TOWN OF FREEDOM

SPRING ROAD POSTING

Due to the usual spring thaw and the frost coming out of the ground, roads tend to break up, so we ask that no heavy equipment or trucks travel the Town of Freedom Roads at this time until further notice. (This usually lasts for 2-4 weeks) If you have an urgent need to bring something in try to limit overall weight and try to do this late at night or very early morning when it is still frozen. If you have any questions call Chairman, Dave Baumgarten at 608-522-3661 after 6:00 pm.
