments to the constitution be stated on the ballot as follows:

> **QUESTION 2**: "***Freedom to gather in places of worship during an emergency***. *Shall section 18 of article I of the constitution, which deals with religious liberty, be amended to prohibit the state or a political subdivision of the state from ordering the closure of, or forbidding gatherings in, places of worship in response to a state of emergency, including a public health emergency?"*

2025 Assembly Joint Resolution 102

To create section 27 of article I of the constitution; **relating to:** prohibiting governmental entity discrimination.

Whereas, the 2023 legislature in regular session considered a proposed amendment to the constitution in 2023 Assembly Joint Resolution 109, which became 2023 Enrolled Joint Resolution 15, and agreed to it by a majority of the members elected to each of the two houses, which proposed amendment reads as follows:

Section 1. Section 27 of article I of the constitution is created to read:

[Article I] Section 27 (1) In this section, "governmental entity" means the state, its political subdivisions including municipalities, the University of Wisconsin System, the Technical College System, any public college or university, any public school district, and any office, department, independent agency, board, commission, authority, institution, association, society, or other body in state or local government created or authorized to be created by the constitution or any law, including the legislature and the courts.

(2) A governmental entity may not discriminate against, or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin in public employment, public education, public contracting, or public administration.

(3) This section does not prohibit action that must be taken to establish or maintain eligibility for any federal program, if ineligibility would result in a loss of federal funds to the governmental entity.

(4) Nothing in this section prohibits bona fide qualifications based on sex that are reasonably necessary to the normal operation of public employment, public education, public contracting, or public administration.

(5) If any part or parts of this section are found to be in conflict with the United States Constitution or federal law, the section shall be implemented to the maximum extent that the United States Constitution and federal law permit. Any provision of this section held invalid shall be severable from the remaining portions of this section.

Now, therefore, be it resolved by the assembly, the senate concurring, That the foregoing proposed amendments to the constitution is agreed to by the 2025 legislature; and, be it further ***Resolved, That*** the foregoing proposed amendments to the constitution be submitted to a vote of the people at the election to be held on the first Tuesday of November 2026; and, be it further ***Resolved, That*** the question concerning ratification of the foregoing proposed amendments to the constitution be stated on the ballot as follows:

> **QUESTION 3**: "***Governmental entity discrimination prohibited***. *Shall section 27 of article I of the constitution be created to prohibit governmental entities in the state from discriminating against, or granting preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin in public employment, public education, public contracting, or public administration?"*

Explanatory Statements as to the Questions

Explanatory statement regarding Question 1:

Under current law, the Governor may partially veto language in a spending bill passed by the Legislature. The veto may result in either more or fewer taxes or fees being imposed and may also result in local government entities being authorized to increase or decrease local taxes or fees.

The proposed amendment would add a new clause to Article V, section 10(1)(c) of the Wisconsin Constitution, providing that the Governor's veto "may not create or increase or authorize the creation or increase of any tax or fee." This language would not only prevent a veto from increasing any state taxes or fees, but also prevent a veto from allowing local governments, such as school districts, to increase their own taxes or fees.

A "yes" vote on Question 1 would vote to amend Wis. Const. art. V, § 10(1)(c) to prohibit the Governor from partially vetoing a spending bill in a way that would create or increase or authorize the creation or increase of any tax or fee.

A "no" vote on Question 1 would vote not to amend Wis. Const. art. V § 10(1)(c) of the Wisconsin Constitution.

Explanatory statement regarding Question 2:

Under current law, Article I, section 18 of the Wisconsin Constitution, like the First Amendment of the U.S. Constitution, protects religious rights. In a declared state of emergency, officials may limit public gatherings, including religious gatherings, so long as religious and secular gatherings

are treated equivalently.

The proposed amendment would add a new clause to the end of Article I, section 18, prohibiting the state and local governments from ordering the closure or forbidding gatherings "in places of worship" when there is a state of emergency. That language would prevent officials from forbidding gatherings in places of worship even when other types of public gatherings have been closed.

A "yes" vote on Question 2 would vote to amend Wis. Const. art. I, § 18. The amendment would prohibit the state and local governments from closing or prohibiting gatherings in places of worship during a state of emergency.

A "no" vote on Question 2 would vote not to amend Wis. Const. art. I, § 18 of the Wisconsin Constitution.

Explanatory statement regarding Question 3:

Under current law, both under Article I, section 1 of the Wisconsin Constitution and the Equal Protection Clause of the Fourteenth Amendment to the U.S. Constitution, states and local governments may not discriminate based on race, ethnicity, color, national origin, or sex except under specific circumstances. For race, color, ethnicity, or national origin, discrimination in favor of or against a group is permissible only if the government has a compelling interest and a narrowly tailored remedy. For sex, discrimination is permissible if it serves an important government interest and is substantially related to that interest. Current law also makes distinctions depending on whether discrimination is overt and intentional, or merely a disparate impact of a neutral policy.

The proposed amendment would create a new provision, Article I, section 27, which would prohibit state and local governmental entities from discriminating or granting preferential treatment based on race, sex, color, ethnicity, or national origin in public employment, public education, public contracting, or public administration.

This language appears to impose stricter standards against discrimination than the standards under current state and federal law.

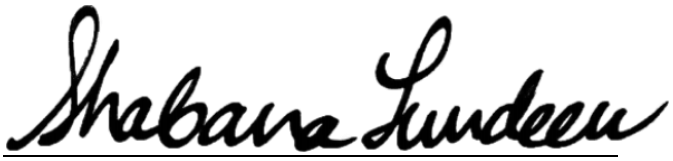

The amendment contains three exceptions. It does not apply if it would cause the governmental entity (1) to lose eligibility for a federal program or (2) to violate federal law. And the amendment's prohibition on treating people differently based on sex does not apply to measures that are "reasonably necessary" to the "normal operation" of public employment, education, contracting, or administration.

A "yes" vote on Question 3 would vote to create a new provision of the Wisconsin Constitution—Wis. Const. art. I, § 18, which would prohibit any governmental entity from discriminating or granting preferential treatment based on race, sex, color, ethnicity, or national origin in public employment, public education, public contracting, or public administration.

A "no" vote on Question 3 would vote not to add Wis. Const. art. I § 18 to the Wisconsin Constitution.
