- (11) No Parking with Motor Running. No motor vehicle shall be parked on any street, alley or highway with its motor running for a period of longer than one-half (1/2) hour. This ordinance shall not apply to school buses which are providing services to the local school district.
- (12) Parking of Semi-Trailers and Tractors.
 - (a) Definitions:
 - (i) "Road Tractor" means a motor vehicle designed and used for drawing other vehicles and not so constructed as to carry any load thereon either independently or any part of the weight of the vehicle or load so drawn.
 - (ii) "Semi-Trailer" means a vehicle of the trailer type so designed and used in conjunction with a motor vehicle that some parts of its own weight and that of its own load rests upon or is carried by another vehicle, but does not include a mobile home. A vehicle used with a ready-mix motor truck to spread the load is considered a semi-trailer.
 - (iii) "Tractor-Semi Trailer Combination" means a combination of two vehicles consisting of either a truck tractor and a semi-trailer or a road tractor and a semi-trailer.
 - (iv) "Truck Tractor" means a motor vehicle designed and used primarily for drawing other vehicles and not so constructed as to carry a load other than a part of the weight of the vehicle and load so drawn.
 - (b) Parking Prohibited. Except as provided herein, there shall be no parking of semi-trailers or tractor-semitrailer combinations, or truck tractors on any section of any street in the City. The prohibition hereby imposed shall not apply to the

parking or standing of such a vehicle for the purpose of making pickups or deliveries from or to any building or structure, or for the purpose of delivering materials to be used in the repair, alteration, remodeling or construction of any such building or structure.

(c) Permitted Parking.

(i) Road tractors, semi-trailers, tractor-semitrailer combinations, and truck tractors may be parked with motor and/or compressor running at no cost on the East side of Business Park Road from 825 Business Park Road (Horn Plastics) to Hwy. 23 as long as notice (including description and license number of such road tractor, semi-trailer, tractor-semitrailer combination, truck tractor or trailer separately) of said parking is given to the Police Department of Wisconsin Dells prior to parking. Overnight parking is not to exceed 72-hours during any one-week period.

(ii) Road tractors and truck tractors may be parked anywhere in the city with motor and/or compressor running for not more than 15 minutes.

(13) Parking Prohibited in Fire Lanes or Near Fire Hydrants

(a) No person shall stop or leave any motor vehicle standing in any of the following places except temporarily for the purpose of and while actively engaged in loading or unloading or in receiving or discharging passengers and while the vehicle is attended by a licensed operator so that it may promptly be moved in case of an emergency or to avoid obstruction of traffic:

(i) In any designated fire lane, whether on public property or private property.

(ii) Within 10 feet of a fire hydrant, unless a greater distance is indicated by an official traffic sign.

(b) In addition to authorized Police Department personnel, the Fire Chief and each Fire Inspector of the City shall be authorized to issue parking citations for violations of this subsection.

(c) The Fire Chief shall be authorized to grant temporary approval to obstruct a fire lane for a construction project on such terms and conditions as the Fire Chief determines is in the public health, safety and general welfare.

(14) Water Craft Trailers.

a) Definition – A Water Craft Trailer is defined as a vehicle without any mode of power that is required to be, or is capable of being pulled, towed or drawn by another vehicle and which is designed or used for carrying, hauling or transporting power boats, sailboats, waver runners, jet skis or any other type of vehicle used in or on the water.

b) The Municipal Boat Launch Lot is reserved for vehicles with water craft trailers only.

c) Vehicles with water craft trailers may park on all non-metered streets where parking is not restricted, not to exceed twenty-four (24) hours. Vehicles with water craft trailers may park on all metered streets and municipal parking lots and shall pay applicable parking fees for each stall occupied.

(15) Unattended Trailers.

