Town of Stettin Residents

Welcome to your NEW trash and recycle hauler!

Beginning January 2026, Stettin has chosen Harter's Fox Valley Disposal as the new service provider for garbage and recycling collection. Your service day will be Friday with every other week recycle service (see calendar). Our first residential pick-up will be Saturday, January 3rd due to the holiday. Harter's will provide:

(1) 95-gallon trash cart (blue cart with BLACK lid)

(1) 95-gallon recycling cart (blue cart with GREEN lid)

How do holidays affect my pick-up?

Holiday collection will be delayed one day, if the holiday is on a weekday before your pick-up day. Observed holidays are New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas Day.

What if there is a snowbank?

In the case of snow, if your carts will not fit in your driveway opening, then you will need to clear an opening in the snowbank where the cart can be properly placed. Carts cannot be placed on top of the snowbank or in the road. Improperly placed carts will not be collected.

Can I place my recyclables in plastic bags?

NO, DO NOT place recyclables in plastic bags or put bags-of-bags in your cart. For information on local grocery and retail stores that accept shopping bags and other stretch film plastic for recycling, go to <https://cwrecyclingcollective.com/>.

How do I set my cart out on collection day?

Place your cart curbside before 5:00 a.m. the day of collection, with the cart's handle facing your house and the lid opening toward the street. All solid waste MUST be bagged. Make sure there is at least four feet between the recycling and trash carts, and any other objects, such as a parked car or mailbox. ***Note: If your carts were set out late, you must wait until your next scheduled pick-up and material placed in carts is not to exceed 50lbs.

Can I take my carts with me if I move?

No. Each cart should stay with the property. These carts are the property of Harter's. For cart repair or rental of additional cart, please call (715) 446-5400 or (888) 804-8556.

What if I have an item that doesn't fit in my cart?

All household trash/recyclables should fit inside the cart with the lid closed. Large household items will be collected each week at the expense of the resident. Large items include furniture (i.e. couch, table, dresser, bed frame, mattress, box spring, bike, push mower minus gas/oil, toilet, sink), electronics (i.e. stereo, printer, monitor, CPU tower, TV) or non-freon appliances (i.e. stove, microwave, washer, dryer, compactor, dishwasher, humidifier, water heater, water conditioner) and freon appliances (i.e. refrigerator, dehumidifier, freezer).
