Spencer Pickleball Area Recreational Courts Phase II Dedication

By **Terry Prust**

On Monday Oct. 13th at 1:00 PM SPARC, the Spencer Pickleball Area Recreation Club was honored to recognize those who played a part in the near completion of Phase II of their project. The event started with a quick review of its start. In mid Aug. of 2022, 6 couples met to discuss the possibility of outdoor courts. By the end of Oct., site selection was completed with the Village along with design/layout plans and grades. Through the donations of material, labor and equipment, the site was stripped and the base course for the asphalt was completed by Nov. 15th 2022. The paving of the courts took place mid-May to mid-June of 2023. SPARC painted temporary white lines and set up the nets; the courts were playable by July 1st. A Grand Opening /Ribbon cutting for Phase I was held on July 14, 2023!

This now brings us to present day Oct 13th at the Phase II Dedication where members of the club were able to personally thank the three Grant contributors, the Community Foundation of North Central Wis., the Marshfield Area Community Foundation Inc. and the Adler Clark Electric Community Commitment Foundation. Along with the area businesses and public supporters: R&R Flooring, Burnett Transit, Partners Bank, Kent Below, Bill & Linda Bauer, Ron & Marcia Draeger, Allen & Gail Jicinsky and Jim & Colleen Bauer.

The contributions of these organizations, businesses and individuals helped cover two major expenses of Phase II--the athletic sealcoating and fencing. Also part of Phase II were benches, a bike rack, a practice wall and a dugout/storage building. These items were funded by the following SPARC fund raisers: Legacy Campaign, Garage Sale, Bake sale, and Brat Frys, many of which had matching fund donations from various club members.

As you visit the courts, you find a set of practice paddles and balls available to the public. These are maintained and sponsored by SPARC. Many individuals have enjoyed this feature over the past summer.

During our scheduled club play, the club has extra paddles for anyone wanting to give Pickleball a try.

At the beginning I mentioned nearly completed Phase II. SPARC is in the process of refurbishing and installing the fencing around the outside of the courts.

MARK YOUR CALENDAR!

Monday, December 1 starting at 6 pm.

Santa is coming to town and will help us light the tree. More surprises to come.

Sponsored by 

Wow, October flew by so fast! It was such a nice month—warm some days, rainy and super cold on others. But the good thing about it getting chilly is that we've been spending even more time together inside the center, doing fun, indoor activities with our kids.

October also marked the start of our SHIP (Spencer Homework Improvement Program), which kicked off the second Monday of the month, and it's

been going amazing so far! I've been coordinating the program and absolutely love helping our kids feel more confident in school. It's such a joy to see them excited to learn and be proud of themselves when they finish something they thought was hard.

We also hosted our Fall Bingo and it went great—so many families came and we had a wonderful time! As I'm writing this, we're getting ready for Trunk or Treat on October 31st and I'm crossing my fingers for nice, sunny weather so we can have a fun, festive evening for the whole community.

Looking ahead, Novem-

Spencer Library news....

November Events:

Ready, Set, Game!: Come hang out at MCPL-Spencer every Saturday in November & December to play a variety of card and board games! Bring your friends, family, or come solo and play with others in the community. We've got a great selection of games ready to play—but you're also welcome to bring your favorites and show others how it's done.

LEGO® Block Party: November 6th from 12:30-2:30pm. Get creative with LEGO® and other blocks at the library! What worlds can you create with some simple blocks? This free event is open to children up to age 12 and their families.

Fall Corn Craft: November 7th from 11:00am-12:00pm. Get crafty this fall at MCPL-Spencer and join us as we make a festive fall craft! Staff will show you how to make your own adorable mini corns using colorful pipe cleaners and pony beads—perfect for fall decorating and fun for the whole family.

Fiber Artists Meetup: November 7th from 1:00-3:00pm. Bring your current project—whether you knit, crochet, embroider, or do other fiber arts, all are welcome! Swap ideas, learn new skills, or simply enjoy some social time.