- a) Definition. In this section, a “trailer” means vehicle without motive power designed for carrying property or passengers wholly on its own structure and for being drawn by a motor vehicle, but does not include a mobile home.
 - b) No trailer, whether attached or unattached to a motor vehicle, may be parked on any street for more than twenty-four (24) consecutive hours unless authorized by the Chief of Police.
- (16) Parking Restrictions during Specific Events

 - (c) Permit Parking only in the north - south alley from Indiana Avenue to Illinois Avenue east of the 1100 block of Race on days that games are scheduled.
 - d) Permit Parking only in the north – south alley from Indiana Avenue to Illinois Avenue east of the 1100 block of Vine Street on days that games are scheduled.
- (17) Overnight Parking.
 - a) Parking Lots – Overnight Parking is allowed in Municipal Parking Lots 1 – 8, but not to exceed twenty-four (24) consecutive hours, except as provided at Code Sec. 10.22(1).
 - b) Street Parking – Except as provided in code sec. 10.22(1), overnight parking is allowed on all streets without restrictions.
- (18) Unauthorized Parking.
 - (a) No person shall leave or park any motor vehicle on private property without the consent of the owner or lessee of the property.
 - (b) Owners or lessees of public or private property may permit parking by certain persons and limit, restrict or prohibit parking as to other persons if the owner or lessee posts a sign on the property indicating for whom parking is permitted, limited, restricted or prohibited. No person may leave or park any other motor vehicle on public or private property contrary to a sign posted thereon.
- (19) Use of Parking Areas for Construction Project Site Regulation.
 - (a) Administration. The Building Inspector/Zoning Administrator, or designee is responsible for the administration of the use of parking areas for construction project sites in commercially-zoned districts.
 - (b) Applications & Permits Required in commercially-zoned districts.
 - (i) The Building Inspector/Zoning Administrator may permit the use and occupancy of public parking areas by contractor’s building equipment, machinery, vehicles, containers and dumpsters (the “Equipment”). Such use and occupancy may not occur without a permit.
 - (ii) The Building Inspector/Zoning Administrator may allow for additional parking stalls to be used for vehicles for additional parking fees.
 - (iii) Applications shall include the following:
 - (1) Applicant’s contact information including address, email and

- telephone number.
 - (2) Contact information for the on-site person responsible for the project.
 - (3) Scaled drawing(s) and/or diagram(s) showing location and area of project and anticipated placement of the Equipment in the public parking area.
 - (4) Payment of applicable fees and costs.
- (c) Issuance of Permit/Conditions.
 - (i) If the Building Inspector/Zoning Administrator determines that the applicant has satisfied the requirements of this article, the Building Inspector/Zoning Administrator may issue a permit.
 - (ii) The Building Inspector/Zoning Administrator may impose reasonable conditions upon the issuance of the permit and the performance by the applicant thereunder to protect the public health, safety and welfare, to ensure structural integrity of the public parking area, to protect the property and safety of other users of the public parking area, and to minimize the disruption and inconvenience to the traveling public.
 - (1) For the purpose of this section, the judgment of a police officer, exercised in good faith, shall be deemed conclusive as to whether the area is congested and the public impeded or inconvenienced.
 - (iii) Without limitation, the following specific conditions may be required:
 - (1) Applicant/Permittee shall reimburse City for lost or decreased parking revenue.
 - (2) Usable width of street shall not be reduced to less than 18 feet.
 - (3) Applicant/Permittee shall provide and maintain sufficient barricade and warning lights around the Equipment to protect persons and property.
 - (4) The Equipment shall be located to allow an adequate vision corner from the Equipment to the nearest driveway or street intersection.
 - (iv) No person may continue use of the public parking area beyond the date or area specified in the permit unless such person requests and is granted a permit extension from the Building Inspector/Zoning Administrator.
 - (v) Permits issued under this section shall be conspicuously displayed at all times at the indicated work site and shall be available for inspection by the Building Inspector/Zoning Administrator.
- (d) Insurance & Indemnification.
 - (i) All contractors and/or utilities doing the work contemplated by this article shall file a certificate of insurance with the Building Inspector/Zoning Administrator giving evidence of insurance as follows: comprehensive general liability, contractual liability and property damage:
 - (1) Bodily injury including death (each person): \$500,000.
 - (2) Bodily injury, including death (each accident): \$1,000,000.
 - (3) Property damage (each person): \$500,000.
 - (4) Property damage (each accident): \$1,000,000.
 - (ii) The certificate of insurance must designate the City as an additional

insured and contain a ten-day notice to the City of cancellation. This certificate may be filed annually with the Building Inspector/Zoning Administrator for applicants who perform work regularly within the City.

