

TOWN OF BEAVER, CLARK COUNTY, WISCONSIN

RECYCLING ORDINANCE NO. 2019-01

SECTION I - TITLE.

Recycling Ordinance for the Town of Beaver, W3742 Capital Road, Loyal, WI, 54446, Clark County, State of Wisconsin.

SECTION II - PURPOSE.

The purpose of this ordinance is to promote recycling, composting, and resource recovery through the administration of an effective recycling program, as provided in §. 287.11, Wisconsin Stats., and Chapter NR 544, Wis. Administrative Code.

SECTION III - STATUTORY AUTHORITY.

This ordinance is adopted as authorized under §287.09(3)(b), Wis. Statutes and the Town of Beaver.

SECTION IV - ABROGATION AND GREATER RESTRICTIONS.

It is not intended by this ordinance to repeal, abrogate, annul, impair or interfere with any existing rules, regulations, ordinances or permits previously adopted or issued pursuant to law. However, whenever this ordinance imposes greater restrictions, the provisions of this ordinance shall apply.

SECTION V - INTERPRETATION.

In their interpretation and application, the provisions of this ordinance shall be held to be the minimum requirements and shall not be deemed a limitation or repeal of any other power granted by the Wisconsin Statutes. Where any terms or requirements of this ordinance may be inconsistent or conflicting, the more restrictive requirements or interpretation shall apply. Where a provision of this ordinance is required by Wisconsin Statutes, or by a standard in Chapter NR 544, Wis. Administrative Code, and where the ordinance provision is unclear, the provision shall be interpreted in light of the Wisconsin Statutes and the Chapter NR 544 standards in effect on the date of the adoption of this ordinance, or in effect on the date of the most recent text amendment to this ordinance.

SECTION VI - SEVERABILITY.

Should any portion of this ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected.

SECTION VII - APPLICABILITY.

The requirements of this ordinance apply to all persons within the Town of Beaver, Clark County, State of Wisconsin.

SECTION VIII - ADMINISTRATION.

The provisions of this ordinance shall be administered by the Town Board or Town Clerk.

SECTION IX - EFFECTIVE DATE.

The provisions of this ordinance shall take effect immediately on publication. The Town Clerk shall properly post or publish this ordinance as required under §60.80, Wis. Stats.

SECTION X - DEFINITIONS.

For the purpose of this ordinance:

- a). "Bi-metal Container" means a container for carbonated or malt beverages that is made primarily of a combination of steel and aluminum.
- b). "Container board" means corrugated paperboard used in the manufacture of shipping containers and related products.
- c). "Foam polystyrene packaging" means packaging made primarily from foam polystyrene that satisfies one of the following criteria:
 - i). Is designed for serving food or beverages.
 - ii). Consists of loose particles intended to fill space and cushion the packaged article in a shipping container.
 - iii). Consists of rigid materials shaped to hold and cushion the packaged article in a shipping container.
- d). "Glass Container" means a glass bottle, jar or other packaging container used to contain a product that is the subject of a retail sale and does not include ceramic cups, dishes, oven ware, plate glass, safety and window glass, heat resistant glass such as Pyrex, lead based glass such as crystal, or TV tubes
- e). "HDPE" means high density polyethylene, labeled by the SPT code #2.
- f). "LDPE" means low density polyethylene, labeled by the SPI code #4.
- g). "Magazines" means magazines and other materials printed on similar paper.
- h). "Major appliance" means a residential or commercial air conditioner, clothes dryer, clothes washer, dishwasher, freezer, microwave oven, oven refrigerator, furnace, boiler, dehumidifier, water heater or stove.
- i). "Multiple-family dwelling" means a property containing 5 or more residential units, including those which are occupied seasonally.
- j). "Newspaper" means a newspaper and other materials printed on newsprint.
- k). "Non-residential facilities and properties" means commercial, retail, industrial, institutional and government facilities and properties. This term does not include multiple family dwellings.
- l). "Office paper" means high grade printing and writing papers from offices in nonresidential facilities and properties. Printed white ledger and computer printout are examples of office paper generally accepted as high grade. Printed white ledger and computer printout are examples of office paper generally accepted as high grade. This term does not include industrial process waste.
- m). "Other resins or multiple resins" mean plastic resins labeled by the SPI code #7.
- n). "Person" includes any individual, corporation, partnership, association, local government unit, as defined in § 66.0131(1)(a), Wis. Stats., state agency or authority or federal agency.
- o). "PETE" or "PET" means polyethylene terephthalate, labeled by the SPI code #1.
- p). "Plastic container" means an individual, separate, rigid plastic bottle, can, jar or carton, except for a blister pack, that is originally used to contain a product that is the subject of a retail sale.