Cribbage: November 11th from 1:30-3:00pm. The library will provide the cards and boards but feel free to bring your own.

Book Club: On November 17th from 1:00-2:00pm the Spencer book club, "As the Page Turns," will be discussing *The Music of Bees* by Eileen Garvin.

Family Story Time: November 18th from 10:30-11:00am children age 5 and younger, and their caregivers, are invited to join us for family story times on the third Tuesday of each month at MCPL-Spencer! We will share books with the group, sing a song or two (or three!) and more during this half-hour event.

Closings: The Spencer Library will be closing at 5:00pm on November 26th and closed all day November 27th and 28th.

Spencer Library Hours: Monday and Wednesday from 1-7pm. Tuesday, Thursday and Friday from 10-4pm. Saturday from 10-2pm.

SAVE THE DATE

SIP 'N SHOP

ANNUAL SHOP LOCAL VENDOR EVENT

Saturday, November 29th | 9:00 AM - 3:00 PM

Spencer Kids Group

117 E Clark St, Spencer WI

We are looking for vendors and crafters!

Vendor booth fees benefit **Spencer Kids Group** which provides a safe, supervised and fun place for kids to learn, grow and participate in enriching activities.

Proceeds from this event help fund the food service program directly!

ber is going to be another eventful month at SKG! November 29th is our Sip 'N Shop Vendor Event! This year we're partnering with Empty Nest Winery, so people can enjoy some delicious wine while shopping for the Holidays. We'll have a lot of amazing vendors and one of our vendors will be offering permanent jewelry! So, grab your friends, family, or partner and get matching bracelets, anklets or rings!

And the fun doesn't stop there, right the next day, November 30th, we'll have a Supper with Santa! Bring your kids to take a picture with Santa and get a goodie bag provided by the Spencer Area Chamber of Commerce. We'll have a yummy hot dog supper, crafts with the Girl Scouts, and wagon rides with Christmas music. Just thinking about it makes me so excited. It's truly one of the sweetest ways to kick off the Holiday season.

Oh, and before I forget, SKG is doing a Little Caesars fundraiser! If you tried their pizza or breadsticks before, you already know how delicious they are. You can order from any SKG family, stop by the center, or even purchase online at <https://fundraising.littlecaesars.com/buyer>.

There's a lot happening at SKG and we're so thankful for the continued support from our community. Stay warm and remember, there's always something to be thankful for!.....Thank you! Diana Ventsel, SKG Youth Center Program Director.

BUSINESS

at the TACK

Thank you all for a wonderful October. The Everly Set was well received and we were thrilled to have Sean and Jack here again. Mister C was here again entertaining the Arts Adventure kiddos and he did an amazing job keeping the attention of over 700 children. Thanks Deborah & Dennis Janz, Land O'Lakes, Nelson Jameson and the Ron Maurer fund for the help with this years' outreach shows. The Commotion CCR Tribute was excellent as well. Thanks again to John & Diane Beyerl, Mike & Pat Hammeke, Ray & Connie Mullins, R&R Flooring, Duane & Anne Teska, Dr. Bruce & Catherine Wineman, Joe & Kathy Burnett, Citizens State Bank of Loyal, Sarah Graves & Patrick Kraus, Partners Bank, Donna M. Rozar, Ron & Robin Safford for making the October shows possible!

October was tributes, November is best summarized as shows that will make you say, "WOW!"

Wednesday, November 5 at 7pm we will be hosting Sweden's Queen of Swing **Gunhild Carling**. Gunhild is a master musician playing a dozen instruments or more, a brilliant singer, dancer, juggler and all around performer! Gunhild will do familiar pop tunes, classic jazz standards and originals that will astound you. Gunhild will bring a jazz ensemble with her and perform on her primary instruments trumpet and trombone. She often alternates between singing and playing and in some cases continues to change instruments every time she does. Some of you may be saying, 'where have I seen Gunhild before?' The answer is likely online with the project Postmodern Jukebox. Gunhild is a regular on the program which features jazz and swing artists who take popular tunes and arrange them in a swing style. Gunhild has amassed a large following online and continues to be a hit everywhere she goes.