- (iii) No liability. The City, its officers, boards, committees, commissions, elected officials, employees and agents shall not be liable for any loss or damage to any real or personal property of any person, or for any injury to or death of any person, or any other suit, claim or demand arising out of or in connection with the construction, operation, maintenance, repair or removal of the permittee's equipment or facilities or any such suit, claim or demand arising from the award of the permit or the City's authority related to such a grant.

(e) Repair & Restoration.

- (i) Work. The Permittee must restore the area of the permitted construction, including the paving and its foundations, to the same condition that existed before the commencement of the construction. The City shall inspect the area and accept the restoration when it determines that proper restoration has been made per standards of the Building Inspector/Zoning Administrator.
- (ii) Standards. The Permittee shall perform repairs and restoration according to the specifications and with the materials specified by the Building Inspector/Zoning Administrator. The Building Inspector/Zoning Administrator shall have the authority to prescribe the manner and extent of the restoration and may do so in written procedures of general application or on a site-specific basis.
- (iii) Guarantees. The Permittee shall guarantee its work and shall maintain it for 24 months following its completion. During this twenty-four-month period the Permittee shall, upon notification from the Building Inspector/Zoning Administrator, correct all restoration work to the extent necessary, using the method required by the Building Inspector/Zoning Administrator. Said work shall be completed within five calendar days of the receipt of the notice from the Building Inspector/Zoning Administrator.
- (iv) Failure to restore. If the Permittee fails to restore the public parking area in the manner and to the condition required by the Building Inspector/Zoning Administrator or fails to complete satisfactorily and timely all restoration required by the Building Inspector/Zoning Administrator, the Director of Public Works, at its option, may do such work. In that event, the Permittee shall pay to the City, within 30 days of billing, the cost of restoring the public parking area.

(f) Fees.

The Common Council shall from time to time establish by resolution fees related to this code section including required reimbursement for lost or decreased parking revenues.

- (20) Notices to be Posted. Signs giving notice of the following parking regulations shall be posted at the City limits on all state and county trunk highways and connecting highways: 24-hour parking limitations, night parking regulations and

- snow emergency regulations.
- (21) Use of Vehicle for Habitation. A motor vehicle, camping trailer, mobile home or other vehicle as defined at Wis. Stat. §340.01 may not be used as a temporary residence for sleeping purposes or as a place of habitation on any street or public parking lot.
 - (22) Parking Over Lines. No person shall park, stop or leave standing any vehicle in any parking stall or lot, whether attended or unattended, unless such vehicle shall be parked within the space designated by the marker lines painted upon the ground.
 - (23) Double Parking During Loading and Unloading. Temporary double parking in parking stalls for the purpose of loading and unloading of vehicles where public access to the rear of the building is not available shall be allowed at all times.
 - (24) Parking in Bicycle Lanes Prohibited. No person shall park, stop or leave standing any vehicle within any bicycle lane or bicycle way at any time.
 - (25) Compact Vehicles.
 - (a) Definition. In this subsection “Compact Vehicle” means a motor vehicle having no more than 109 cubic feet of cargo and passenger space and measuring less than 15.5 feet.
 - (b) Allowed. Compact Vehicles may be parked at the following locations in the City which will be identified by signage:

- (1) Class "A" Highway. Broadway Street is hereby designated as a Class "A" Highway, subject to the weight limitations imposed by ss 348.15, Wis. Stats.
- (2) Class "B" Highways Designated. All streets and alleys within the City of Wisconsin Dells, excepting only Broadway Street, are hereby designated Class "B" Highway, subject to the weight limitations imposed by ss 348.16, Wis. Stats., provided however, that vehicles having a weight in excess of that specified by ss 348.16, Wis. Stats., shall be permitted to travel upon the said streets and alleys for the sole purpose of moving or delivering supplies or commodities to or from places of business or residences located adjacent to the said streets, provided that in no event shall the weight of the said vehicles or loads exceed the limitations imposed for Class "A" Highways as set forth in ss 348.15, Wis. Stats.
- (3) Authority to Impose Special or Seasonal Weight Limitations. The officer in charge of maintenance of highways, streets and alleys in the City of Wisconsin Dells may:
 - (a) Impose special weight limitations on any such highway, street or ally or portion thereof, which, because of weakness of the roadbed due to deterioration or climatic conditions or other special or temporary conditions, would likely be seriously damaged or destroyed in the absence of such special limitations.
 - (b) Impose special weight limitations on bridges or culverts when in his judgment such bridge or culvert cannot safely withstand the maximum weights

permitted by the Wisconsin Statutes or by this ordinance.

