Reminder regarding snow plowing and removal

Please remember-do NOT push snow across the road making piles on the shoulder of the roads when plowing out your driveways. This is a hazard to both drivers and the local and county road workers when they plow the roadways.

Thank you to all for donating and making use of the Humboldt Free Library. It is off to a great start and has seen much use so far. Remember to take a book/leave a book.

+++++

RECYCLING/DROPOFF CENTER The Town of Humboldt recycling and garbage drop off center is for the use of town residents ONLY! You can not and should not be bringing in your family's (that do not reside in the Town) garbage, recyclables etc. Please be conscious of the extra cost this brings to the Town and ultimately to ALL the residents when this occurs.

+++++

General Election Date is November 4, 2014 Anyone needing an absentee ballot please send an application for a ballot to the Town clerk. The last day to vote in person, by absentee ballot is October 31. You can start requesting absentee ballots anytime and they will be sent out about 3 weeks prior to the election. Please return these ballots to the clerk as soon as possible.
