Notice of Ordinance Adoption
Amend Sewer Codes

On Sept. 3, 2025, at a regular meeting of the Winnebago Area Sanitary District, the commission adopted

(A) Sanitary Sewers

- (1) The property owner is responsible for maintaining, repairing and replacing the sanitary sewer lateral pipe from the internal building plumbing to the sewer main in the street (or easement) including the connection to the sewer main. Property owners are solely responsible for all associated costs.

A copy of the entire ordinance can be mailed by contacting WASD Secretary at (740) 683-2295 or email office.wasd@gmail.com. The ordinance in its entirety may be viewed and/or printed from the town's website at townofoshkosh.com .