(c) Imposition of the said special weight limitations shall be done by erecting signs on or along the highway, street or alley on which it is desired to impose the limitations sufficient to give reasonable notice of the special weight limitations in effect and the nature of that limitation. Imposition of the special weight limitations authorized by subsection (b) shall be done by erecting similar signs within 100 feet before each end of the bridge or culvert to which the weight limitation applies.

10.26 ERECTION OF OFFICIAL TRAFFIC SIGNS AND SIGNALS.

- (1) The Chief of Police of the City of Wisconsin Dells is hereby authorized and directed to procure, erect and maintain appropriate standard traffic signs, signals and markings conforming to the rules of the State Highway Commission giving notice of the provisions of this ordinance wherever required by the Statutes of the State of Wisconsin to enable enforcement of this ordinance. Signs shall be erected in such locations and manner as authorized by the governing body as to give adequate warning to users of the street, alley or highway in question.

10.28 DYNAMIC BRAKING DEVICES PROHIBITED

- (1) Definition. A “dynamic braking device” (commonly referred to as Jacobs brake, engine brake or compression brake) means a device primarily on trucks for conversion of engine from an internal combustion engine to an air compressor for the purpose of braking without the use of wheel brakes.
- (2) Use Prohibited. It is unlawful for any person to operate any motor vehicle with a dynamic braking device engaged, except for the aversion of imminent danger, within the City limits.
- (3) Penalty. Any person who violates this code section shall pay of forfeiture pay of not less than \$100.00 and not more than \$250.00, together with the cost of prosecution. If a person shall fail to pay the forfeiture and costs when due, the person may be imprisoned in the county jail until payment is made, but not exceeding 30 days.

10.29 GOLF CART CROSSING (Adopts Chap. 349)

10.30 RIDING IN CARGO AREAS

- (1) The Chief of Police is authorized to prohibit during periods of high traffic volume and activity associated with special events and festivals, the operation of a motor vehicle upon a street or highway with any persons riding in the cargo area.
- (2) The Chief of Police shall notify the Mayor and Common Council in writing, at

least 21 days in advance of the exercise of this authority. The Mayor and Common Council may approve or reject this notification.

- (3) The Chief shall post and erect such signs and notices as needed to provide reasonable warning of this temporary restriction.
- (4) No person shall be issued a citation for an offense until they have first been issued a warning.
- (5) The penalty shall be \$503.

10.40 ALL-TERRAIN/UTILITY TERRAIN VEHICLES USE & OPERATION

- (1) State Laws Adopted. The statutory provisions of Wis. Stat. Sec. 23.33 and Wis. Stat. Chaps. 340 to 348 establishing definitions and regulations with respect to ATVs and UTVs and Wis. Admin Code Chap. NR 64 are adopted by reference. Unless otherwise specifically provided here, any act required to be performed or prohibited by any statute or administrative code provision incorporated herein is required or prohibited by this ordinance. Any future amendments, revisions or modifications of the Wisconsin Statutes or Wisconsin Administrative Code incorporated herein are made a part of this ordinance in order to provide uniform statewide regulation of ATVs and UTVs.

- (2) Designation of ATV and UTV Routes.

(a) No person shall operate an ATV or UTV on any City street, alley, park or parking lot, on any public lands or parking lots held open to the public, or on any land within the City except as provided below.

(b) All streets in the City are designated ATV/UTV routes except the following: none.

(c) Pursuant to Wis. Stat. Sec. 23.33(11)(am)(4), ATVs/UTVs are authorized to operate on the following highways where the speed limits are 35 MPH or less:

- 1. STH 13 between Wisconsin Dells Parkway and Trout Road/CR H.
- 2. USH 12/STH 23 (Wisconsin Dells Parkway) between City limit and Broadway.
- 3. USH 12/STH 23/USH 16 (Broadway) between Wisconsin Dells Parkway and STH 13/USH 16.
- 4. STH 13/STH 23/USH 16 (Broadway) between Wisconsin Dells Parkway and STH 13/USH 16.

