

The Town Board of the Town of Drammen does ordain as follows:

Whereas agriculture is the base of the economy in the Town; and

Whereas any non-agricultural activity which would consume groundwater at a rate in excess of 100 gallons per minute would imperil the quantity of groundwater available for irrigation and other farm activities;

Now, Therefore, The Town Board of the Town of Drammen does ordain as follows:

No person or organization may operate any process or function in the Town which will draw from wells more than One Hundred gallons of water per minute.

Dated this 9th day of February , 2013.
