2. New Business

i. Bradner Bash

Mayor Aiello explained that Ms. Yanetsko has advised that she doesn't want to try to hold the Bash without the core group of volunteers. There was discussion regarding trying to find another date or cancel the Bash this year and see if the Chamber could take it over next year.

Ms. Kerper explained that she communicated with Mr. O'Connell per the Board's request, and he advised that he is not interested in partnering in the event and Mr. Jester has a conflict on the date proposed and will not be able to stay late as he normally does to pay the band and help wrap up the event.

There was continued discussion regarding availability by those present and possibilities of different dates and times for the Bash. It was ultimately decided to cancel the Bash this year and try to have the Chamber get the proper approval so that it may take it over next year and in the future.

Ms. Taggerty noted for the record she would like for the Diesel Football team to be involved and get part of the proceeds from the event as the team has been instrumental in volunteering and making the Bash a success.