(d) ATV's/UTV's may not be operated on the following highways until designated by the Wisconsin Department of Transportation. Such designation shall be acknowledged by a Common Council Resolution and the ATV/UTV speed limit on such highways shall be 35 mph:

- 1. USH 12/USH 16 (Wisconsin Dells Parkway) North of Broadway.
- 2. STH 13 North of Broadway.
- 3. USH 16 South of Broadway.
- 4. STH 23 East of STH 13/USH 16/STH 23 intersection.

(e) The City reserves the right to close or modify ATV and UTV routes at any time.

- (f) All ATV and UTV routes shall be signed in accordance with Wis. Admin. Code Sec. NR 64.12. The City shall maintain all route signs within the City, including without limitation, on federal, state and county trunk highways within the City.
- (3) Conditions and Restrictions on Operation. In addition to the provisions contained in Wis. Stat. Sec. 23.33 and Wis. Stat. Chaps. 340 to 348, and as a condition for the use of ATV and UTV routes designated and authorized herein, the following conditions and restrictions shall apply to all ATV and UTV operators and passengers, as applicable:
- (a) All ATV and UTV units shall be registered for public use in accordance with Wisconsin Department of Natural Resources ("DNR") regulations, and proof of registration shall be displayed as required by statute during all times of operation.
- (b) All ATV and UTV operators shall observe all applicable rules of the road governing motorized vehicles operating on municipal streets in accordance with Wis. Stat. Sec. 23.33 and Wis. Stat. Chap. 346.
- (c) ATV/UTVs may be operated in the City between 5:00am and 10:00pm; and, as permitted in Wis. Stat. sec. 22.33(4)(f), or as authorized in writing by the Mayor or Chief of Police on a temporary basis.
- (d) No ATV or UTV shall be operated at a speed greater than the posted speed limit, except that no ATV or UTV shall be operated at a speed greater than 35mph.
- (e) All ATV and UTV operators are subject to and shall abide by applicable provisions of the Wisconsin Statutes and DNR regulations pertaining to age, safety and safety certificate requirements.
- (f) No person shall operate an ATV or UTV on any trail or route without fully functional headlights, taillights and brake lights. All operators shall display a lighted headlight and taillight at all times while on the trail or route.
- (g) No person shall operate an ATV or UTV on any trail or route where the vehicle does not meet state or municipal noise and exhaust restriction requirements.
- (h) No person shall operate an ATV or UTV within any municipal park or on any sidewalk, designated bicycle or pedestrian lane, gravel shoulder, ditch or other area of any street right-of-way other than on the paved roadway, unless specifically designated and posted otherwise by the City.
- (i) No person shall leave or allow any ATV or UTV owned or operated by that person to remain unattended on any public highway or public property while the motor is running or with the starting key left in the ignition.
- (j) ATV and UTV operators or passengers under the age of 18 years of age shall wear protective headgear of the type required under Wis. Stat. Sec. 347.485(1)(a).
- (k) No ATV or UTV operator or passenger shall be in possession of an open intoxicant while the ATV or UTV is in operation. No person shall operate an ATV or UTV while under the influence of an intoxicant, a restricted controlled substance, a controlled substance analog, or any combination of these elements, to a degree which renders the person incapable of safely operating

the ATV or UTV.

(l) ATV's/UTV's may be operated on streets and public ways within City parks and within City parking lots.

(m) ATV/UTV's shall be subject to all City parking regulations and restrictions.

(4) Licensing, insurance and registration.

(a) Driver's license. Every person who operates an ATV/UTV on a segment of City road which is designated as an ATV/UTV route shall have in his or her immediate possession a valid motor vehicle operator's license and shall display the license document upon demand from any law enforcement officer or official described in Wis. Stat. Sec. 23.33(12).

(b) Insurance. Every person who operates an ATV/UTV on a segment of a City road which is designated as an ATV/UTV route, and/or every ATV/UTV operated on a segment of City road which is designated as an ATV/UTV route, shall carry liability, and/or other insurances consistent with Wisconsin state law for the operation of a motorized vehicle.

(5) Disturbing the peace, and nuisance activities.

(a) Cruising prohibited. No person shall, while operating an ATV or UTV, engage in the practice of cruising on any authorized road. Cruising is defined as running all or part of the length of a roadway multiple times, per day, back and forth, for any purpose other than departing or arriving at their residence, or place of lodging, or departing or arriving, at a public boat landing.

