THE BARTLETT HOUSE & OLEAN POINT MUSEUM

302 Laurens Street • Olean, New York

Olean was founded in 1804 and has a long, exciting history. The story of Olean is beautifully presented at the Bartlett House and Olean Point Museum. Hear about the people who saw Olean's potential and settled along the river. Learn about the folklore, the businesses, the politicians, and the veterans. See the craftsmanship of the Queen Anne style home built in 1881 when Olean was the center of the oil industry.

The staff at the Bartlett Center has supplied numerous local organizations with materials to enhance their displays and activities.