As a musician myself Gunhild is the type of artist that impresses artists. For example, I recently attended the Midwest Arts Xpo in Milwaukee this September. The conference hosts hundreds of Directors and board members of performing arts venues from around the country, alongside hundreds of agents (representing thousands of acts), and hundreds of performers who showcase their talents for the venues and agents. Rarely are so many arts lovers in the same building. The artists then have 15 minutes to show all of these over-stimulated ad-fatigued performing arts directors why your act is better than the thousands of others they've been pestered about. Not to mention there are 8 other acts performing at the same time and often the directors need to pop-in and out to many within a 15 minute time frame. I myself have left a showcase in the first 10 seconds. If you know, you know. Gunhild began her showcase and the place filled with people. Not only did she hold their attention, she had them roaring with applause and at the end she received a standing ovation! We're a tough audience to please as we've seen it all. Yet, truly no one has ever seen a talent like Gunhild. As our board vice-president said 'you have to see it to believe it.' You will not want to miss your chance to see Gunhild, it's not every day we get an artist like this in Spencer, WI. Take a chance on her and I promise you will not be disappointed.

Following Gunhild is a tough act but we know some fuzzy performers who would like to give it a try. Come see our Sunday matinee show featuring **Mutts Gone Nuts: Unleashed**.

What's Rockin' in Rocketville

By Jason Gorst
Superintendent/School District of Spencer

In our fall student count, we had some positive news when it came to open enrollment. For years, we have had a deficit when it comes to open enrollment. Last year, we had a deficit of 14 students going out vs coming in. This year, we have reduced that deficit to 7 students. Overall, this is good news for the district. I do want to note that this number will likely change throughout the year as open enrollments are happening at a higher rate overall than in years past throughout the state.

In the October school board meeting, the school board set the local tax levy at an \$8.49 mill rate. This year, there is \$225,000 that was added to our revenue limit, coming from the last operational referendum. There was also a per-pupil increase of \$325 passed by the state. The overall tax levy is going up by an average of 6.63%. This is a much more modest increase than the 16.69% increase last year. This will vary by municipality based on a number of different factors. We were awarded a \$15,000 grant that we were able to apply towards our daycare, which allowed us to reduce the Fund 80 (community service) levy.

For several years, we have had a positive relationship with Bridging Brighter Smiles. This is an organization that comes into our school several times a year to offer dental exams and cleanings for students who are in need of services. Students may qualify for this based on their free and reduced lunch financial status. For more information, please reach out to the school at 715-659-5347.

We are continuing to work hard to maintain and update our facilities. We have repainted the exterior of the dome and added an additional drip edge with the hope of solving the issue of water running down the sides and deteriorating the paint. The football field/track area sound system has been upgraded. We are working on some solutions to some drainage issues we have coming off the roofs. If you see the baseball fence down, that is the reason why. It will be back up in time for the spring season. We will be redoing the vast majority of the exterior windows next summer. We were hoping to do this in the summer of 2025, but we tabled the project one more year. We will also be starting a project to re-cable the entire building. Our internet cabling is coming towards the end of its life-cycle, and we will be upgrading to Cat 6A cable.

This is our first year of offering 4-year-old kindergarten four days per week. We currently have 43 4K students, with 15 of those who are open-enrolled into the district. We added a teacher and an aide this year to make this happen. We are hopeful that this move provides a jump start for the little ones and gets them acclimated to the school setting.

The School Forest Committee ran the Haunted Trail for the 2nd year on October 11th and had a great turnout with nearly 300 people attending. This raised \$1479 to continue to make upgrades on the facilities and grounds at the school forest. We also had a final meeting with the Wisconsin DNR to approve moving forward with the bidding process for some logging that will take place. We hope that the bidding process will be completed in the next 2-3 months.

The School District of Spencer is accepting sealed bids for lawn service for the mowing seasons of 2026-2028. Please contact the district office for more information at 715-659-5347. We may accept or reject all bids. All bids must be received by November 18, 2025.