(b) Exhaust system/muffler modifications prohibited. No person shall operate on a City route any ATV/UTV unless such ATV/UTV is equipped with an adequate muffler in constant operation and properly maintained to prevent any excessive or unusual noise or annoying smoke.

(c) Radios or the electronic sound amplification devices. No person may operate or park, stop or leaving standing an ATV/UTV vehicle while using a radio or other electronic sound amplification device emitting sound from the vehicle that is audible under normal conditions from 75 feet or more, unless the electronic sound amplification device is being used to request assistance to warn against an unsafe condition.

(6) Enforcement. The penalty for any violation identified in Wis. Stat. Sec. 23.33(13) or Wis. Stat. Chaps. 340 through 347 shall be as provided in the Statutes. Deposit amounts for such violations shall be as set forth in the current Revised Uniform State Traffic Deposit Schedule. The penalty for any violation of this ordinance not addressed in Wis. Stat. Sec. 23.33(13) or Wis. Stat. Chaps. 340 through 347 shall be a forfeiture as set forth in the Wisconsin Dells Municipal Code, together with all applicable costs, surcharges and assessments.

10.41 GOLF CARTS

- (1) Definition. In this section, 'golf cart' means a motorized vehicle with four wheels, which cannot exceed the speed of 25 miles per hour, generally designed for operation and use on golf courses and designed or modified to carry up to four (4) persons.

- (2) Operation of Golf Cars Allowed; Exceptions.
 - a) Allowed. The operation of golf carts on public streets in the City is permitted provided the golf cart is registered and operated consistent with this code section.
 - b) Exceptions. This code section does not apply in the following instances:
 - i) The operation of golf carts at golf courses, private clubs or on private property, with the consent of the owner.
 - ii) The operation of a golf cart during a parade, a festival or other special event, with the consent of the sponsor.
- (3) Licensing & Registration.
 - a) No golf cart may be operated on City streets, unless a permit issued by the City Clerk has been issued to the owner of the golf cart. The permit received from the City must be displayed on the golf cart in a prominent location at all times of operation so as to be clearly visible. The permit shall be valid for each calendar year from April 1st to November 1st and shall be renewed Biennial. The initial annual fee for the permit shall be \$50.00 Dollars to cover annual inspection and administrative costs; and, the annual fee may be revised by changes to the City's Schedule of Fees.
 - b) Prior to the issuance or renewal of a City golf cart permit, the golf cart shall be inspected by the Wisconsin Dells Police Department to determine if the subject golf cart complies with the requirements set forth in this code section.
- (4) Insurance. As part of the annual permit process, the owner of the golf cart shall provide proof of liability insurance in the amount of One Hundred Thousand Dollars (\$100,000.00) per incident. The proof of insurance must be with the golf cart whenever the golf cart is in operation on City streets. Proof of renewed liability insurance must be provided annually at time of permit renewal.
- (5) Required Equipment. All golf carts operating on City streets shall be equipped with the following:
 - a) Brakes that are in good working condition.
 - b) WisDOT approved slow moving vehicle (SMV) sign located on the rear of golf cart.
 - c) Front and rear reflectors.
 - d) Audible warning device.
 - e) Rear view mirror.
 - f) Two (2) operating headlights and tail lights visible from a distance of 500 feet per code sec. (6)(b).
- (6) Operating Regulations. The following regulations apply to the operation of a golf cart within the City:
 - a) Golf carts are prohibited from operating on City streets from November 1st through March 31st.

- b) Hours of operation:
 - i) Without headlights/tail lights – between sunrise and sundown.
 - ii) With headlights/tail lights – between 5:00 a.m. and 10:00 p.m.
 - c) The operator and or occupants of golf carts shall comply with all state and local traffic law, rules and regulations including, without limitation, alcohol beverage and illegal drugs restrictions.
 - d) Golf carts shall adhere to all traffic flow patterns and must operate on the right side of the roadway and may only be operated on City streets where the posted speed limit is twenty-five (25) miles per hour or less.
 - e) Golf carts may be operated by persons who are at least sixteen (16) years of age and possess a valid driver's license.
 - f) Golf carts may not be used as a taxicab or bus or for the commercial carrying of passengers or the hauling of freight.
 - g) Golf carts may not be used for the purpose of towing another cart, trailer or vehicle of any kind including a person on roller skates, skateboard or bicycle.
 - h) Golf carts shall yield the right-of-way to pedestrians, bicyclists and other motor vehicles.
- (7) Operation Location. Golf carts may be operated only on streets in Columbia County located West of STH 16. Broadway Road may be crossed only at established stop light intersections.