- q). "Postconsumer waste" means solid waste other than solid waste generated in the production of goods, hazardous waste, as defined in § 291.01(7), Wis. Stats., waste from construction and demolition of structures, scrap automobiles, or high-volume industrial waste, as defined in § 289.01(17), Wis. Stats.
- r). "PP" means polypropylene, labeled by the SPI code #5.
- s). "PS" means polystyrene, labeled by the SPI code #6.
- t). "PVC" means polyvinyl chloride, labeled by the SPI code #3.
- u). "Recyclable materials" includes lead acid batteries, major appliances, waste oil, yard waste, aluminum containers, corrugated paper or other container board, foam polystyrene packaging, glass containers, magazines, newspaper, office paper, rigid plastic containers, including those made of PETE, HDPE, PVC, LDPE, PP, PS and other resins or multiple resins, steel containers, waste tires and bi-metal containers.
- v). "Solid waste" has the meaning specified in § 289.01(33), Wis. Stats.
- w). "Solid waste facility" has the meaning specified in § 289.01(35), Wis. Stats.
- x). "Solid waste treatment" means any method, technique or process which is designed to change the physical, chemical or biological character or composition of solid waste. "Treatment" includes incineration.
- y). "Waste tire" means a tire that is no longer suitable for its original purpose because of wear, damage or defect.
- z). "Yard waste" means leaves, grass clippings, yard and garden debris and brush, including clean woody vegetative material no greater than 6 inches in diameter. This term does not include stumps, roots or shrubs with intact root balls.

SECTION XI - SEPARATION OF RECYCLABLE MATERIALS.

Occupants of a single family and 2- to 4-unit residences, multiple-family dwelling and non-residential facilities and properties shall separate the following materials from postconsumer waste:

- a). Lead acid batteries
- b). Major appliances
- c). Waste oil
- d). Yard waste
- e). Aluminum containers
- f). Bi-metal containers
- g). Corrugated paper or other container board
- h). Foam polystyrene packaging
- i). Glass containers
- j). Magazines
- k). Newspaper
- l). Office paper
- m). Rigid plastic containers made of PETE, HDPE, PVC, LDPE, PP, PS, and other resins or multiple resins
- n). Steel containers
- o). Waste tires

SECTION XII - SEPARATION REQUIREMENTS EXEMPTED.

The separation requirements of Section XI do not apply to the following:

- a). Occupants of single family and 2- to 4-unit residences, multiple-family dwellings and non-residential facilities and properties that send their postconsumer waste to a processing facility licensed by the Wisconsin Department of Natural Resources that recovers the materials specified in Section XI from solid waste in as pure a form as is technically feasible.
- b). Solid waste which is burned as a supplement fuel at a facility if less than 30% of the heat input to the facility is derived from the solid waste burned as supplement fuel.
- c). A recyclable material specified in Section XI (e) through (o) for which a variance has been granted by the Department of Natural Resources under § 287.11(2m), Wis. Stats., or § NR 544.14, Wis. Administrative code.

SECTION XIII - CARE OF SEPARATED RECYCLABLE MATERIALS.

To the greatest extent practicable, the recyclable materials separated in accordance with Section XI shall be clean and kept free of contaminants such as food or product residue, oil or grease, or other non-recyclable materials, including but not limited to household hazardous waste, medical waste, and agricultural chemical containers. Recyclable materials shall be stored in a manner which protects them from wind, rain, and other inclement weather conditions.

SECTION XIV - MANAGEMENT OF LEAD ACID BATTERIES, MAJOR APPLIANCES, WASTE OIL, YARD WASTE AND OTHER ITEMS.

Occupants of single family and 2- to 4-unit residences, multiple-family dwellings and non-residential facilities and properties shall manage lead acid batteries, major appliances, waste oil and yard waste as follows:

- a). Lead acid batteries shall be recycled at a retailer or commercial installer of motor vehicle batteries which must accept used lead acid vehicle batteries from individuals during normal business hours, according to §287.18 Wis. Stats. This service is free to customers who purchase a new battery when a used one is brought in. Customers may be charged a fee of up to \$3 if they bring in a used battery without purchasing a new one. Retailers may charge a deposit of up to \$5 when a customer purchases a new battery without turning in a used one. The deposit is refunded when the customer returns to the same retailer with a used battery and proof that the deposit was paid.
- b). Major appliances shall be directed to businesses that recycle major appliances or brought to the Township Spring Cleanup.
- c). Waste oil shall be directed to businesses that recycle waste oil.
- d). Yard waste shall be the responsibility of the property owner to dispose of properly.
- e). Materials such as couches sofas, and mattresses shall be disposed of by the occupants at their own expense (Township Spring Cleanup).

SECTION XV - PREPARATION AND COLLECTION OF RECYCLABLE MATERIALS.