TACK from page 5

**Mutts Gone Nuts
UNLEASHED**

The title is just as hilarious as the show. These dogs will wow you with their tricks, woo you with their adorable cuteness, and win you over with their hilarious tricks and trainers. This family friendly show will sell out so we encourage you to get a seat while you can! The show is **Sunday, November 16 at 2:00pm** and tickets are \$30 for adults and \$20 for children.

Act 1 is not done yet! The LTCA will have a break to make way for holiday festivities, Madrigals and school shows. The last show of Act 1 will be Friday, January 16 at 7:30pm Mason Dixon Line, a Minnesota based review band of all things country.

Come have a good ol' time at the Tack with

them and then come back for act 2 starting Friday, February 13 at 7:30pm with the clean comedy troupe Triple Espresso 'A highly caffeinated comedy' which tells the story of three friends whose aspirations to showbiz fame end in 4 minutes of magnificent failure in hilarious fashion.

We are excited to host such amazing performers this month and in the future, and we hope you'll consider giving to our annual fund before the end of the year to help us continue this important mission. We are a 501c3 charitable organization and all donations are tax deductible. Give online at lucilletackcenter.com/support/ by mail or by visiting us at 400 N School St. Spencer. We really appreciate your support this year. We are excited to *enlighten, enrich and develop artistic growth for community members of all ages.* — Daniel Worsham

ROCKIN' from page 6

We will be getting a new therapy dog soon. The dog's name will be Penny. We are looking forward to having this service back in our building!

We are currently using a website/app called Speak Up Speak Out, which allows students to anonymously report threats or other concerning behavior issues at school. More information can be found at <https://speakup.widj.gov/>. We recently conducted a school safety drill in which we simulated our lockdown procedures. I am happy to report that all staff and students did an excellent job in complying with the drill.

We are continuing to utilize our strategic plan to drive our district. Now that we have budget and levy stuff wrapped up, we will be shifting our focus to analyzing the school report card when it comes out sometime in November.

SPARC from page 1

This fencing came from the original tennis courts at the Lions Park in the Village. The post and rails have been installed but the fencing fabric remains to be installed yet.

Of course fund raising is always on going. Tax deductible donations can be made to the Village of Spencer, memo: SPARC. There will be a Phase III, down the road as funding allows. Parts of Phase III would include top rail fence guards for the 4' fencing, wind screening, shade shelter, lighting for the courts and pickleball equipment.

Enjoy all that the ARC Park has to offer and on behalf of SPARC, thank you for any help that you may have played in helping us complete Phase II of this project. For some SPARC contacts information: Terry Prust 715-721-0758, Sheveney Verhulst 715-615-4941.

The LUEPKE LOOK-OUT

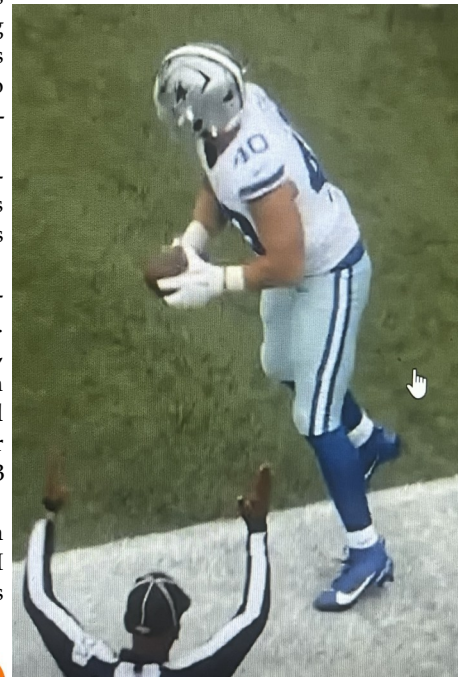

I bleed green and gold. Not unusual 'round these parts. And of course we're obligated to hate the Vikings and Bears. Reasonable enough. And throw in the Cowboys for good measure since they are assuredly still thawing out their heinies after the Ice Bowl on the last day of 1967.