10.42 LOW SPEED VEHICLES (LSV)

- (1) Definition. A low speed vehicle (LSV) must meet the National Highway Traffic Safety Administration's (NHTSA) Federal Motor Vehicle Safety Standards and must have a certification label stating that the vehicle meets those standards. A golf cart is not considered a LSV.
- (2) LSV Standards. To be eligible for use of the streets of the City, a LSV shall have or be:
 - a) Four-wheeled and shall have a speed range potential of at least 20 miles per hour but not more than 25 miles per hour on a paved surface and a gross vehicle weight at rest of less than 3,000 pounds.
 - b) Headlights, front and rear turn signals and stop lamps.
 - c) Red reflectors on each side as far to the rear as practicable and one such reflector on the rear.
 - d) An exterior mirror mounted on the driver's side and either an exterior mirror on the passenger's side or an interior rearview mirror.
 - e) A parking brake.
 - f) A windshield which conforms to the requirements of the Federal Motor Vehicle Safety Standard on glazing materials. (49 CFR 571.205).
 - g) A vehicle identification number (VIN) which complies with the Federal Code (949 CFR 565).
 - h) A Type 1 or Type 2 seatbelt assembly conforming to 49 CFR 571.209 and Federal Motor Safety Standard No. 209 for each designated seating position.

- i) Meet the general test conditions under 49 CFR 571.50056.
 - j) Be self-propelled by gas or electric power.
 - k) For operation on public roads, a LSV must be titled and registered through the DMV.
- (3) Operation.
- a) Low speed vehicles may be operated only upon those streets having a posted speed limit of 35 miles per hour or less.
 - b) The operator of a low speed vehicle shall be in possession of a valid driver's license at the time of its operation on City streets.
 - c) LSV's may never travel on or across expressways, freeways, interstate highways or other controlled-access highways.
 - d) The operation of a LSV shall comply in all respects with all ordinances of the City, together with applicable State laws.
 - e) Operators of LSV's must have a motor vehicle liability policy in effect that covers the LSV and meets minimum required coverage. The LSV operator must display proof of insurance coverage upon demand from any traffic officer.

10.43 REMOVAL OR IMMOBILIZATION OF VEHICLES

- (1) Definitions:
- a) "Immobilization Device" means a device or mechanism which immobilized a motor vehicle, making the motor vehicle inoperable.
 - b) "Nonmoving Traffic Violation" has the meaning given in Wis. Stat. §345.28(1)(c).
 - c) "Owner" has the meaning given in Wis. Stat. §341.65(1).
 - d) "Parking Enforcer" means a parking enforcement officer, police officer or any other person who enforces nonmoving traffic violations and is employed by the City.
- (2) Authority: to Remove Vehicles.
- Whenever a Parking Enforcer finds a vehicle legally or illegally parked upon any street, highway or publicly owned or leased parking facility within the City and the vehicle has at least five nonmoving traffic violations issued by the City which occurred more than 60 days previously and for which the owner has neither paid the forfeiture for each citation nor scheduled an appearance in court in response to each of the citations, the Parking Enforcer is authorized to immobilize the vehicle with an immobilization device or remove the vehicle to a suitable place of impoundment, including but not limited to private or public parking or storage premises, provided notice requirements pursuant to section (3)(a) have been met. The removal may be performed by or under the direction of the Parking Enforcer or a towing contractor under contract with the City.
- (3) Notice to Owner.
- a) Notice shall be given to the owner and all known lien holders of the vehicle of the existence of the unpaid tickets and the fact that the vehicle may be removed and impounded or immobilized in the future if the owner has neither paid the forfeiture for each violation that occurred

more than 60 days previously nor scheduled an appearance in court in response to each citation issued more than 60 days previously for which the forfeiture has not been paid. Said notice shall be sent via first class mail to the last known address of the owner and all known lien holders. The notice shall specify the date on which each citation counted in sub. (2) was issued, the license number or vehicle identification number of the vehicle involved. The place where the citations may be paid, the amount of the forfeitures, and the means by which the citations may be contested. Notice is effective upon mailing. Towing may not be commenced until after 24 hours from the date notice was sent.