Except as otherwise directed by the Town Board or Town Clerk, occupants of single family and 2- to 4-unit residences shall do the following for the preparation and collection of the separated materials specified in SECTION XI (e) through (o):

- a). Aluminum containers shall be rinsed clean and co-mingled with other recyclables.
- b). Bi-metal containers shall be rinsed clean, labels removed and flattened if desired. Aerosol paint cans cannot be recycled.
- c). Corrugated paper or other container board shall be flattened and bundled with tape and staples removed.
- e). Glass containers shall be rinsed clean with lids removed. Labels may stay on. Glass should not be broken. Does not include plate glass, safety and window glass, or TV tubes.
- f). Magazines, newspaper and office paper shall be bundled for easier handling, but is not required and placed with other recyclables.
- g). Rigid plastic containers shall be prepared and collected as follows:
 - i). Plastic containers made of PETE, HDPE, PVC, LDPE, PP, or PS should be clean and placed with other recyclables.
 - ii). Plastic containers made of other resins or multiple resins, should be clean and placed with other recyclables.
- h). Steel containers shall be clean, and placed with other recyclables.
- i). Waste tires—a fee shall be charges for the collection of waste tires brought to the drop off site on the day that waste tires are collected. The fee shall be determined by the Town Board.
- j). The Town of Beaver does not accept recyclable materials for collection at the Town Hall from residents.

SECTION XVI - RESPONSIBILITIES OF OWNERS OR DESIGNATED AGENTS OF MULTIPLE-FAMILY DWELLINGS.

Owners or designated agents of multiple-family dwellings shall do all of the following to recycle the materials specified in SECTION XI (e) through (o):

- a). Provide adequate, separate containers for the recyclable materials.
- b). Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.
- c). Provide for the collection of the materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.
- d). Notify tenants of reasons to reduce and recycle solid waste, which materials are collected, how to prepare the materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.

The requirements specified in a) do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in SECTION XI (e) though (o) from solid waste in as pure a form as is technically feasible.

SECTION XVII - RESPONSIBILITIES OF OWNERS OR DESIGNATED AGENTS OF NON-RESIDENTIAL FACILITIES AND PROPERTIES.

Owners or designated agents of non-residential facilities and properties shall do all of the following to recycle the materials specified in SECTION XI (e) through (o):

- a). Provide adequate, separate containers for the recyclable materials.
- b). Notify in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.
- c). Provide for the collection of the materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.
- d). Notify users, tenants and occupants of reasons to reduce and recycle, which materials are collected, how to prepare materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.

The requirements specified in a) do not apply to the owners or designated agents of nonresidential facilities and properties if the postconsumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in SECTION XI (e) through (o) from solid waste in as pure a form as is technically feasible.

SECTION XVIII - PROHIBITIONS ON DISPOSAL OF RECYCLABLE MATERIALS SEPARATED FOR RECYCLING.

No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in SECTION XI (e) through (o) which have been separated for recycling, except waste tires may be burned with energy recover in solid waste treatment facility.

SECTION XIX - ENFORCEMENT.

For the purpose of ascertaining compliance with the provisions of this ordinance, any authorized officer, employee or representative of The Town of Beaver may inspect recyclable materials separated for recycling, postconsumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collections areas of multi-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employee or authorized representative of the Town of Beaver who requests access for purposes of inspection, and who presents appropriate credentials. No person may obstruct, hamper, or interfere with such an inspection.

Any person who violates a provision of this ordinance may be issued a citation by the Town of Beaver to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same of any other matter shall not preclude the issuance of a citation under this paragraph.

Penalties for violating this ordinance may be assessed as follows:

- a). Any person who violates SECTION XVIII may be required to forfeit \$50 for a first violation, \$100 for a second violation, and not more than \$200 for a third or subsequent violation.
- b). Any person who violates a provision of this ordinance, except SECTION XVIII, may be required to forfeit not less than \$10 or more than \$100 for each violation.

Any fees/violations which remains unpaid is a lien on the property against which it is levied or made on behalf of the Town of Beaver. Any unpaid fees/violations shall be placed on the tax roll. §287.093 (2) Wis. Stats.

SECTION XX – LICENSING OF HAULER REQUIRED.

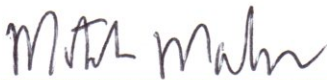

No person or corporation shall engage in the business of collecting recyclable materials within the Town of Beaver without being licensed by the Department of Natural Resources. Any person, who owns, operates or maintains the following recyclable materials uses, activities, business or collection operations, in the Town of Beaver, shall be exempt from obtaining and maintaining any Town of Beaver recyclable materials collection license under this ordinance, unless so specifically required by the Town Board noted herein this ordinance.

- a). Uses, activities, businesses or collection operations in the Town of Beaver under the Town ownership, Town operation, or direct Town control of the Town, its Town Board, its Officers, its employees, or its authorized agents. This exemption shall not include any uses, operated or controlled by any persons or business licensed by the Town.
- b). Also exempt are any non-profit charitable organizations that collect newspapers for paper drives and aluminum containers for projects.
- c). Uses, activities, businesses, or collection operations in the Town of Beaver for specifically scrap metal, junk vehicles or junk implements of husbandry collections. This exemption includes the collectors or transporters who collect or transport, with or without consideration, in any locations, businesses or operations in the Town of Beaver.

SECTION XXXI – PROCESSING FACILITIES

Any hauler(s) operating in the Town of Beaver shall not transport for processing any recyclables to a processing facility unless the facility has been approved by Wisconsin Department of Natural Resources.

Adopted this 11th day of March, 2019.

Mitch Malm, Town Chairperson

Kirk Haslow, Town Clerk
