.....

Are you interested in becoming involved in Town government? If so, the Town Board is looking for 2-3 individuals that are interested in serving on the Planning commission for the Town. This is an appointed position and the term is for 3 years. You will need to become familiar with the Town's comprehensive plan as well as the Town's zoning ordinances. Please contact one of the board members for more information as well as any interest in serving, by June 21st, 2021.

.....

As a reminder all dog licenses should be purchased through the Town treasurer. Please contact Jeanne at the above number for any dogs you own that are not licensed at this time.

Become a Town of Humboldt first responder!

Contact information for Chris Gabryszek is listed below. County Rescue provides all the training and equipment to you to become a first responder. 920-469-9779 or email at cgabryszek@countyrescue.com

As a reminder: we will begin cutting the ditches again soon, usually July. Please take a stretch of your road to “Adopt a Town Road” and help out the operators of the mowers. It helps with the maintenance and prevents breakdowns from debris in the grass. Thank you all for the assistance.

If anyone would like to receive this newsletter by email, please contact Judy Baierl at baierl05@centurytel.net (that is an ell, not a one, in my email)