- b) If the vehicle is removed and impounded, as soon as practicable and no later than one business day after removal of the vehicle, a notice shall be mailed to the vehicle owner and all known lien holders informing the owner of the vehicle's location, the procedure for reclaiming the vehicle and the availability of review before the Chief of Police or designee. The Parking Enforcer causing the vehicle to be towed shall relay the information to police dispatch so vehicle owners may obtain the information over the phone the same day their vehicle is towed. For purposes of this subsection, "business day" means the calendar days Monday through Friday, excluding holidays when Police Department administrative support staff are not required to work.
- c) If the vehicle is immobilized with an immobilization device, the parking enforcer shall place in a highly visible location and in a reasonably secure manner on the vehicle, at the time of immobilization, a written notice that warns the driver that the device has been placed on the vehicle; specifies for each citation counted under sub. (2), the license plate number or vehicle identification number of the vehicle involved, the place where the citation may be paid, and the means by which the citation may be contested, or provides a telephone number at which an individual is available to provide this information 24 hours a day; and states the amount of the removal fee under sub. (5), if any, that is in addition to any amount required to be paid as specified in the notice under sub. (3)(a).

(4) Review.

In the event the owner or lien holder of a vehicle which was removed pursuant to sub. (2) seeks a review of such removal, the owner or lien holder shall notify the Chief of Police or designee of such request within 10 days of the vehicle's removal. A review shall be conducted within 10 days of the owner's request. The Chief of Police or designee shall determine:

- a) Whether the defendant actually had at least five prior unpaid parking tickets issued by the Police Department which were unpaid for more than 60 days and for which an appearance in court was not scheduled at the time the vehicle was removed; and
- b) Whether the defendant had been provided more than twenty-four hours' notice as set forth in sub. (3)(a), regarding the outstanding unpaid tickets prior to the removal of the vehicle.

(5) Charges for Removal and Storage or Immobilization.

Any person redeeming a vehicle impounded under this section shall pay the towing contractor for the costs of impoundment, including the costs of removal, towing and storage. An additional charge shall be imposed for the actual costs, including costs of labor incurred in the treatment, disposal, removal or abatement of any substance, chemical or other material contained within or upon a vehicle when such action is necessary to return the vehicle to a reasonably safe and sanitary condition. Said charges shall be paid to the towing contractor prior to the release of the vehicle. If the Parking Enforcer elects to immobilize vehicles with an immobilization device, it shall establish a reasonable fee to remove an immobilization device placed on a vehicle and the amount of the fee shall be kept on file at the Department and made available to the public upon request.

(6) Release of Vehicle.

The owner of a motor vehicle that is removed and impounded or immobilized under sub. (2) may secure release of the motor vehicle upon presentation of proper identification and by doing all of the following:

- a) Paying all applicable charges set forth in sub. (5).
- b) Paying all forfeitures specified in each notice issued under sub. (3) or scheduling an appearance in court in response to all citations issued under sub. (2), or a combination of paying forfeitures and scheduling appearances with respect to all citations counted under sub. (2).
- c) Registering the motor vehicle under Wis. Stat. §341 if it is not already registered unless it is exempt from registration under Wis. Stat. §341.05.

(7) Adjustments.

Whenever the Chief of Police, designee or a court of competent jurisdiction expressly finds that one or more of the requirements in sub.(4) were not met at the time the vehicle was towed, the Parking Enforcer shall authorize release of the vehicle without payment of charges for removal and storage and shall refund any charges for removal and storage of such vehicle which had been previously paid.

(8) Unclaimed Vehicles.

In the event a vehicle is removed pursuant to sub. (2) and is not claimed within thirty (30) days, the vehicle shall be disposed of pursuant to Wis. Stat. §349.139.

(9) Towing Contract.

The Chief of Police or designee may enter into contracts for and on behalf of the City for the removal and storage or immobilization of vehicles pursuant to sub. (2). Any such contract shall provide that the company have adequate equipment facilities and have personnel available twenty-four hours a day, and that such company furnish the City with an indemnification agreement supported by a performance bond and indemnity bond, and in lieu thereof, a certificate of insurance to hold the City harmless from any claims for damage or theft of the vehicles and personal property therein contained when the same are towed away or immobilized with an immobilization device.
