The Town Supervisors are asking for residents help in cleaning the Town roads ditches. Please think about "adopting a town road" when you are out walking or biking this summer. If there are large pieces of garbage like appliances or tires someone dumped, pull them to the roadside and let the board know. We will pick them up. If you have bags of garbage collected, same thing. We will pick them up. This prevents damage to the Town's mower and tractor and is greatly appreciated.
