

Structure Fire Response on West State Street

City of Olean Fire Department responded to a reported structure fire with possible entrapment at approximately 9:38 a.m. at 2003 West State Street.

Fire crews arrived on scene within four minutes of dispatch and immediately initiated fire attack operations while simultaneously conducting a primary search of the residence for any occupants. Fire personnel successfully extinguished the fire and completed search operations within three minutes of arrival.

All residents were accounted for at the scene. Occupants were evaluated by emergency personnel and transported to Olean General Hospital by Trans Am Ambulance for treatment.

The incident remains under investigation. City of Olean Fire Department would like to thank TransAm Ambulance, Love Thy Neighbor, District 4 Coordinator, Portville, Allegany, Weston Mills for their support during this incident.
