The Town Board once again reminds EVERYONE that you are not to push snow and other debris across any road, nor leave snow and debris on the road itself. This presents a hazard for our men and plows clearing the roads and you can be issued a citation, either from the Town or the County,

depending on what road you live on. PLEASE keep the snow that you are clearing from your driveways and yards off of the shoulders of the roads. Any questions, contact one of the board members.
