

TOWN OF EAST TROY

Resolution No. 2016- 1 (

**RESOLUTION INCREASING RESIDENTIAL SNOW PLOWING CHARGE ON PRIVATE
ROADS PLOWED WITH APPROVAL OF THE TOWN BOARD**

Whereas, the Town Board of the Town of East Troy has in the past agreed to allow the Town's Department of Public Works to provide snow plowing service to town residents residing on private roads, and;

Whereas, the Town Board of the Town of East Troy has again contemplated the same and has agreed to allow for such service for the 2016-2017 winter season and beyond, and;

Whereas, the cost of fuel and salt have increased which requires that the additional cost be shared by the town residents who are benefitted by this service, and;

Whereas, the Town Board is allowed to set the cost of this service as provided in Chapter 1.23 of the Town Code and is allowed to contract for snow plowing on private roads pursuant to Wisconsin Statutes;

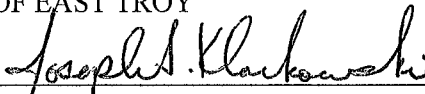

NOW, THEREFORE, BE IT RESOLVED:

1. That the Town of East Troy Town Board agrees to allow the Town's Department of Public Works to provide snow plowing services to town residents on private roads for a cost.
2. That the cost of snow plowing services to be provided shall be billed to each residence served in an amount of \$35.00. The charge of \$35.00 shall be added to the tax bill of every property benefitted by such service and represents an increase from the \$25.00 snow plowing charge established back in 2008.

Dated this 12th day of December, 2016.