And now I gotta like 'em and heaven forbid, root for them! What's this world coming to? It's all Hunter Luepke's fault. HaHa!! Hunter's doing great again during his third year with the Cowboys and if you read this piece last month you saw he got a nice raise in pay. He scored his 2nd pro touchdown and first TD reception, a nine yarder in a 30-27 loss to the Panthers on Oct. 12.

Hunter has just one carry this season for six yards. He has four receptions for 20 yards and the aforementioned score. He has 3 solo tackles and three assisted. This all begs the question; why isn't he a bigger part of the offense like promised by the last two coaches? Well it's not quite that simple and after a deep dive into that and some film study I hope I have the answer.

First off, did I mention he got paid...lol...always a good start. They don't pay you if you're not an asset. Hunter plays a significant amount of snaps on special teams, an integral part of any football team. And while his carries and targets as a receiver aren't near the top of the list he plays significant snaps, opening holes for a running game ranked 13th in the league with 221.0 yards/game and serves as a blocker and pass protector in a pass offense that ranks 2nd in the league with 268.4 yards/game. Add that all up and the Cowboys have the number 1 offense in the league averaging 390.6 yards/ game after seven weeks. Hunter is a big part of that as a lead blocker/fullback and pass protector for All-Pro QB Dak Prescott.

Conversely, Their defense ranks dead last at 32nd giving up 401.6 yards/game, 260.3 yards through the air and 141.3 rushing yards/game. Perhaps that has something to do with owner/GM/maybe I should hire a real GM, Jerry Jones trading his best defensive player Micah Parsons to the Packers. That's a story for another day. Thanks Jerry and, as always, Go Hunter. Keep it up kid.

I borrowed this video clip off the internet and took a picture of it as Hunter hauled in a low pass (great catch) and hauled it in for his second professional TD. The ref signaled TD and Hunter slammed the ball into the turf left-handed shortly thereafter.

Village of Spencer

WINTER PARKING - CODE 451-23 — —

No person shall park any vehicle on any street in the Village of Spencer between the hours of 2:00 a.m. and 6:00 a.m. during the period from November 1 through April 1.

SNOW AND ICE REMOVAL CODE 418-10 — —

The owner, occupant or person in charge of any parcel or lot which fronts any sidewalk shall keep said sidewalk clear of all snow and ice...sidewalks shall be cleared of all accumulated snow and/or ice within 36 hours if your lot is located in a commercial or institutional zoning district and 72 hours if your lot is in a residential district from the time the snow ceases to accumulate on said sidewalk. Sidewalks are to be kept clear of snow and ice to a minimum of four feet in width. In the event that ice has formed on any sidewalk in such a manner that it cannot be removed, the owner, occupant or person in charge of the parcel or lot...shall keep the sidewalk sprinkled with sand and/or salt to permit safe travel by pedestrians.

Failure to comply with the above requirements will cause the Village to clean any walk, without prior notice, that is not cleared and bill the responsible landowner.

CHRISTMAS TREE LIGHTING & SPECIAL CHAMBER EVENT — —

Mark your calendars now for December 1 at 6pm. Instead of a parade this year, we will welcome Santa and then light the Community Christmas Tree. Santa will visit with the kids in the Lions Shelter. Local businesses will be encouraged to take part in this special event. Hot dogs, hot cocoa, and treats will be available. Watch for more information.

The Spencer High School Volleyball Team hosted a "Pink Night" fundraiser event to raise funds for Cattails Place in Marshfield on October 2, 2025, during their match against Columbus. Cattails Place is a place where patients older than 18 and their caregivers can find supportive accommodations when traveling for cancer care at Marshfield Medical Center in Marshfield.

The Spencer Volleyball team, together with local businesses, parent volunteers, family, friends, and the visiting Columbus fans, raised a total of \$3,437 for Cattails Place! We appreciate everyone's support in aiding those battling cancer!
