

Town of Casey

All Concerned:

Please complete the fireworks permit down to the “**permit issued this date**” line and mail to the address below for my signature.

I must receive your completed form no later than **Tuesday June 30, 2026**. No permits will be issued after that date.

By motion of the Town of Casey Board 2026 fireworks permits allow detonation from **Friday July 3rd through Sunday July 5th between the hours of 9:00 p.m. and midnight only**. Firework detonation outside of these dates and times will not be tolerated with complaints answered by the Washburn County Sheriff’s Department.

After I have endorsed and dated the permit a copy will be returned to you and a signed copy will be sent to the Washburn County Sheriff’s Department. You must have a signed copy of the fireworks permit prior to purchasing, transporting, and igniting fireworks at the site designated on your fireworks permit.

Remember to check on burning conditions after 11:00 am on the date you intend to ignite your fireworks and if conditions are not “low” or “moderate” the permit is void and no fireworks are to be ignited. The Wisconsin DNR phone number and website are listed on your permit.

Have a safe and enjoyable holiday.
