Construction site parking fee is $30 per site in addition to individual parking fees of $10 per stall per day. Use the table below to calculate your fee.

DESCRIPTION	COST / QTY
Number of Stalls needed (A)	
Number of Days needed (B)	
Base Site Fee (C)	$ 30.00
Stall Fee Total (D) = (**A** x **B** x **10**)	
Total Payment Due (E) = (**C** + **D**)	

Please submit the Total Payment due along with this completed application. *

On the next page or on a separate page please include a scaled drawing(s) or diagram(s) showing the location and area of project anticipated placement of the equipment in the public parking area in the designated drawing box on the next page. If using the next page use the (*Insert or Format Tabs and design using shapes / lines / arrow tools to draft*).
