

Dear New Glarus Town Board and Town Clerk,

After careful consideration, I am writing to formally resign from my position as the New Glarus Town Chair, effective September 9th, 2026.

This is not a decision I make lightly. I have always taken my responsibility to serve this community seriously, and I am proud of the work I have been able to accomplish during my time in this role. However, given the current circumstances, it has become increasingly difficult to continue serving effectively in this position and serving our community in the way I believe it deserves.

After much thought, I have come to believe that stepping away from this position is the right decision, not because I no longer care about this community, but because I believe I can continue to contribute and serve our community more effectively in other ways.

I remain deeply committed to this community and to seeing it continue to thrive. While I am stepping away from this particular role, I do not view this as stepping away from my commitment to the people and community I have worked so hard to serve.

I am grateful for the opportunity to serve our community and for the work accomplished during my time in this role. I sincerely hope that this work will continue to benefit our community for many years to come. Thank you for the trust placed in me and for the opportunity to serve.

With gratitude,

Chris Narveson
