Dear Big Cedar Lake PRD Residents,

Badgerland Disposal, an LRS Company, is proud to announce new curbside trash collection service for the residents of Big Cedar Lake PRD beginning in June 2022. Under the new curbside trash collection program, each resident will receive a new 95-gallon poly-cart for their trash. Customers who prefer a 65-gallon cart size should contact the Big Cedar Lake PRD office at 262-629-9322 BY June 17th to request alternate size. **Containers will be delivered to your residence prior to start date.**

Trash will be serviced weekly and collection day will be **FRIDAY**. Friday, June 3rd is the first service day, but delayed one day due to the Memorial Day holiday, see service calendar included. By 6am on your service day, roll trash container to the end of the driveway. IF you contract for recycle curbside services, please **place containers at least 3 feet apart & 3 feet from any obstruction**, walking between containers is a good rule of thumb. Or, place one container on the left side of the driveway and the other container on the right.

COLLECTION PROGRAM GUIDELINES:

- Trash must be curbside by 6:00 a.m. on your designated collection day – the night before works!
- All waste materials must be INSIDE of the carts, waste or bags outside of the carts will not be taken.
- On holiday weeks we operate on a one-day delay, when the holiday falls on a workday, Monday – Friday.
- Carts remain the property of Badgerland Disposal/LRS. Residents will be required to pay for replacement carts if damages are due to negligence or abuse.
- Please do not take the carts if you move. You may label the containers with tape or removable decal, but do not write on or deface in any other way.
- BULK items can be removed for a fee (see reverse side). Call customer service to schedule this service.

Items that CANNOT be placed in the trash container: Dirt, sod, concrete, rock, construction or demolition debris, **household hazardous waste**, appliances, banned **electronic** waste, **yard waste**, leaves, grass clippings, hot ashes or flammable materials such as oil, gas or paint, batteries, engine parts, tires. **Questions? 608-580-0580**

SAFE USE AND CART CARE:

1. Always have the lid closed to keep rain, snow and animals out,
2. Use the handle provided to move the cart, tilt and roll,
3. To clean, simply rinse with water and let dry in the sunlight, lid open,
4. Do not place any unacceptable materials in the cart.
