

Consider becoming a lift station operator

If you have some mechanical ability and want to help keep our sanitary system in good working order, consider becoming a lift station operator. The work is part time with flexible hours, requires some training and the ability to get In and out of the lift stations. For more information contact Jim Latta or any of the three commissioners for more information. You're always welcome to attend our meetings which are usually held the second Wednesday of the month at 6:30 p.m. at the Town Hall. You can obtain a job description via email from Ron Harrell. **ronharrell46@gmail.com**
