

TOWN OF CASEY
ANNUAL TOWN CLEAN-UP DAY - UPDATE
STUMP & TREE BRUSH DISPOSAL SITE DELAYED

Tree brush & stumps will NOT be accepted at the new disposal site in Section 21 with entry on Lower McKenzie Road one mile west of Loon Lake between 9 am and noon on September 12, 2026 as originally planned.

Do to circumstances beyond our control, we have to delay the opening of the new brush disposal site until a date hopefully later this summer or early fall after gaining Washburn County Board approval.

Please look for a subsequent notice establishing a brush & stump disposal date on the Town of Casey website, or in the bulletin boxes at the Town Hall, The Still, or Twin Oaks. Sorry for any inconvenience this may cause.

Sincerely,

Gene Bethel
Chair, Town of Casey
